ABLAZE's The Cimmerian returns! See Robert E. Howard's classic pulp tales adapted to the comics medium with all bloody, guts, and glory intact! Conan, accompanied by Natala—a slave of wild beauty—advances through the seeming infinity of a sandy desert. With water and food supplies now exhausted, and with the two stranded in turn under a blazing sun and frigid nights, it is clear that the inevitability is death. Right as Natala's final ounce of strength leaves her, Conan spots something in the distance. It's a city that shines like glass. It's Xuthal...

Eydis Friggsdottir is an Icelandic attorney and descendent of the goddess Frigg, blessed with the gift of making "unbreakable" contracts. Eydis takes on her most difficult case yet when she is hired to broker a peace treaty between the Norse gods in an effort to prevent a new Ragnarok.

ValhalLaw is contemporary fantasy, filled with dark humor and high concept action (plus a bit of legal drama). But at its chilly heart, the book is about family, as Eydis juggles saving the world and rediscovering romance with her (recently reanimated) girlfriend.

Roy is joined on his mission to Mars by Leopold and Albert, two Mars rovers equipped with artificial intelligence, who look upon the dying pet store manager as a sort of god. Against the backdrop of not only his waning days but those of human civilization as well, Roy has ample time to think about where things went wrong for both of them and what it means to be a dying god. A riveting story of planetary exploration and of finding meaning in your final days.

"...an intensely personal and honest story born from frustrated anxiety over the easy choices for a better future that society continues not to make. There's catharsis in this very smart and well-done comic, and I can't recommend it enough. Verdict: Buy" —COMICSBEAT.COM

"Mark Russell is the consistent satirist in mainstream comics right now, and Traveling to Mars turns his jaundiced eye on space travel in a bleakly funny subversion of the genre. Space travel is founded on optimism, the model established by editor John W. Campbell where capable white men go to space for the betterment of Mankind. Russell turns that completely on its head. Score: 8/10" —BLEEDINGCOOL.COM

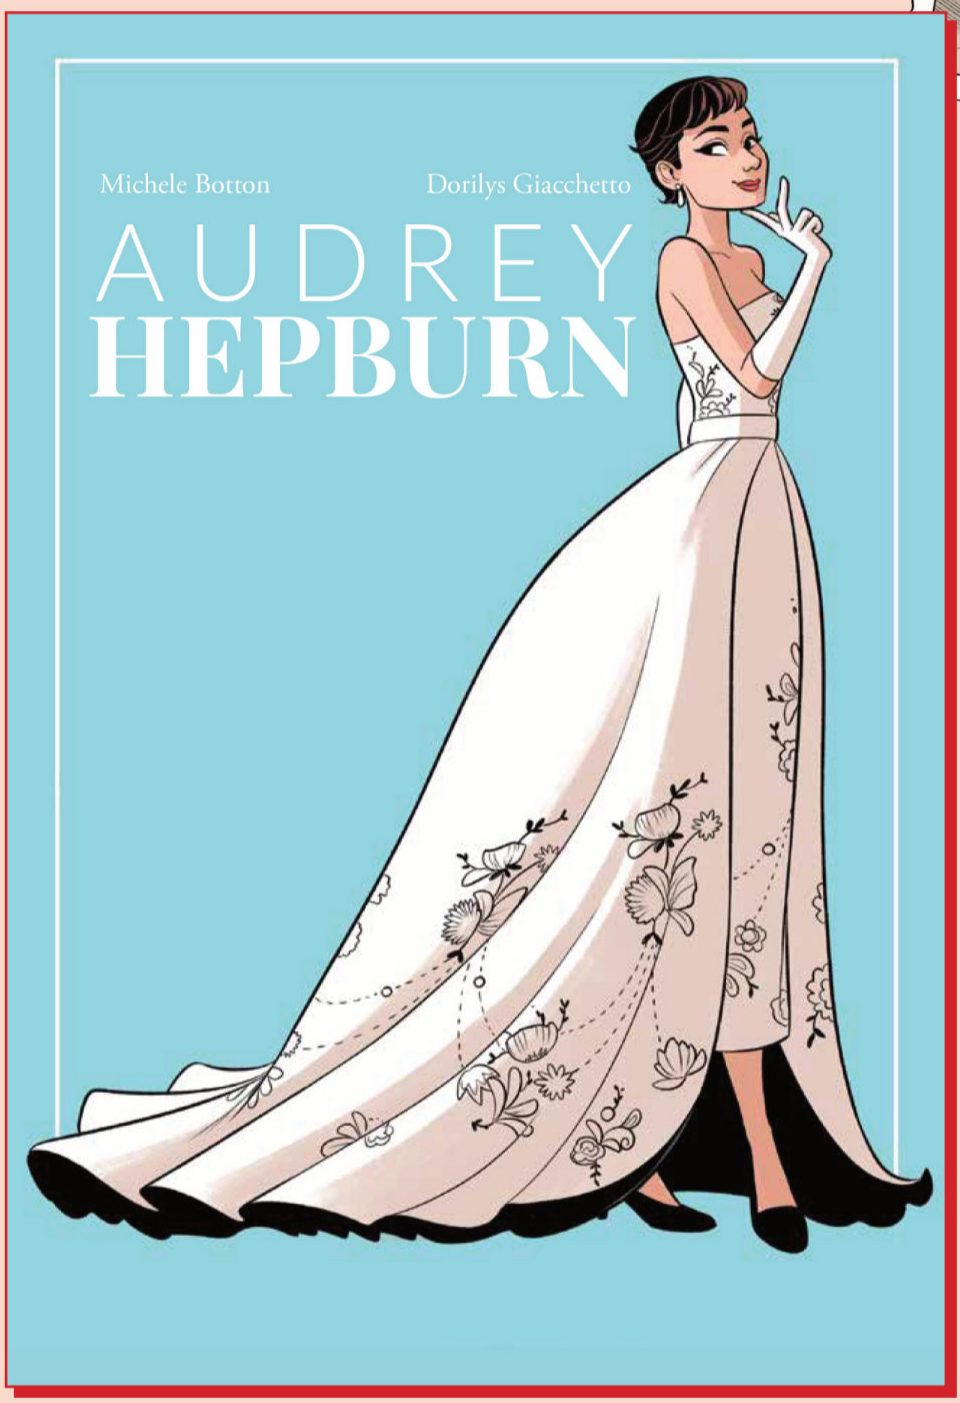
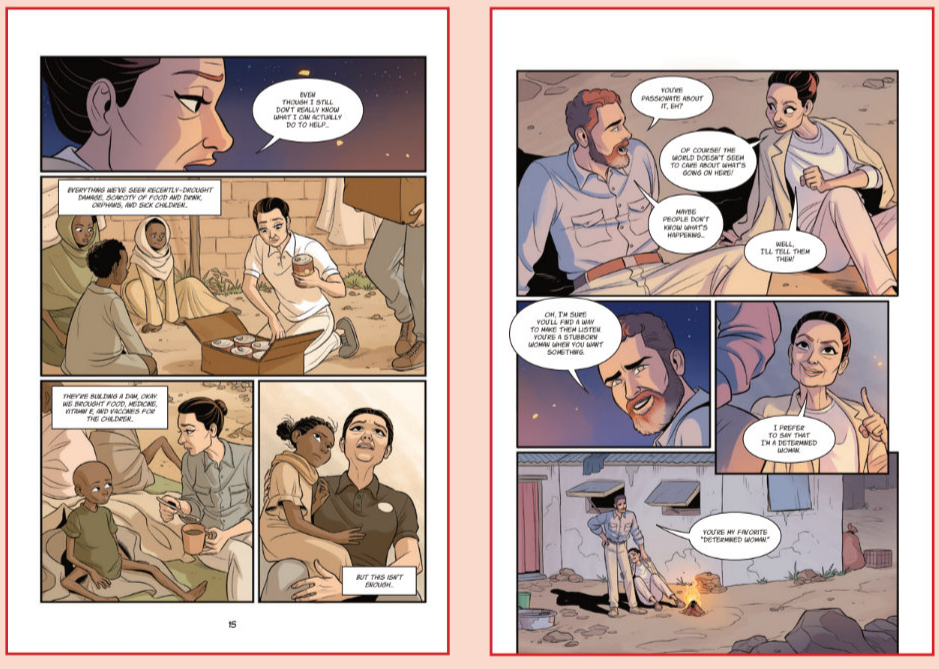
PREVIOUSLY OFFERED, BACK TO PRESS!

COVER/ARTIST: DORILYS GIACCHETTO
WRITER: MICHELE BOTTON





Pending licensor approval. NBM Graphic Novels TM & © 2026 ABLAZE, LLC.

From the preface by Luca Dotti, Hepburn's son: "Everyone has their own Audrey, for some she is always twenty years old, for others she is in black and white and for others in color. Sometimes she is a European princess, a tipsy New Yorker or a UNICEF ambassador. Here you will discover her differently, made of ink and paper in a much more intimate and unvarnished dimension, without a soundtrack and with the voice you prefer. I sincerely hope that you will discover her as yours."

When Audrey Hepburn is mentioned, one thinks of her being beautiful and elegant, of her films, or of how her image is used to recall something immortal and fashionable.

But Audrey was also a little girl who saw the Second World War with her own eyes, a woman who was at times fragile at work and in her private life, with a strong desire for motherhood and, above all, a boundless love for children that would lead her to find her true vocation, far from dancing or acting: she will in fact become a UNICEF ambassador to raise awareness in the world and help minors in difficulty.

"When I started acting, I didn't have a method, on set and on stage I just pretended to be someone else, like little girls can do for fun. And I won an Oscar!"

