Batman may be the biggest name in Gotham City, but there are lots of other heroes—and villains—who will get a turn to shine in *Batman: Urban Legends*, a brand-new monthly series tying into the biggest events in Gotham City. The series begins with these can't-miss tales:

- Superstar writer Chip Zdarsky enters the world of Gotham City with celebrated *Detective Comics* and *DC Future State: Robin Eternal* artist Eddy Barrows for a six-part story chronicling Red Hood's investigation of a new drug sweeping through Gotham. It's a night that will change his life forever—and put him in Batman's crosshairs.
- Writer of the DC Future State "Grifters" story Matthew Rosenberg picks up where he left off, continuing from the pages of *Batman* #101! Superstar artist Ryan Benjamin joins the team as we learn why Cole Cash is in Gotham in a tale that hints at what Halo might be...and we also get Batman vs. Grifter—round two!
- New *Harley Quinn* writer Stephanie Phillips and *DC Future State: The Next Batman* artist Laura Braga join forces for a Harley tale set just before the launch of her new series. Harley's determined to sort out her history with Poison Ivy—but first, she'll have to find her!
- Coming off the DC Future State "Outsiders" tale, writer Brandon Thomas begins a three-part saga reuniting Black Lightning, Katana, and Metamorpho. But this reunion quickly turns into a confrontation with a figure from Katana's past, in a story drawn by fan-favorite artist Max Dunbar (*Champions, Dungeons and Dragons, Judge Dredd*)!

Harley Quinn here to let everyone know that I got a brand-new monthly series here with a brand-new status quo. I'm coming back to Gotham City to make up for the sins of my past, and help the city recover from "The Joker War"!

But there's no welcoming committee waiting for me, your favorite Maid of Mischief! And between you and me, some real creeps are working to *keep* the city broken. We can't let that happen, can we? Rising-star writer Stephanie Phillips, my new partner in crime, takes me into a bold new era with her partner in artistic crime Riley Rossmo, who I gotta say designed a real nice new costume for me. What. Is. *Happening?*! Wonder Woman just woke up in the middle of battle, with rampaging hordes of mythological beasts bearing down on her! Not even the Princess of the Amazons can survive such an assault, but that's okay—it's just another day in Valhalla! The warriors here spend their days fighting and their nights drinking—and if they die in combat they'll be resurrected in time for the party. Strange, though, that no one seems surprised to see Wonder Woman in this crowd. It's up to Diana to find out why things are going wrong in the Sphere of the Gods—and whether it has anything to do with what landed her in the Norse afterlife.

This bombastic adventure comes from the new creative team of writers Becky Cloonan and Michael W. Conrad (*DC Future State: Immortal Wonder Woman*) and artist Travis Moore (*Nightwing*)!

In the backup story, the world may know her as Wonder Woman, but once upon a time she was just Diana of Themyscira, a young girl struggling through adolescence on the shores of a mysterious island. Brought to you by Eisner Award winner Jordie Bellaire and fan-favorite artist Paulina Ganucheau, this new backup story will present an intimate look into the princess's upbringing and the hidden secrets of her past.

This new series presents fresh new visions of the Man of Steel in his two signature colors of red and blue! Around the world, everyone knows that when they see a red and blue streak in the sky, it's not a bird...it's not a plane...it's Superman.

To start things off, Academy Award-winning writer of *DC Future State: The Next Batman* John Ridley joins artist Clayton Henry (*Batman/Superman*) to tell a story of Clark Kent as he confronts a villain who still haunts him, in a story that shows what Superman can mean to a whole country. Then, Brandon Easton (*DC Future State's* "Mister Miracle") and Steve Lieber (*Superman's Pal Jimmy Olsen*) take readers to the streets of Metropolis to show how one hero can mean so much to an individual in pain.

Plus, writer/artist Wes Craig (*Deadly Class*) tells a tale of Superman's early days and the man who inspired him to become the hero he is today! And Marguerite Bennett (*DC Future State: Kara Zor-El, Superwoman*) and artist Jill Thompson give us a tale of teenage Clark Kent, while Dan Watters and Dani, the team behind *Coffin Bound*, bring us an outlandish fable about what happens when all colors are stolen!

There's something unusual about Pamela Isley—the girl who hides behind her bright red hair. The girl who won't let anyone inside to see what's lurking behind the curtains. The girl who goes to extreme lengths to care for a few plants. Pamela Isley doesn't trust other people, especially men. They always want something from her. Something she's not willing to give.

When cute goth girl Alice Oh comes into Pamela's life after an accident at the local park, she makes her feel like pulling back the curtains and letting the sunshine in. But there are dark secrets deep within the Isley house. Secrets Pamela's father has warned must remain hidden. Secrets that could turn deadly and destroy the one person who ever cared about Pamela, or as her mom preferred to call her...Ivy.

Will Pamela open herself up to the possibilities of love, or will she forever be transformed by the thorny vines of revenge?

But her past is catching up to her, and she is running out of time...

Luke Fox has been looking for just the right opportunity to show Batman he can protect the city from Gotham's worst as Batwing. When several high-profile fundraisers are disturbed, Luke's clandestine activities clash with his parents' expectations. As a scion of one of Gotham's finest families, he's expected to attend these events with pride. As Batwing, he's trying to stop a new team of villains from ruining his mother's plans. Now he feels permanently one step behind...

