DC PREVIEWES

www.dccomics.com

Dear Retailer Partners –

Welcome to the debut issue of DC PREVIEWES! We couldn't be prouder of this, our very first stand-alone solicitation catalogue. In it you will find everything that DC previously would have offered in the pages of *Diamond Previews*, including solicitation information and art for our upcoming comic books, collected editions and collectibles.

As you flip through DC PREVIEWES, you may notice a change in our approach to solicitations. All our imprints – DC, Vertigo, DC's Young Animal and even MAD – are listed alphabetically and integrated together. Each title has its imprint logo next to it so you'll know instantly where they fit into DC's overall publishing program.

Of course, we've also refreshed the look of the pages with a new, modern design, and we've added a checklist of every title we're soliciting by on-sale date.

Retailers will receive DC PREVIEWES free, matched to your orders on *Diamond Previews* every month. If you want more copies of DC PREVIEWES, you can download a free digital PDF of the catalogue from the Diamond vendor tools page that you can share with your customers.

We hope you like what you get in DC PREVIEWES! Please feel free to let us know what you think – and watch for the next issue of DC PREVIEWES coming to your store in May.

It's the wedding you never thought you'd see! The Batrimony is real as Bruce Wayne and Selina Kyle are set to tie the knot in a can't-miss, extra-length milestone issue that will reshape Gotham City. All their friends (and a few enemies?) will be party to a comic book coupling for the ages.

Superstar scribe Tom King officiates the sure-to-be-offbeat nuptials, joined by an all-star lineup of guest classic Bat-artists doffing their hats to the lucky couple in a series of pre-wedding flash-back scenes sure to set the romantic mood.

Then, in issue #51, the honeymoon's over for Bruce Wayne as Gotham City's most prominent citizen gets selected for jury duty in a chilling court case involving Mr. Freeze! Freeze claims the charges should be dismissed because Batman used excessive force; cue the outrage and media circus. While doing his civic duty, Wayne's forced to take a hard look at the Dark Knight's methods. And hey... what is Dick Grayson doing running around the city dressed as Batman?