A young local lord saves her, but it soon becomes apparent that Coddie's destiny may be far greater than anyone ever imagined. COVER/ARTIST: STÉPHANE FERT
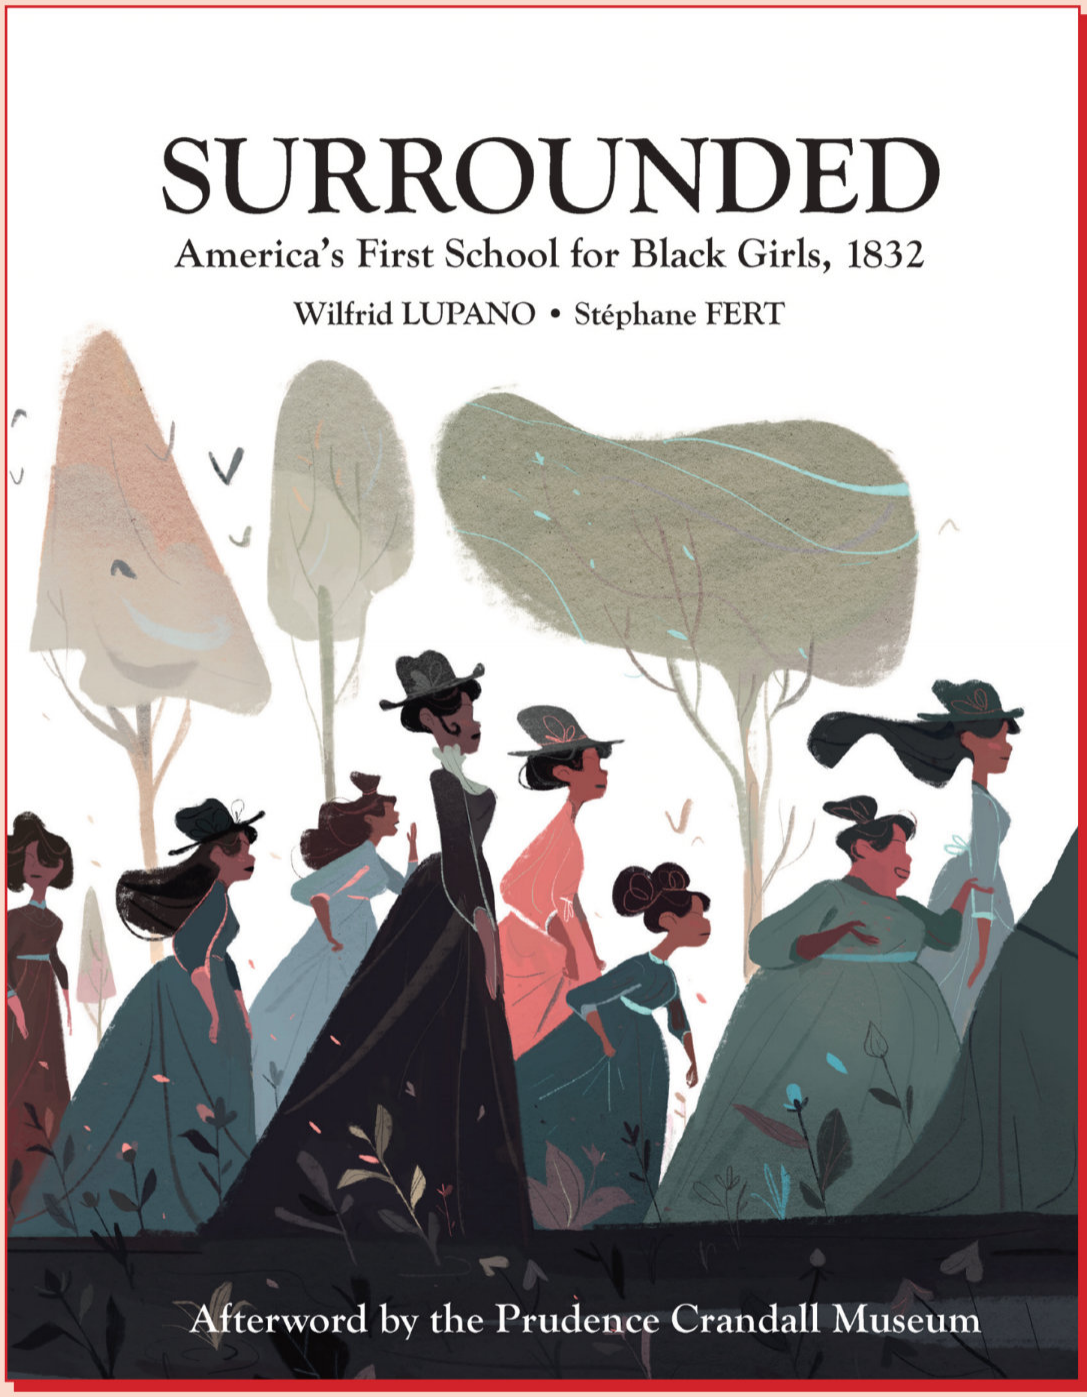
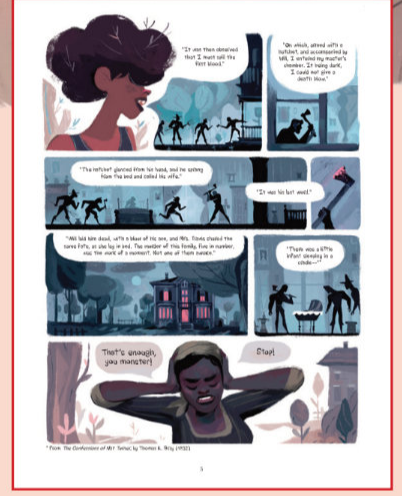
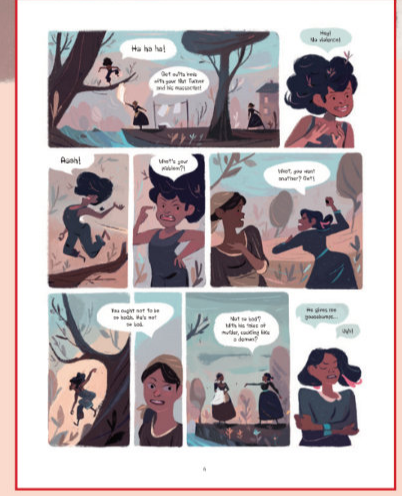
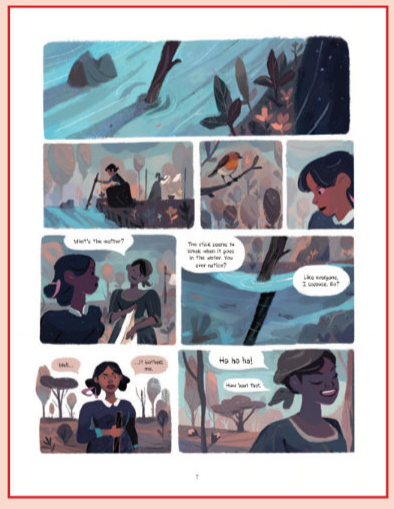
WRITER: WILFRID LUPANO









NBM Graphic Novels TM & © 2026 ABLAZE, LLC.

In 1832, in Canterbury, Connecticut, a "charming and picturesque" little school for young girls opens to accommodate around twenty residents.

Educating girls is a bit ridiculous and useless, they think in the area, but harmless enough. Until the day when the "charming school", led by Prudence Crandall, announces that it will now welcome Black girls....

Thirty years before the abolition of slavery, some fifteen young people in the Crandall school are greeted by a wave of hostility of insane proportion. White America is afraid of some of its children.

The story of this school and its legal legacy for civil rights cannot be understated. Crandall v. State (of Connecticut) was the first full-throated civil rights case in U.S. history. The arguments by attorneys in the Crandall case played a role in two of the most fateful Supreme Court decisions, Dred Scott v. Sandford, and the landmark case of Brown v. Board of Education. It catapulted Ms. Crandall into a Civil Rights pioneer.

Voice-A-Versa

FINDING MY VOICE(S) BEHIND THE MIC

- BY BILLY WEST

From the voice behind Ren & Stimpy, Doug, Bugs Bunny, nearly half the main *Futurama* characters, and much more, a revealing memoir of life before—and in front of—the mic

Billy West is one the most accomplished and beloved voice actors alive today. He's brought to life original animated characters like Stimpy from *Ren & Stimpy*, Doug Funnie, and Philip J. Fry, Dr. Zoidberg, Zapp Brannigan, and Professor Farnsworth (and more) on *Futurama*. And he's played iconic characters like Bugs Bunny and Elmer Fudd in *Space Jam*, Popeye, and Woody Woodpecker. Chances are, he's made you laugh many times. You might even know some of his lines by heart.

In *Voice–A–Versa*, West recounts his remarkable life in show business and the circuitous route that got him there, from a radio–call in contest that led to skits on morning radio in Boston, to a one–off appearance on *The Howard Stern Show* that turned into a regular role, to a big move to Hollywood, and legendary roles working with other talented creators. But West's life story is deeper and darker than that, and this memoir will reveal the traumatic upbringing that scarred and shaped him, and which gave birth to the "Billy–verse" of voices.

Billy West is an accomplished voice–over actor, musician, and former radio personality. Born in Detroit in 1952, he got his start in the entertainment industry on morning radio in Boston and as a failed stand–up comic, then became a regular on *The Howard Stern Show* from 1989 to 1995. His voice roles include Bugs Bunny in *Space Jam,* Doug Funnie in *Doug,* Ren Hoëk and Stimpson J. Cat from *The Ren & Stimpy Show,* and many others, as well as characters in advertisements, including Buzz the Bee for Honey Nut Cheerios and the Red M&M.

Letters from the Witch: Cackle Crackle

WITH FIVE SPELLS FROM PRACTISING WITCHES TO PULL OUT AND KEEP

- WRITTEN BY ANNIE ATKINS; ILLUSTRATED BY TARYN KNIGHT

Read five letters from five magical beings in this beautifully illustrated book from renowned designer Annie Atkins, illustrated by Taryn Knight

Letters from the Witch follows five witches from across the globe as they prepare for showtime at the annual Big Witch Convention. However, their work is interrupted by gaggles of local children looking for help. How will the witches share their secrets, and will the children know if they're being tricked?

Written in perky rhyming verse as a partner title to *Letters from the North Pole*, this delightfully spooky story includes 10 pullout paper props featuring handwritten letters, spells, and scientific diagrams straight from the witches' kitchens and laboratories.

Annie Atkins is a graphic designer and prop maker for film and television. Her first job after graduating was on the third season of *The Tudors*, creating the calligraphy for Henry the Eight's death warrants (among other things). She is known for her work with Wes Anderson on *The Grand Budapest Hotel*, which won the Academy Award for Best Production Design at the 87th Academy Awards. Since then, she has worked again with Wes Anderson on *Isle of Dogs* and *The French Dispatch*. Atkins's first book, *Fake Love Letters, Forged Telegrams, and Prison Escape Maps* was published in 2020 by Phaidon. Atkins lives in Dublin, Ireland, where she teaches workshops out of her studio.
Taryn Knight is an illustrator working in children's literature from her home in the windswept fields of Colorado, with over 360,000 followers on Instagram. She began her professional career as a digital designer, dabbling in digital illustration until finally returning to paint and paper. Since then, she's made her children's book illustration debut in 2020 with *Embassy of the Dead* (Walker US) and manages an online shop. Knight is inspired by nature and life's simple joys, aiming to create a sense of wildness and childish freedom. She works from her small studio at home, where her desk is littered with paint tubes, mismatched mugs, treasures collected on walks, and half–drunk cups of tea.

Tillie Walden's complex, lyrical stories about queer love, fantasy, coming-of-age, and cats are now available in this collection.

In 'The End of Summer,' Lars is battling illness and boredom in a secluded castle at the start of an endless winter with a giant cat to keep him company and fraying family bonds to test his strength. In 'I Love This Part,' two small-town girls kill time and try to muddle through school when an unexpected romance blooms. And the surreal 'A City Inside' recounts one woman's life from childhood on, in a poetic tale about coming-of-age when you think you're past all that.

This graphic novel also includes never-before collected early sketches, webcomics, including the short comic 'What It's Like To Be Gay In An All-Girls Middle School,' which shot Tillie to fame on both sides of the Atlantic.

From the time when the station wakes her up, Birdie Doran is on the clock. It's just her and one or two others on Terracorp's isolated outpost, processing comets. So she slips into virtual reality, with the station creating adventures for her as she does repairs, routine maintenance, and checks the status on all the systems.

But when Birdie discovers another abandoned station just within walking distance of her own, she begins to question her isolation, and her own memories of what her job-and her life—really is. And at every turn, she starts finding the things the station has been hiding from her.

Ignatz Award-nominated author Kit Anderson presents a psychological science fiction exploration of the lines between reality inside and outside the mind.

Blockbuster screenwriter **Derek Kolstad**, creator and writer of the internationally acclaimed, box office dominating motion picture franchise JOHN WICK, New York Times best-selling writer **Robert Venditti** (SUPERMAN '78), and master illustrator **Alex Maleev**, the Eisner Award-winning artist behind seminal runs on Daredevil, Moon Knight and more, have combined powers to bring you a white-knuckle, globe-spanning action/spy thrill ride.

Cole is a repo man of the highest caliber, repossessing heavily guarded mega yachts from billionaires, private planes from captains of industry, and everything in-between. If it's got an engine, he can drive it, ride it, or fly it straight out from under the nose of an army of guards.

Now he's handed the job of a lifetime. The impossible job. One that will bring him face to face with the highest stakes.

The Russians have stolen aeronautical military secrets from China, France, Germany, The UK, and the US to "Frankenstein" together the ultimate bleeding edge, next-gen fighter jet: The Warbird. There are only three of them in existence. They are a force of absolute nature—$1.4 billion apiece—dominating every global hotspot from Syria to Ukraine. And Cole's been hired to steal one... and destroy the other two.

His fee? 10%. A cool $140 million. But this isn't a repossession job. This is outright theft. And failure doesn't mean jail time and fines—it means a bullet to the back of the head.

ALL ERROR INTERIORS!

DINGOLIATH #1: THE ERROR EDITION!

It has been ZERO days since our last printing error!

The printing process isn't perfect. So much can go wrong: binding mistakes, inaccurate colors, incorrect paper stock, low resolution, all just a tip of the iceberg when it comes to printing errors.