Will Selina have what it takes to outsmart Batwing before it's too late? Or will she be the final victim of her greatest heist yet?

"Teen Titans: Raven takes all the best traits of both comic books and YA lit and merges them together to create an evocative and exciting origin story."

—Hypable

"As someone who spends half her life inside Rachel's head...it was impressive to see her so effortlessly come to life on the page! If you love Raven, this is a must-read!"

—Teagan Croft, actress portraying Raven in the DC Universe series *Titans*

"With Teen Titans: Raven, writer Kami Garcia and artist Gabriel Picolo have created a new and different look for Raven, yet she still shares the DNA of the mystical heroine created in 1980 by me and artist George Pérez. Explore and enjoy!"

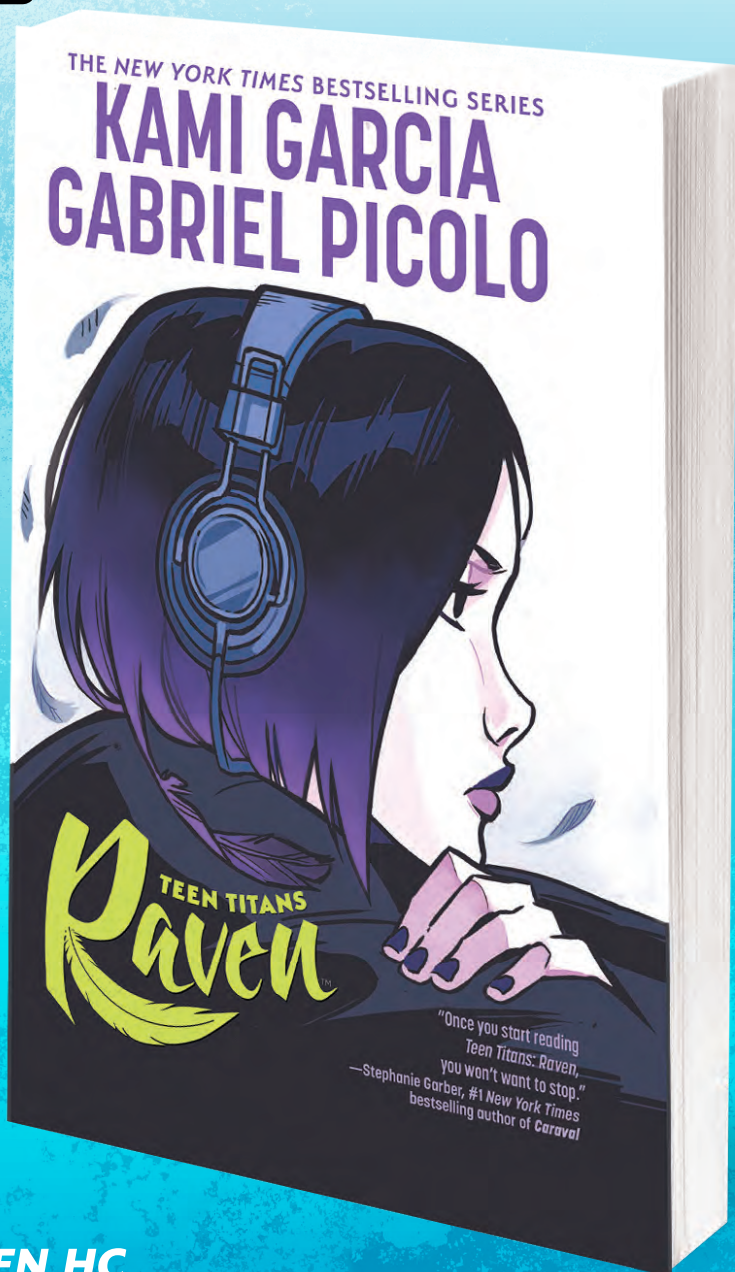

—Marv Wolfman, co-creator of *Raven*

"Garcia's ambitious origin story of a Teen Titan is funny and unequivocally feminist. Picolo's gorgeous illustrations are dynamic and nuanced. Lovers of superheroes will appreciate this complex origin story."

—School Library Journal

"Picolo's spare, effective use of color and slightly edgy art helps situate the story in a supernaturally tinged world of high-school drama. Garcia's exploration of the connection between memory and identity offers a promising entrée to the Teen Titans series."

1983. Japan. Tatsu Yamashiro's life has been taken from her. Her home, her children, her husband are all gone. With nothing left but a burning pain and the sword that stole her family from her, Tatsu begins a long journey of healing, self-discovery, agency, and rebirth. This is the story of Tatsu Yamashiro, the woman known to many as Katana—a hero who became more than the world ever intended for her, ultimately making a family of like-minded Outsiders who rally together for the common good amidst xenophobia and oppression.

The long-awaited miniseries written by Academy Award-winning screenwriter John Ridley (*12 Years a Slave, Let It Fall*) and beautifully illustrated by Giuseppe Camuncoli and Andrea Cucchi continues to look at the mythology of the DC Universe as seen through the prism of DC Super Heroes who come from traditionally disenfranchised groups.