Most times these mistakes are caught at the printer, but sometimes these error copies escape containment, making for some of the rarest versions of a comic available on the market.

Collect your own super-limited version of BAD IDEA's Monsterverse premiere with DINGOLIATH #1: ERROR EDITION!

Due to a pre-planned manufacturing error, every copy of DINGOLIATH #1: ERROR EDITION suffered an unfortunate plate-swap at the printer, meaning every single copy features completely color swapped cover and interiors. Just like the coveted Fantastic Four #110 misprint!

The rarest version of the first appearance of DINGOLIATH on the market guaranteed!

AN ADRENALINE-FUELED THRILL RIDE

FROM NYT BESTSELLING WRITER
ROBERT VENDITTI
(SUPERMAN '78)

AND WORLD-RENOWNED ARTIST
DAVID LAPHAM
(STRAY BULLETS)

THE RETURN OF DAVID LAPHAM'S CRIME SAGA!

New York Times best-selling writer **Robert Venditt** (SUPERMAN '78) and world-renowned comics legend **David Lapham** (STRAY BULLETS) join forces to deliver a must-read new entry in their striking new vision in the fight against crime.

Something's rotten at Big Caligula's Pizza, location #212 -- and it's not just last week's mozzarella. Cash tips have fallen off a cliff, and the question on everyone's lips is, why? Has service really gone downhill, or is there something, or someone, more sinister to blame?

Corporate smells trouble, and they've called in their best man for the job. Enter, Hank Howard. Armed with a mind as sharp as a tack, nerves of steel, and an ironclad stomach, Hank's about to dive into a mystery hotter than a fresh-baked pie and his only lead won't talk. Literally. It's the location's mascot, Biggie. The employees who don the oversized Roman Emperor garb are forbidden from talking in front of customers. Ruins the illusion for the kids.

Thankfully, Hank's not flying solo. Location #212 just happens to be the stomping grounds of Hank's old buddy, the pizza crust loving dog, Cali. Together, they'll sniff out clues, chomp down leads, and uncover secrets that could rock the pizza world to its core.

DYSART, LAPHAM, SIENKIEWICZ RAMP UP THE ACTION!

Eisner-nominated writer **Joshua Dysart** (UNKNOWN SOLDIER) and Eisner Award-winning artists **David Lapham** (STRAY BULLETS) and **Bill Sienkiewicz** (NEW MUTANTS) go for the jugular in the penultimate chapter of their groundbreaking horror tour-de-force.

A fungal infestation has taken control of The Hab and the minds trapped inside. It brings with it a message:

Peel back your flesh, strip by strip. Unburden yourself from what's inside. Make room. It's time to become something new. But first...YOU MUST DIE!

After a last-ditch hunt for a cure deep within the cavernous underbelly of The Hab goes horribly wrong, Dr. Farooqi, Mel, Mina, Tomas, and Tuttle are the last inhabitants of their damned refuge left alive. But they're not alone. The dead walk again—rotting, reanimated, and consumed by the spreading infection that's taken hold of The Hab. Mina knows their only hope is to seal off the ancient cave spewing spores into the station. But Tomas and Tuttle have a different plan... burn it all down.

In 1986, comics visionary Frank Miller, along with Klaus Janson and Lynn Varley, re-envisioned the Dark Knight in a bold way that has since revolutionized the way people view superhero comics.

It's been 10 years since the Batman was last seen, and Gotham City has since decayed into a cesspool of crime. But now something has stirred within Bruce Wayne, reminding him of the solemn vow he made to his parents. As Gotham falls prey to gangs and as the threat of nuclear war looms, Bruce can no longer stand by idly. The night belongs to Batman, and it's time to remind the world that justice still exists.

This 40th anniversary deluxe edition of the beloved classic collects the original four-issue Prestige series and includes a new afterword by Miller; a tribute cover gallery featuring artwork by Jim Lee, Jock, and others; and more!

From the endlessly creative minds of comics legends Grant Morrison (*52*, *All-Star Superman*, *We3*, *New X-Men*) and Andy Kubert (*Adam Strange*, *1602*, *X-Men*) comes a startling new chapter in the life of Gotham's Dark Knight.

The mysterious Talia, daughter of the archvillain Ra's al Ghul and Batman's onetime love, returns with a boy named Damian and claims the child is Batman's son.

Stunned, the Dark Knight takes the child in, but the boy, raised among the brutal dictates of the League of Assassins, has his own agenda. Soon both Tim Drake, Bruce Wayne's newly adopted heir, and Alfred, Wayne's faithful butler, find themselves targets of this genetically perfect and very angry child.

Is Damian really just a young, misguided boy trying to prove himself to his father—or have long years of Talia's indoctrination left him an operative solely designed to destroy the Batman?

Under the masterly skills of Morrison and Kubert, *Batman & Son* is one of the most intriguing Batman tales ever told. It also features the artwork of John VanFleet (*Batman: The Chalice*) in a unique story highlighting the Joker.

THE LEGEND OF KAMUI: VOLUME FOUR

SHIRATO SANPEI

Translated by RICHARD RUBINGER with NORIKO RUBINGER

The plot thickens in Shirato Sanpei's sweeping masterpiece!

Long considered the greatest epic series in Japanese comics, *The Legend of Kamui* delicately balances the largest cast ever in manga while managing to make every character distinct.

In this fourth installment of the groundbreaking saga, the outcast Kamui finally enters the order of the ninja. But soon, he is tasked with assassinating his teacher Akame who has joined forces with a high-powered merchant. Elsewhere, Shosuke's hard work and innovative ideas have ingratiated him with the farmer class, beginning to bridge the gap with outcasts in a move towards collaboration—at least, until he is arrested for helping start the Tamate uprising.

The Legend of Kamui remains the most exciting adventure comic on the stands today while also managing to be the single greatest source for understanding Edo-period Japan and how ALL modern civilizations are built. Originally serialized between 1964 and 1971 in the legendary alt-manga magazine GARO, this landmark work of historical fiction is translated from the Japanese by Richard Rubinger with Noriko Rubinger.

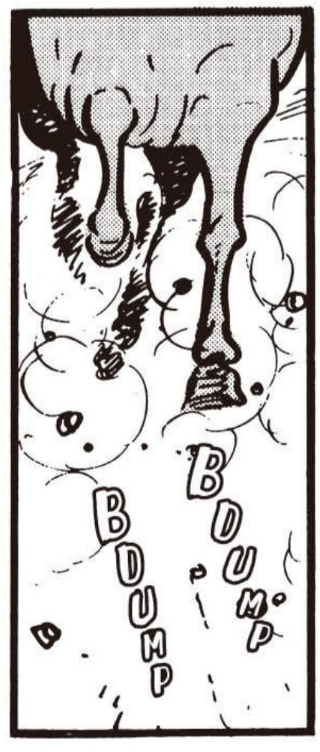
THESE GUYS ARE RISKING THEIR LIVES. THEY WON'T CONFESS.
GUNDAYŪ, WHAT SHALL WE DO?

HUFF
HUFF

WOW! EVEN THE CASTLE WARDEN HAS COME.
BDUMP

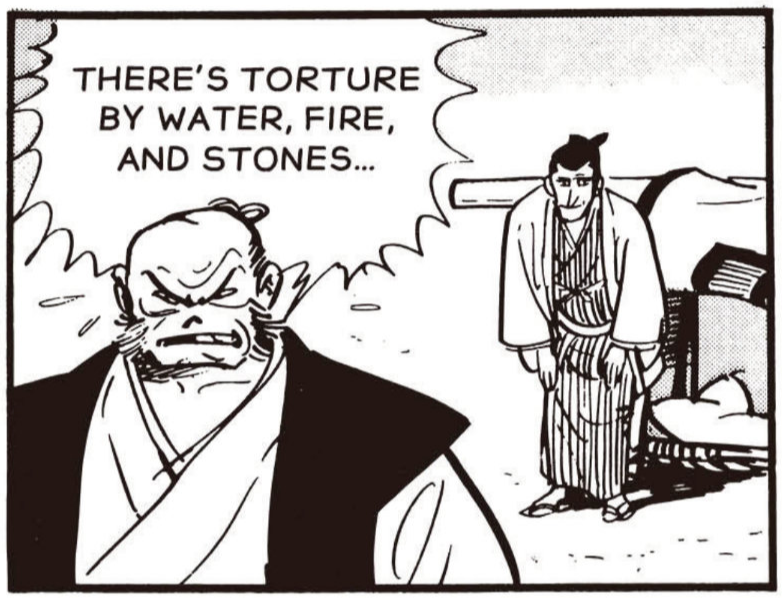


BDUMP
BDUMP
BDUMP

IF WE PUSH THEM, THEY'LL TALK EVENTU-ALLY.

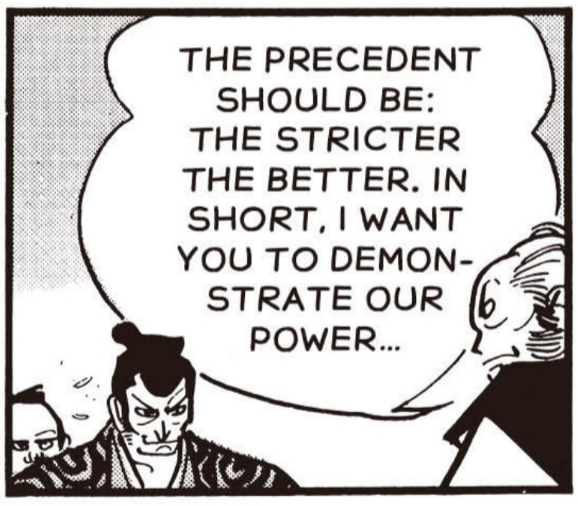
YOU DON'T KNOW THE WHERE-ABOUTS OF THE LEADERS YET?

WHAT'S GOING ON? IS THIS ALL YOU'VE CAUGHT?

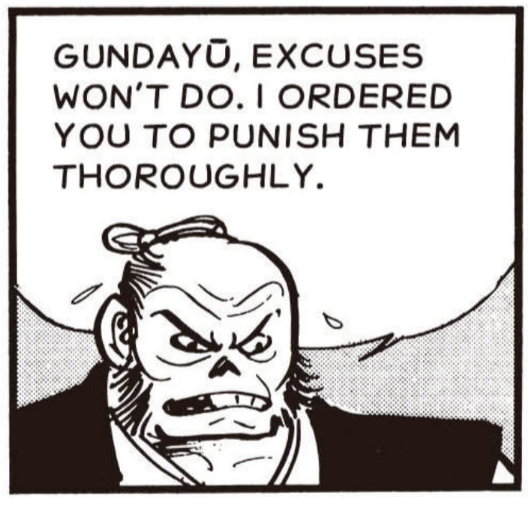


THERE'S TORTURE BY WATER, FIRE, AND STONES...

IDIOT! WHAT'S TAKING SO LONG? YOU ARE TOO SOFT!
THESE GUYS ARE VERY OB-STINATE...



THE PRECEDENT SHOULD BE: THE STRICTER THE BETTER. IN SHORT, I WANT YOU TO DEMON-STRATE OUR POWER...



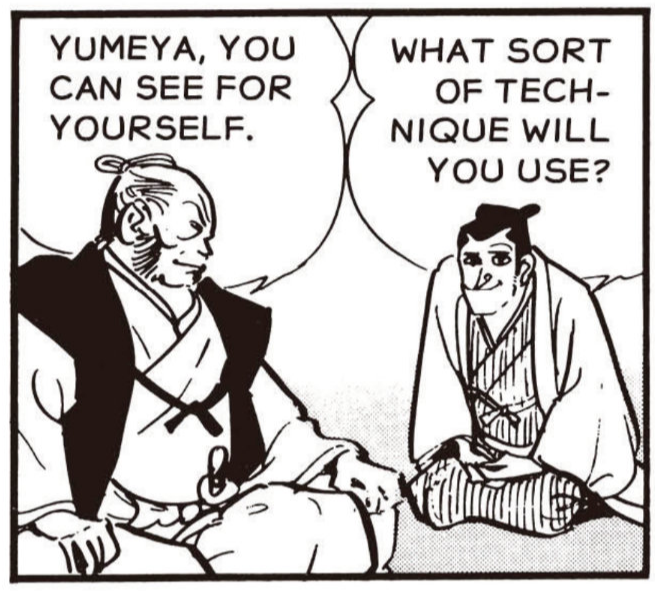
GUNDAYŪ, EXCUSES WON'T DO. I ORDERED YOU TO PUNISH THEM THOROUGHLY.

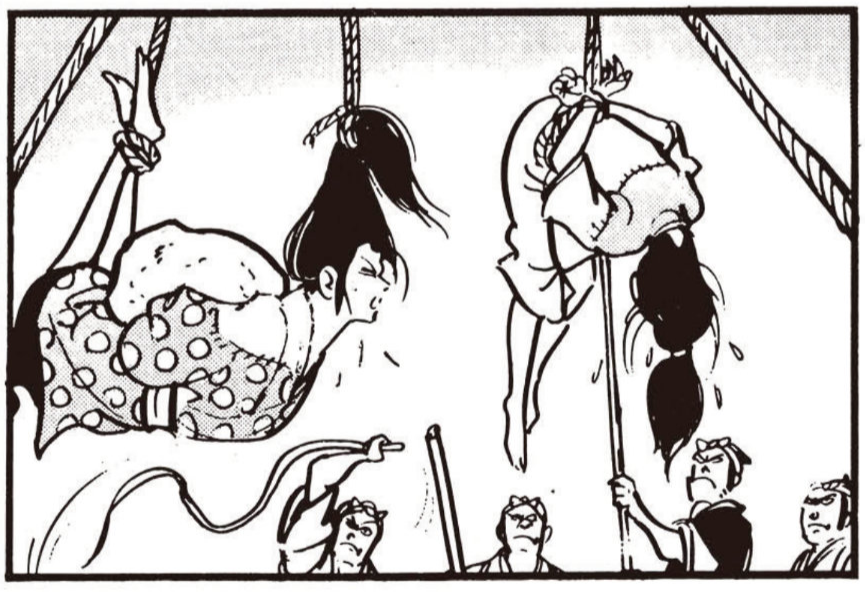
WE'VE BEEN DOING IT FOR SEVERAL DAYS.

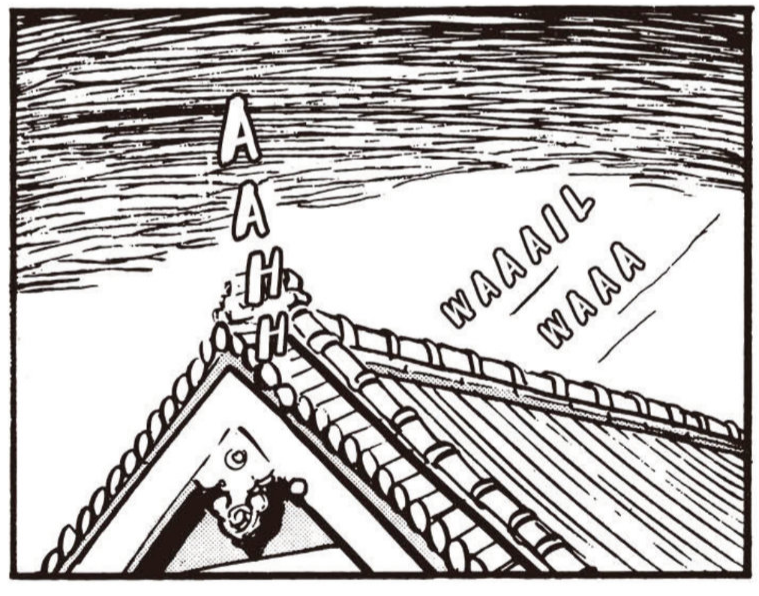
OK, WE'LL DO THAT.
MURMR

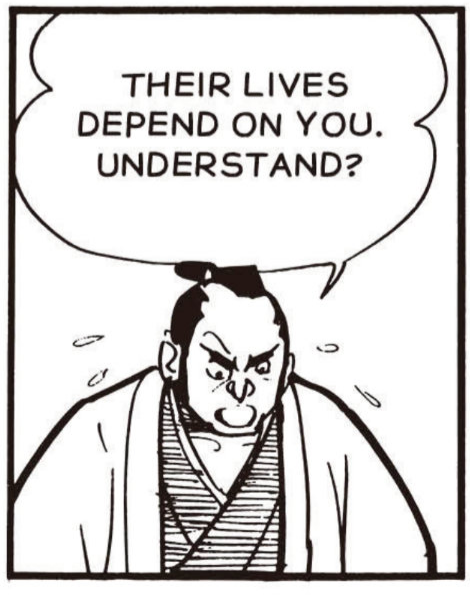
SO NEXT TIME THEY'LL THINK TWICE.

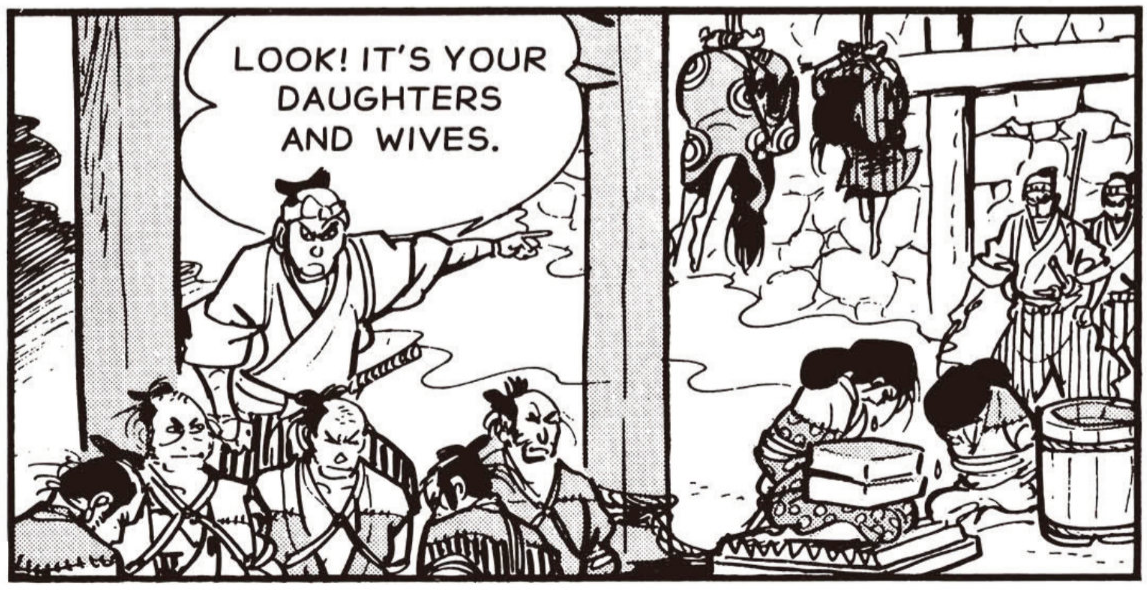
Shichibei was likely opposed to the metsuke's and kuraya's power grab in the domain. Taking advantage of the Tamate uprising, he sought favor with the castle warden by giving him money. They needed each other.

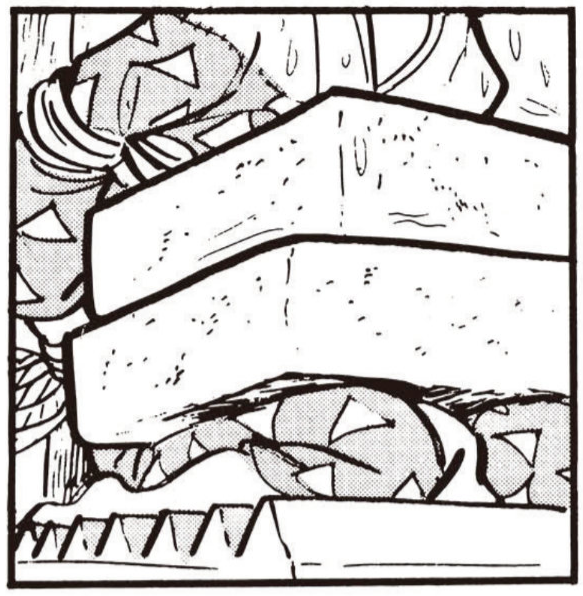






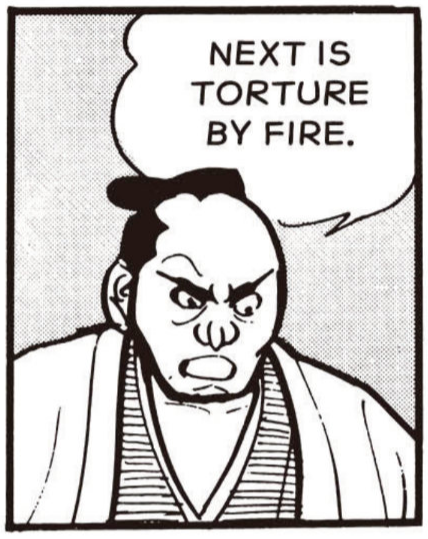




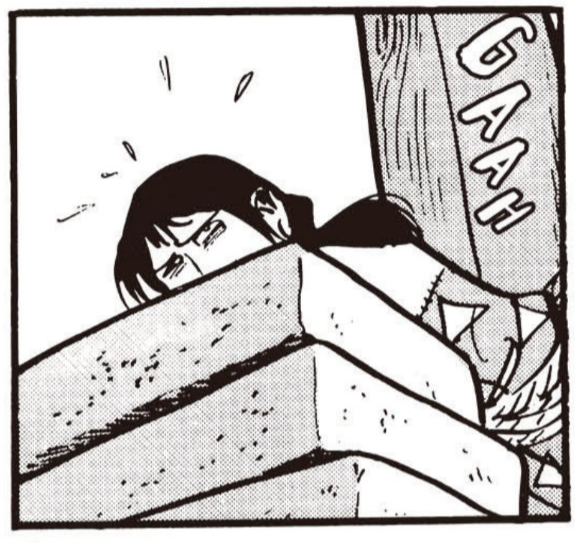


AAAAH

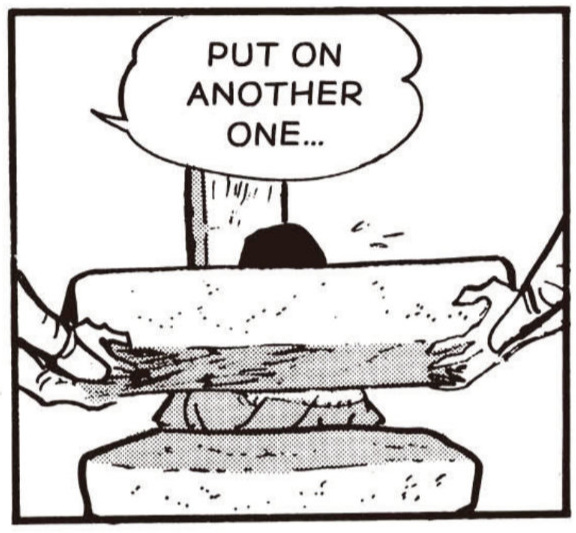
GO AHEAD!



NEXT IS TORTURE BY FIRE.



GAAH



PUT ON ANOTHER ONE...

AAAOOW
SSSSS

I HOPE YOU WON'T REGRET IT.

AAAARGH

AAAAH
OOWWW

WE MUST BEAR THIS.

GOD...

SLAM

FARMERS HAVE THE SOULS OF FARMERS.

SHUT UP! IT'S YOU WHO ARE DOING THIS!

CAN YOU REALLY STAND TO SEE YOUR KIDS AND BELOVED WIVES GO THROUGH THIS?

CLATTER CLAMOR

HEY, WHAT'S THAT?

SHUT UP!

WHAT? WOMEN?

BE CAREFUL! THE WOMEN OF TAMATE ARE MARCHING THIS WAY IN LARGE NUMBERS!

CLATTER CLATTER

CLATTER

CLATTER
CLATTER

CLATTER

GET OUT OF MY WAY, SQUIRTS!

HALT!

WE CAME TO SPEAK WITH THE WARDEN. LET HIM KNOW.

I THINK WE HAVE TO INFORM HIM.

WHAT SHALL WE DO?

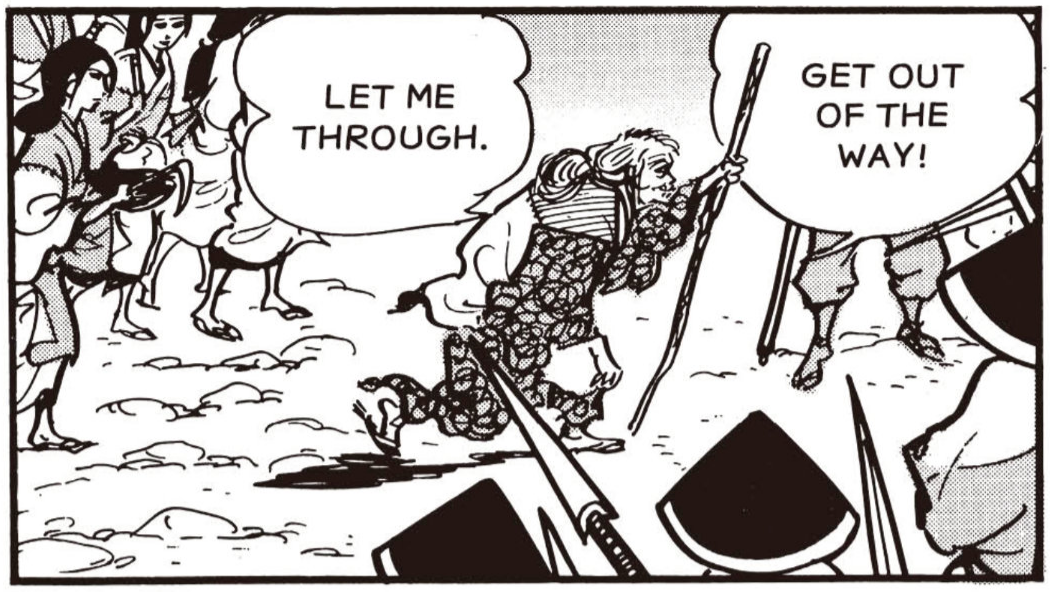
WHO ARE YOU?

WHAT HAVE YOU COME FOR?

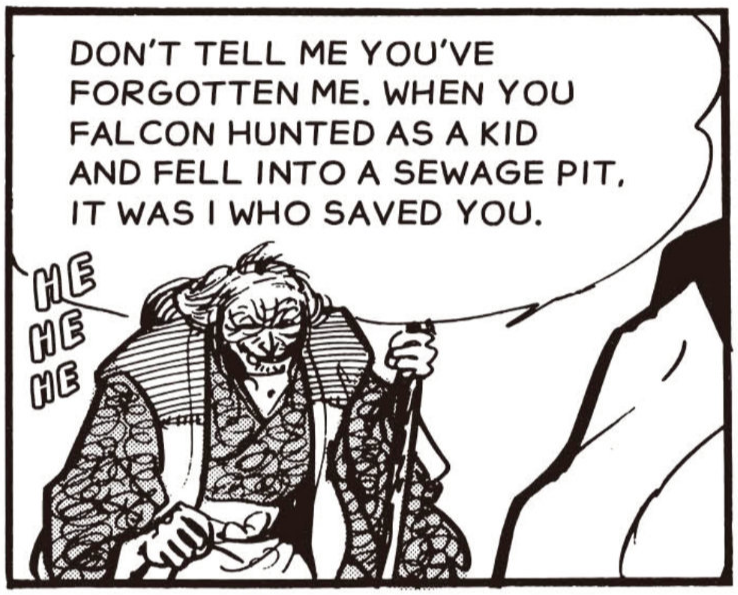
I'VE LIVED FOUR OR FIVE TIMES LONGER THAN ANY OF YOU.

I'M AN OLD WOMAN OF TAMATE.

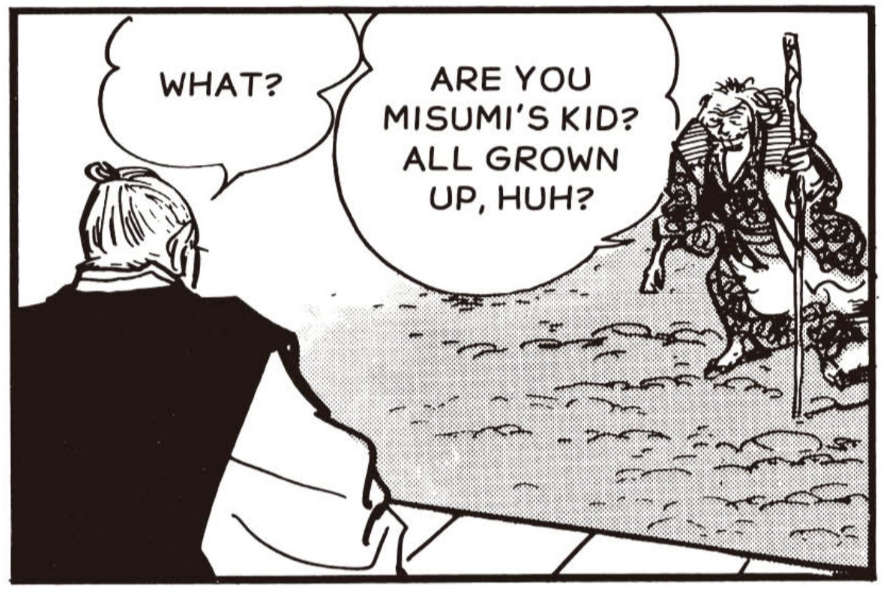
WHO ARE YOU?



LET ME THROUGH.
GET OUT OF THE WAY!

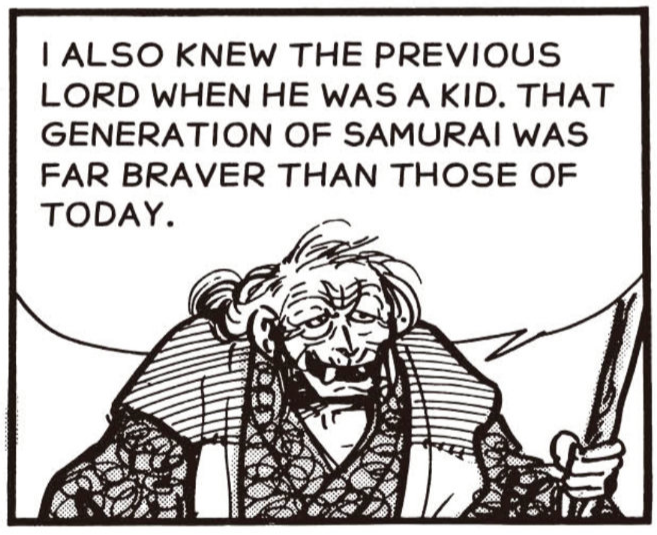


DON'T TELL ME YOU'VE FORGOTTEN ME. WHEN YOU FALCON HUNTED AS A KID AND FELL INTO A SEWAGE PIT, IT WAS I WHO SAVED YOU.
HE HE HE

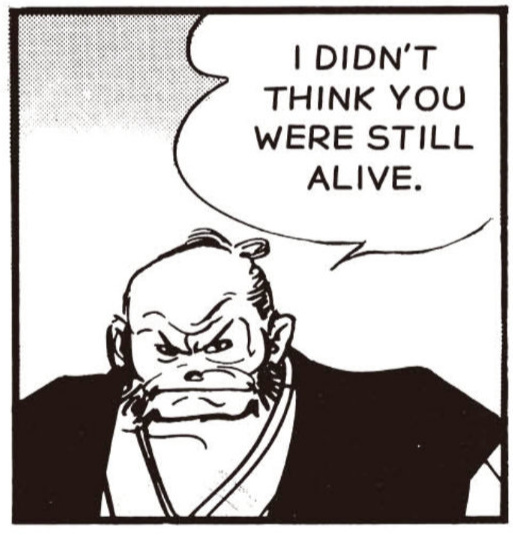


WHAT?
ARE YOU MISUMI'S KID? ALL GROWN UP, HUH?

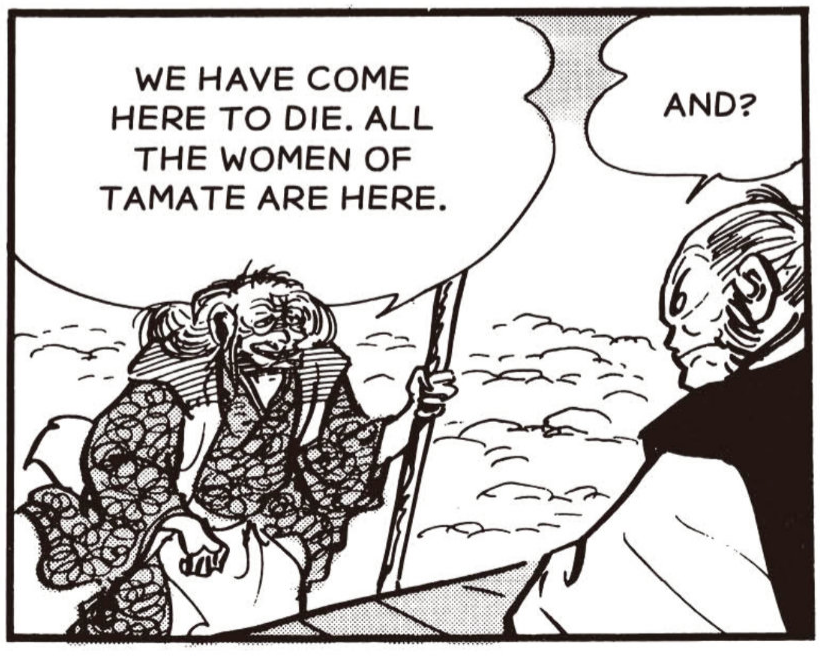
WHAT IS IT YOU WANT TO TELL US?



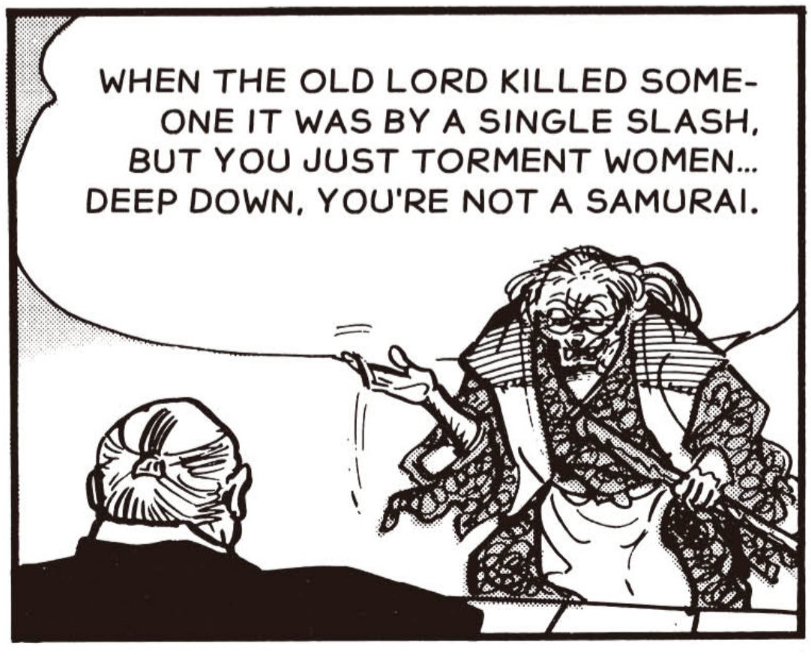
I ALSO KNEW THE PREVIOUS LORD WHEN HE WAS A KID. THAT GENERATION OF SAMURAI WAS FAR BRAVER THAN THOSE OF TODAY.



I DIDN'T THINK YOU WERE STILL ALIVE.



WE HAVE COME HERE TO DIE. ALL THE WOMEN OF TAMATE ARE HERE.
AND?



WHEN THE OLD LORD KILLED SOMEONE IT WAS BY A SINGLE SLASH, BUT YOU JUST TORMENT WOMEN... DEEP DOWN, YOU'RE NOT A SAMURAI.

IT'S UP TO YOU TO DECIDE. OR WHO KNOWS WHAT EVIL CURSE WILL BEFALL YOU.

WHAT DO YOU MEAN?

YOU ACT LIKE FILTHY BUTT-STINKING STRAY DOGS. IF YOU DON'T LET UP, ALL THE WOMEN OF TAMATE WILL SLIT THEIR THROATS WITH SICKLES AND KILL THEMSELVES.

YOU THINK YOU CAN KILL ME? I MIGHT AS WELL TELL YOU–I'M THE LEADER OF THIS REBELLION. THESE YOUNG GUYS YOU CAUGHT COULDN'T DO IT.

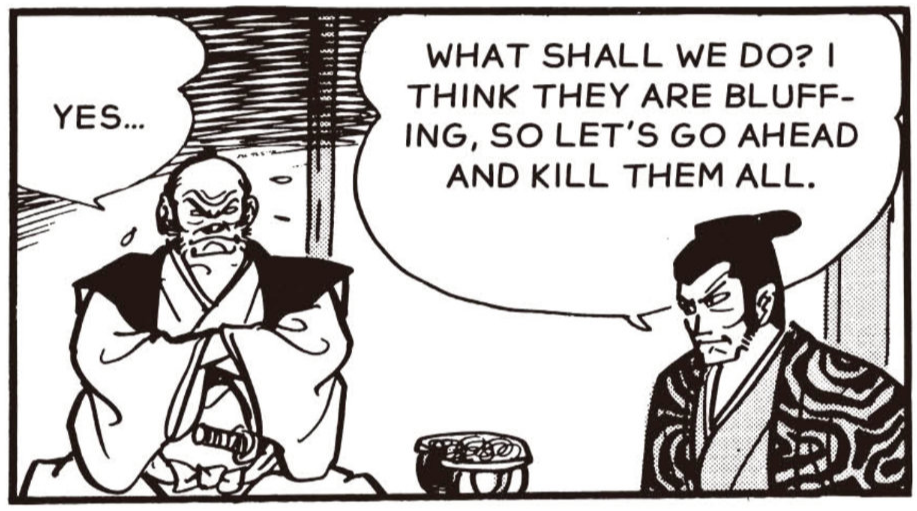
YOU DEVIL!

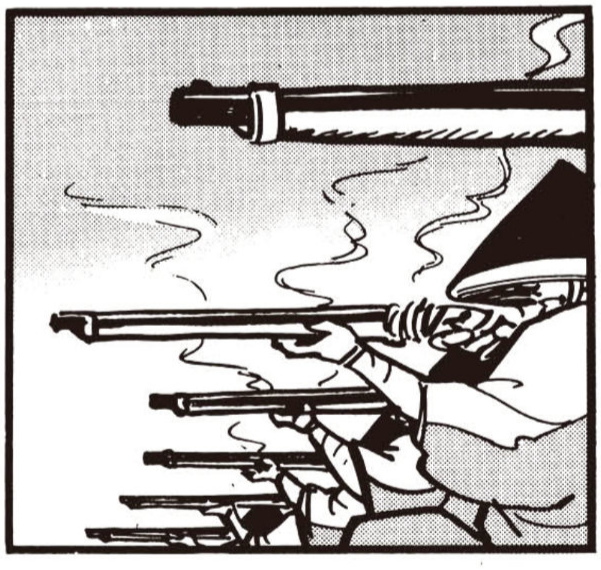
WHAT SHALL WE DO? ALL THESE WOMEN HAVE SICKLES AT THEIR THROATS AND CHESTS. THEY LOOK VERY SERIOUS.

WELL!

I'LL WAIT UNTIL THE SUN SETS, HIHI. AND THE SUN SETS QUICKLY.

Farmers at that time were bound by all kinds of detailed restrictions on their ordinary lives by rulers. These covered labor, clothing, food, and shelter. The regulations indicated the manner for tying hair and specified what kind of cord had to be used. But it is noteworthy that people aged over 100 were given special exemptions.





EXACTLY WHAT I THOUGHT. NO RESTRAINT AT ALL. GO AHEAD AND DO IT.

ARE YOU GOING TO STOP TORTURING THEM? OR KILL US ALL? IT'S ALL THE SAME TO US.

HMM...

HAHA. THAT'S WHAT WE ALL CAME HERE FOR, ISN'T IT?

IT DOESN'T MATTER. FIRE AWAY!

IT'S NO GOOD. THEY'RE NOT AFRAID.

HEHEHE... BUT WHAT IF THEY DON'T?

YUMEYA! AFTER TWO OR THREE SHOTS, THEY'LL ALL RUN AWAY.

WHAT?

DO YOU REALLY INTEND TO KILL ALL THE WOMEN OF TAMATE?

GUNDAYŪ-SAMA, THIS IS REALLY RIDICULOUS! IF YOU KILL EVERYONE, WE'LL LOSE EVERY-THING! WHAT WILL I DO?

YOU WON'T HAVE ANY WOMEN TO CULTIVATE COCOONS, WILL YOU, KURAYA-DONO?

THE DECISION IS YOURS, CASTLE WARDEN... BUT WE MERCHANTS THINK ABOUT GAIN OR LOSS.

HE HE HE

BUT IF WE GIVE IN HERE, WE'LL LOSE OUR ADVANTAGE. WE WON'T BE ABLE TO TORTURE THE WOMEN EITHER.

THERE'S A SAYING ABOUT POURING OIL ON A FIRE.

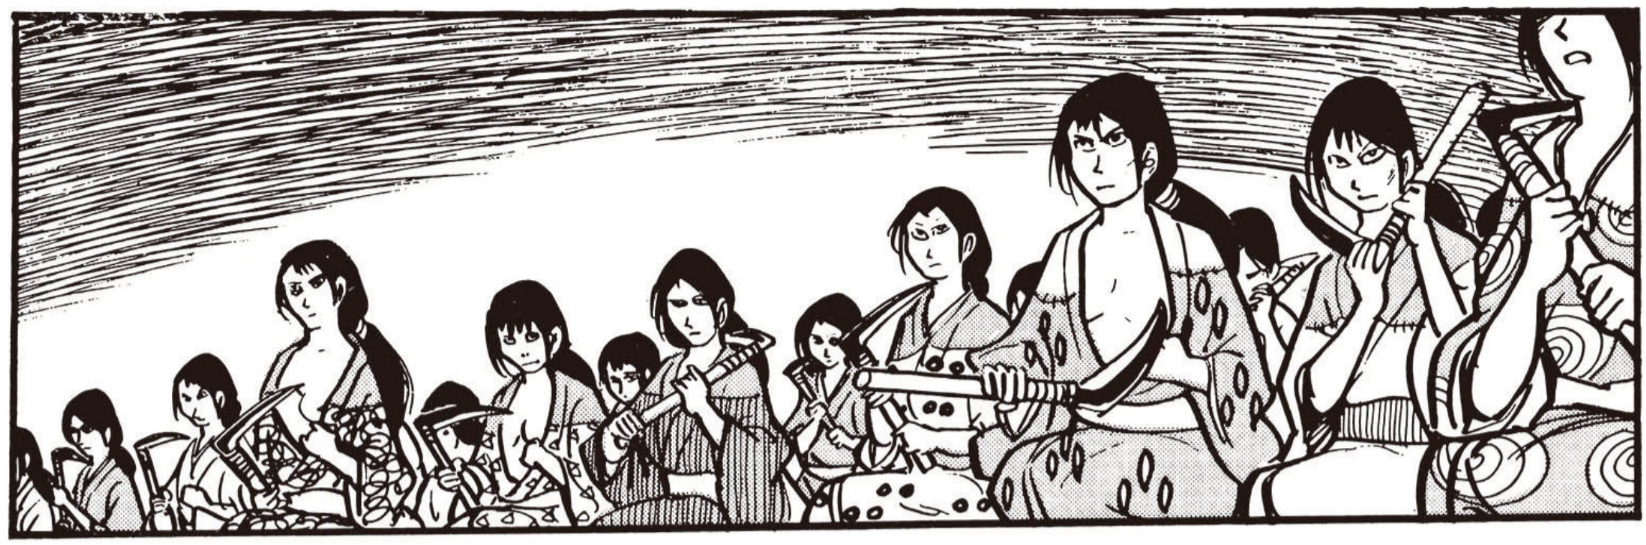
HMM

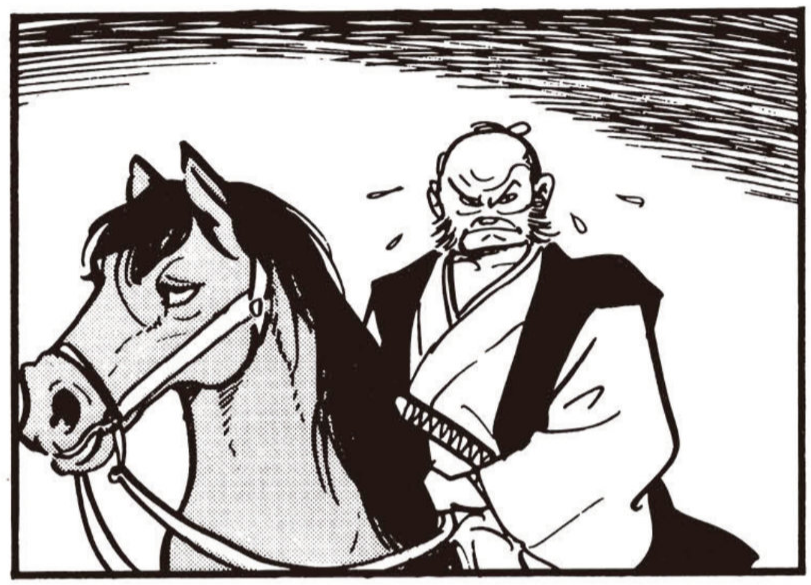
YES, THAT'S TRUE! WHAT IF THIS CAUSES ANOTHER UPRISING?

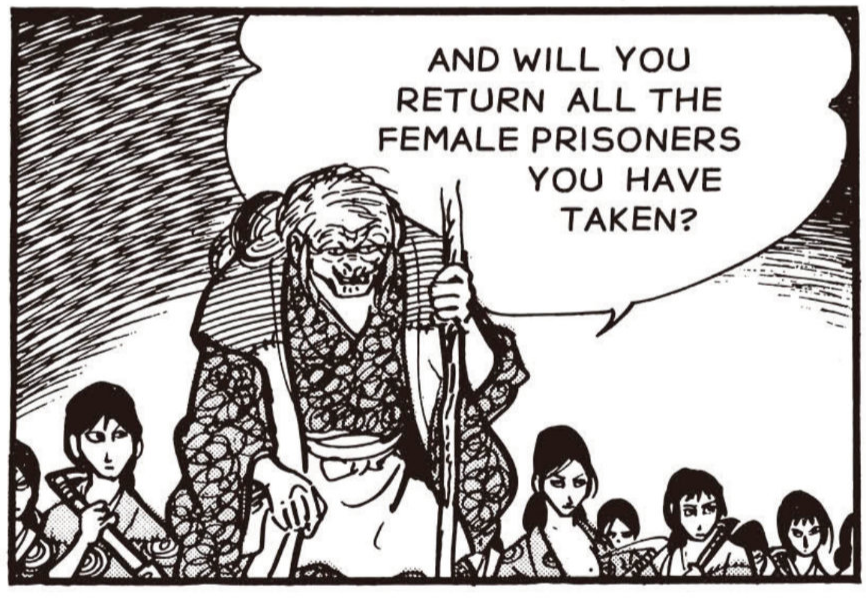
IF YOU KILL ALL THE WOMEN IN TAMATE, THE NEWS WILL SPREAD TO EVERY VIL-LAGE IN THE DOMAIN WITHIN THE DAY. RELATIVES WILL BE TAKEN PRISONER, CONFESSIONS WILL BE FORCED BY TORTURE, AND YOU HAVE TO CONSID-ER THAT THE OPPOSITE OF WHAT YOU SEEK WILL OCCUR. AND TAX SEASON IS ALMOST UPON US. WHAT IF THIS RESULTS IN EVEN MORE PROBLEMS?

HUH?

THE SUN HAS ALMOST SET ALREADY.

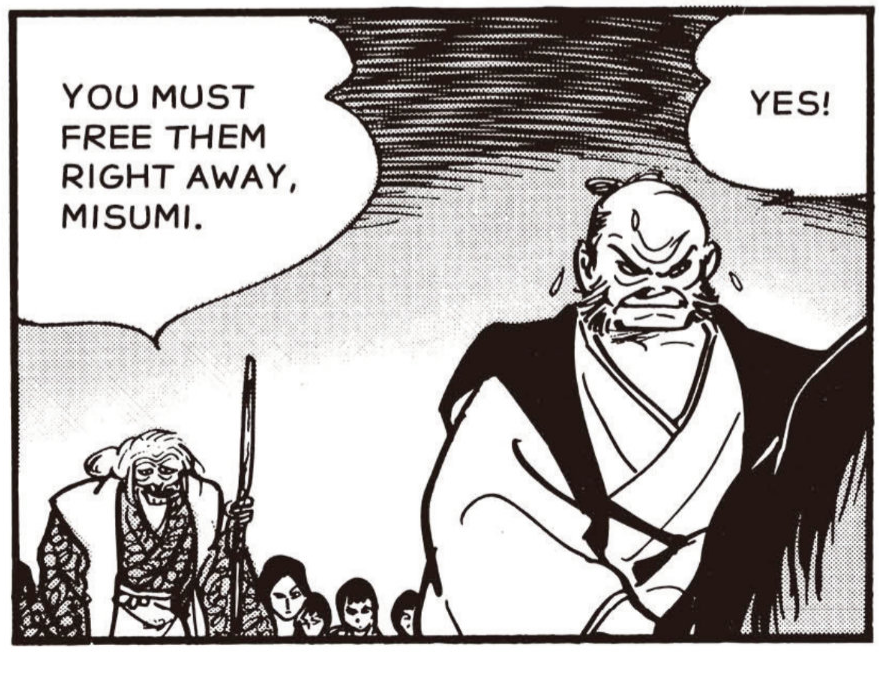




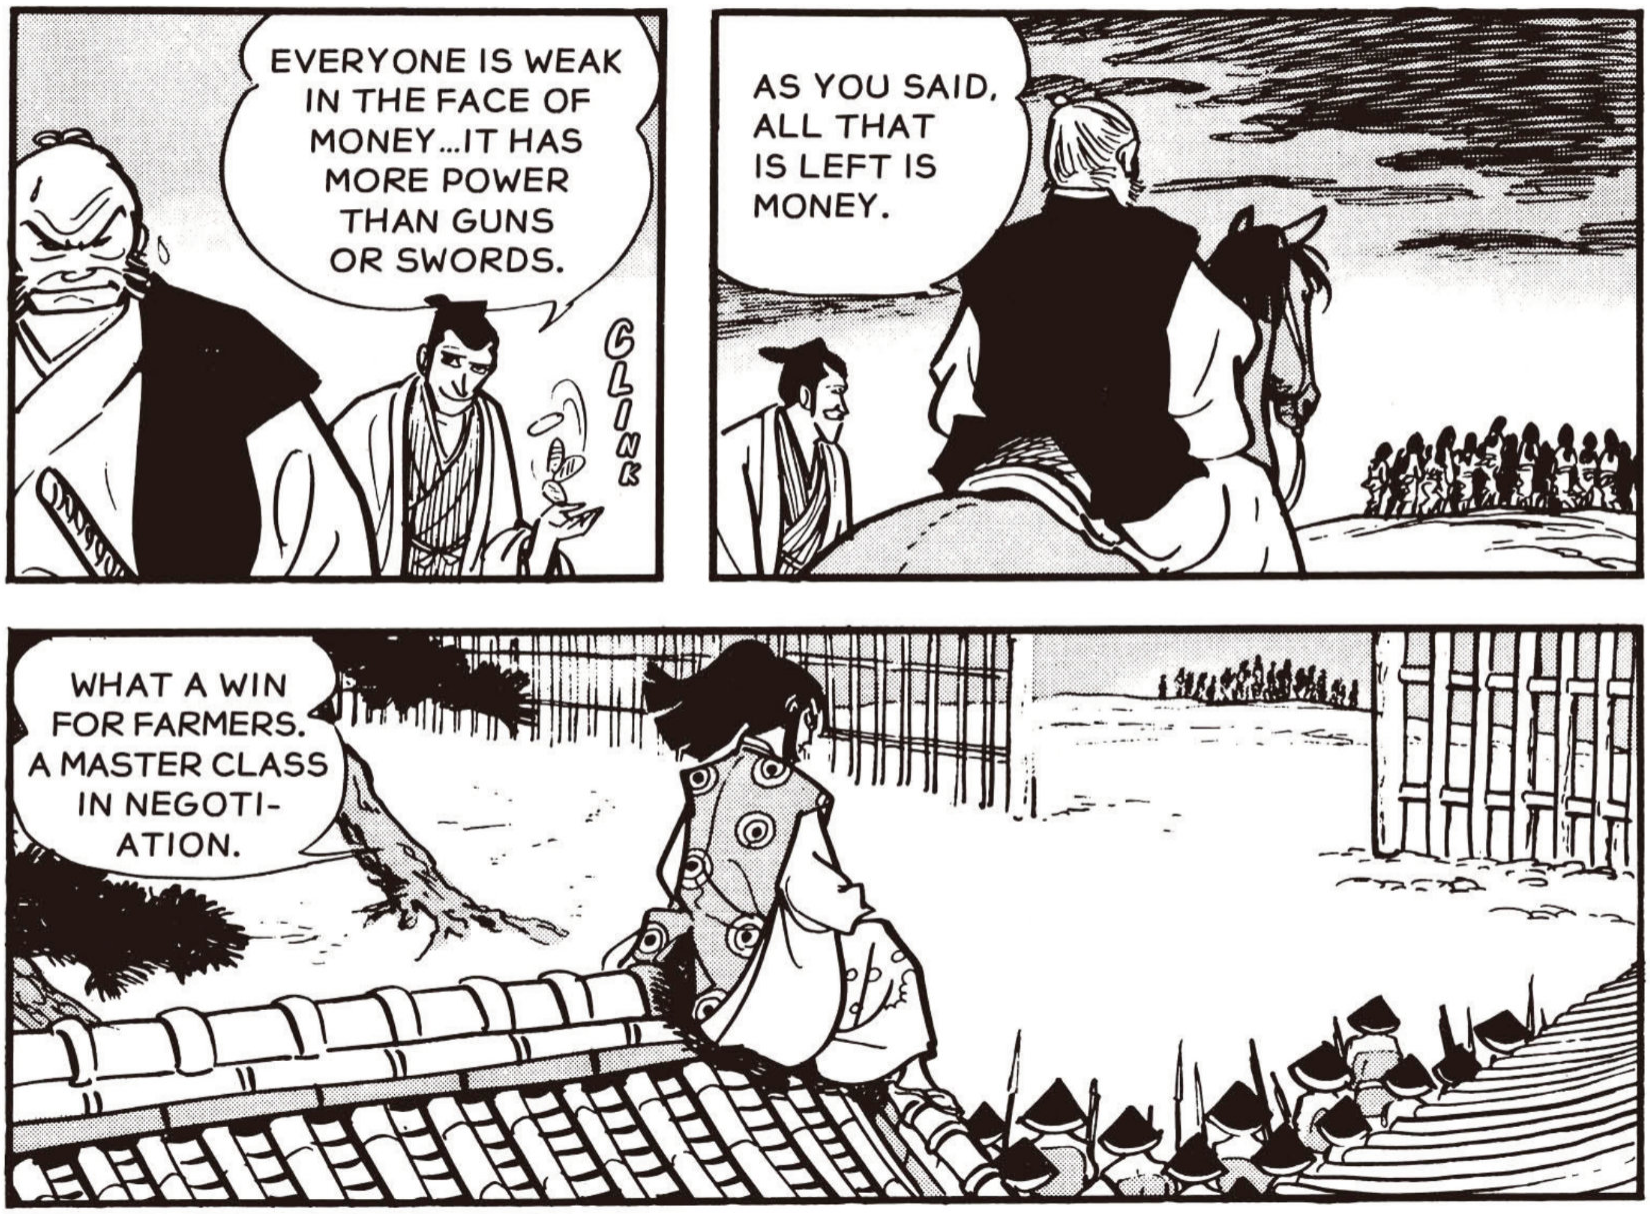


AND WILL YOU RETURN ALL THE FEMALE PRISONERS YOU HAVE TAKEN?

PUT AWAY YOUR GUNS!
GASP



YOU MUST FREE THEM RIGHT AWAY, MISUMI.
YES!



EVERYONE IS WEAK IN THE FACE OF MONEY...IT HAS MORE POWER THAN GUNS OR SWORDS.
CLINK
AS YOU SAID, ALL THAT IS LEFT IS MONEY.
WHAT A WIN FOR FARMERS. A MASTER CLASS IN NEGOTI-ATION.

BEWARE HER FURY

MIRION MALLE

Hell hath no fury like a woman harmed.

Clemence is angry, and it's driving her mad. It's not that life isn't good. In fact, life is pretty great: movie nights with her besties, trading Tinder horror stories, inking folks day in and day out as a tattoo artist. She's even got herself the perfect new girlfriend, but not even the overwhelming atmosphere of love in her life can shake the specter of her trauma loose. Processing the aftermath of her sexual assault is no easy feat—particularly when life still has so much to offer.

When she begins habitually confronting catcallers preying on young women on the streets of Montreal, her therapist suggests she join a support group for fellow survivors. Will the flames of her own fury consume her? Or will her community save her by keeping her company one week at a time?

Critically acclaimed cartoonist Mirion Malle returns with a bluntly honest graphic novel about the difference between recovering and healing, and the surprising resilience of queer joy. Translated by Aleshia Jensen.

snurfl

Sorry...

I didn't expect to cry.

Don't worry. It's a very common reaction.

Yes, Nelly?

First, thank you for sharing that. And welcome.

I just wanted to say that you shouldn't feel guilty or sorry for crying. I think it's a good thing.

You said earlier you were afraid your experience wasn't legitimate.

I think that's a fear we all have.

But the first step is realizing we're allowed...

to not be okay, to be hurt and damaged by what happened to us.

It's normal, even. We don't necessarily have a lot in common here. Yet we understand each other.

SNURFL

Sorry...

It's just so sad we're connected by that...

Estelle?

Yes it's sad, but I also think there's something lovely about it.

Not the assaults, obviously...

But the fact we're deciding to build a connection.

I've always had to stay silent or justify myself.

Here, we listen.

We listen to each other – and we cry a lot – but we smile a lot too.

hahahaha

i Know you have to hate me

Ummm, no, I feel like???

won't blame you if you blame me

Then her girlfriend told me she Knew the wh time she was the one who told me to say that!

HAHA HAHA

damn!

Yeah I go to the gym on St. Laurent and Faillon, it's Kinda low tech though.

Oh oKay cool

Really?

So funny!

How old was she though?

Yeah but you Know, that's the thing with the Jonas Brothers!!!

haha hahahahahah

I'm mixing it up with a different movie!!!

I'm lost.

High School Musical?

How's it going? Having fun?

Hahaha uh yeah

Sorry, I'm kinda shy.

I noticed. Which is why I've come to the rescue.

Imane.

Clémence.

You're Yara's friend, right?

Yep! And I met Elsie through Yara!

Yeah, El told me! She's like my bestie. Not that she's talking about you behind your back or anything.

Haha!

Too bad...

Hahaha "too bad"?

Yeah, it'd be cool to know people were talking about me.

Positively, of course.

Of course!

So, what kinds of nice things do people say when they're talking behind your back?

Bah, you know, the usual:

So cool

Soooooooo nice

So stylish

And extremely funny.

Jackpot, then!

Pretty, cool, funny, nice...the whole package.

I didn't say "pretty." Not that bold.

No, you're right. That was me.

Oh.

Eisner-winning writer KELLY THOMPSON (*Absolute Wonder Woman, Black Widow*) and superstar artist STEPHEN BYRNE (*Wonder Twins*) present a vision of BUFFY THE VAMPIRE SLAYER you've got to read to believe!

Into every generation, a slayer is born. And Buffy Summers may have broken the mold. Though Buffy's powers were varied and great, it was the love and devotion she inspired that was perhaps her greatest power. And when she gave her life to save the world, the people who loved her couldn't live with that. This is that story.

Featuring the comics debut of a beloved Buffy fan-favorite character!

"I want to kick this story off with a bang – an EVENT that would bring the casts of both shows together in an organic and personal way. Something that would focus them around a mission and instantly change some of the dynamics, while also digging into the kind of stuff we all loved – and miss – from both *Buffy The Vampire Slayer* and *Angel*."

Know also, O Prince, that in the selfsame days that the Cimmerian did stalk the Hyborian Kingdoms, one of the few swords worthy to cross with his was that of a warrior-woman out of majestic Hyrkania. She, the mother of vengeance, hunter of evil, all fear for your souls... fear the RED SONJA!

THE MISTRESS OF THE DARK MEETS DADDY'S LITTLE MONSTER!

What happens when the Clown Princess of Crime gets bored? Shenanigans, hijinks, grievous bodily harm… the possibilities are endless! Now add in a certain macabre-minded TV host who seems to attract trouble like crypts attract vampires, and the stage is set for the greatest team-up since Frankenstein met his Bride!

With her beloved show on the chopping block following a corporate takeover, Elvira needs to come up with a plan to get things back in the black — and her new friend Harley Quinn has an idea that's just crazy enough to work! Together, they're going to throw the greatest Halloween party Brooklyn has ever seen — whether the borough likes it or not!

Written by AMANDA CONNER and JIMMY PALMIOTTI — the world-famous tag-team of all things Harley Quinn — this crossover event for the ages from Dynamite and DC Comics also showcases Amanda's fan-favorite artistic chops, with each issue featuring two (count 'em, two) Conner covers. And that's not all (certainly not!) — she's also joining interior artist (and Elvira favorite) JUAN SAMU to provide selected story pages for the series!

MAN'S BEST FRIEND — AND CRIMINALS' WORST ENEMY!

Secure in their luxurious penthouse high above the downtown streets, wealthy inventor and art collector Radley Crown and his faithful canine companion enjoyed a charmed existence — until the fateful day a vicious gang of criminals shattered his complacency.

In the aftermath of the vicious attack, Crown focused his incredible technical skills to rebuild both himself and his four-legged companion into the ultimate instruments of retribution: The Blue Falcon and Dynomutt, Dog Wonder!

In this all-new take on the classic Hanna-Barbera cartoon, legendary comics author JIMMY PALMIOTTI (*Harley Quinn, The Invincible Red Sonja*) and acclaimed artist PASQUALE QUALANO (*Gargoyles: Quest*) bring to life a dark tale of justice and revenge that reimagines Big City's crimefighting duo for a new era!

TIME TO DIE ANOTHER DAY! The ravening undead return to resume their feasting upon the living in the newest bloodcurdling chapter of Dynamite's all-star supergroup adventures in the dystopic future!

Outside the crazily fortified gates of Sunset City, the zombie hordes search ceaselessly for their prey — and that means women, because the gender-targeting Deadman virus is strictly a boys' club.

Inside the walls, rival factions jockey for power under the iron thumb of Purgatori and her enforcers, the Furies — including Vampirella, who's stuck on Earth under Drakulonian quarantine to keep the male plague at bay.

But it turns out that Vampi's not the only alien in the skies — and when someone from a certain red planet arrives on the scene, everyone's plans will get scrambled like a dead man on a busy highway!

PETER CANNON IS BACK — AND FISTS AND FEET WILL FLY!

Dynamite's millionaire martial artist returns in this all-new action-packed reimagining from enlightened author FRED VAN LENTE (*Die!namite*) and ascended artist JONATHAN LAU (*Space Ghost*)!

As a child, Peter Cannon grew up in the secluded culture of "The Awakened," an isolated movement blending New Age psychology, Tibetan Buddhism, extreme fitness, and other esoteric disciplines. But when a mass suicide wiped out almost all of the Awakened's followers, an orphaned and abandoned Peter was left to find his own way in the world.

Now, years later, the last surviving member of a mysterious mystical order arrives in New York City on a mission of revenge. His target? The renegade master who destroyed his clan — Peter Cannon! But taking out the fabled Lightning Vessel of the Awakened is easier said than done — especially considering that Cannon's mind-and-body-perfected moves can collapse time and defy death itself!

Riding in hot on the heels of Volume One's cliffhanger ending — the eagerly anticipated return of Blood! Guts! and a Sugar Rush! is here! Sweetie and her Candy Vigilante squad are back to kick off Volume Two of their SWEET new series with the epic, not-to-be-missed "Sugartown Showdown"! Together with her shape-shifting, licorice-loving lycanthrope Candy Wolf and newly "minted" ninjette warrior Pixie Stix, Sweetie faces off against her "salty" arch-nemesis Bart Volgare and his gang of thugs in the icy, snowy streets of New York City with a violently delicious fury. So, you have chosen salt? So be it! Blood is spilled and lives are changed (including many ended) as an army of fabled supernaturals and sugar-fueled allies hop into action to scramble the bad eggs. Candy Wolf shows the crime syndicate soldiers what big teeth he has, while Pixie gives her newly gifted nunchucks a maiden battlefield test-spin, reducing criminal weaponry to molten scrap metal! Sweetie's signature Jawbreaker gun also resurfaces, armed with delicious new ammo (can't you just smell the gingerbread?), but not before she unleashes some brand-new, sweetly sinister confections that wash away the naughty and leave a wicked smile on your face — literally! Isn't that NICE? What does Bart have to say for himself about the disappearance of Sweetie's parents? Will a certain supercharged monster truck fueled by ice cream make the scene? When the candy-coated carnage ends, will the bodies be bagged before NYC's Department of Sanitation barrels down the block to do their rounds? Pick up *Sweetie Candy Vigilante Vol. 2* and find out, gumdrop!

This volume also includes a FREE MP3 download of the song "Hatchy Milatchy," a new, never-before-released track by Osaka Popstar recorded specifically for this book!

SHOCK TREATMENT AND OTHER STORIES

By Jack Kamen, Reed Crandall, George Evans, et al.

Forced to abandon its horror and crime comics, EC turned to a pair of well-crafted, high-tension medical dramas by later Hall of Fame greats Jack Kamen, Reed Crandall, Graham Ingels, and Joe Orlando — *Shock Treatment And Other Stories* collects them all.

When the Comics Code forced EC Comics to abandon its popular horror and crime titles, EC launched a "New Direction" in hopes of attracting new readers. Among the new titles were two medical dramas, *M.D.* and *Psychoanalysis*, which were competing in a rapidly changing media landscape, increasingly dominated by television. It would be more than five years before TV caught up with EC with shows such as Dr. Kildare, Ben Casey, and The Eleventh Hour — precursors to the medical shows we know today.

Artists Jack Kamen, Reed Crandall, George Evans, Graham Ingels, and Joe Orlando paired with writers Robert Bernstein, Jack Oleck, Carl Wessler, and Daniel Keyes to produce a series of taut tales of physical and psychological crises and the doctors who must make split-second life-or-death decisions. All the stories from *M.D.* and *Psychoanalysis* are collected in this volume, including: "The Fight for Life" (Ingels) — mankind's fight against disease before modern medicine; "Shock Treatment" (Evans) — a young boy's attempt at suicide; "The Lesson" (Crandall) — the race to save the life of a teenage girl mutilated in a high-speed crash; and "When You Know How" (Orlando) — during a blizzard, a doctor has to perform emergency surgery on a critically injured boy in his family's kitchen using only the utensils at hand.

Plus: all twelve stories from *Psychoanalysis*, each masterfully drawn by Jack Kamen and most written by Daniel Keyes about the struggles of three patients to reconcile their inner fears and turmoil with their outward lives. With an introduction by Dr. Travis Langley, author of the *Heroes and Villains Psychology* book series.

HEAVEN

By Katie Skelly

Four young women investigate a vanishing strip club in this supernatural, surreal graphic novel.

Out past the edge of town, there exists a strip club called Heaven that only some can find. Some say it's a mirage. Others say you can't miss the giant neon heels lighting up the desert night skies.

Dolly can't find a place to belong. After losing her identity as a gymnast and navigating family turbulence, she's adrift from school and friends. When a mysterious presence beckons her to Heaven, she wonders if she may just have found her place — but just what does it want in return?

Katie Skelly's first graphic novel since her acclaimed *Maids* in 2020, *Heaven* finds out what happens when the artist's quintessential cool girl characters let their guards down and let the world in. With a supernatural strip club backdrop and an eye-popping sense of color that would make Dario Argento proud, *Heaven* reinforces Skelly's place as one of the most distinctive voices working in contemporary comics today.

THE EXTRAORDINARY ADVENTURES OF ADÈLE BLANC-SEC VOL. 1

By Tardi

The iconic Parisian adventure series turns 50!

Meet Adèle Blanc-Sec, journalist extraordinaire of the Belle Epoque. In atmospheric 1910s Paris, our feisty adventuress finds herself embroiled in all manner of bizarre mysteries tinged with mad science and occult energy. Armed only with her wits and her revolver, she contends with dinosaurs, demons, and death cults, always barely surviving to tell the tale. One harrowing escapade after another, when all she truly desires is to while away the hours in the comfort of her home with a cigarette, a glass of cognac, and a novel.

Created in 1976, *The Extraordinary Adventures of Adèle Blanc-Sec* is the iconic Gaslamp fantasy series that put master French cartoonist Jacques Tardi on the map. In celebration of *Adèle*'s 50th anniversary, Fantagraphics is thrilled to introduce a new generation of comic readers to its delightful alchemy of suspense, satire, and the supernatural. This début volume features the first four *Adèle* episodes: "Pterror Over Paris," "The Demon of the Eiffel Tower," "The Mad Scientist," and "Mummies on Parade."

THE SKELETON AND THE CAT

Written and Illustrated by **Brandon James Scott**

Skeleton lived alone in lonesome bliss. She tended to her garden and she read books and she drank tea.Until one day, there was a cat at her door.

KNOCK *KNOCK*

“Yes,” said the Skeleton.

“Can I come in?” asked the Cat . . . .

From award-winning creator, Brandon James Scott, comes a dynamic duo sure to convince readers that skeletons are gardeners, cats tell good-ish jokes, and both make good friends. Not since Arnold Lobel’s *Frog and Toad* have we seen a pair as warm, engaging, and funny as Skeleton and Cat! You will like it here.

Later that day, the Skeleton went to her front porch to water her petunias.

"Why are you still here?" the Skeleton asked the Cat.

"I don't have anywhere else to be," said the Cat. "Would you like to hear a joke?"

"No," said the Skeleton.

"If I tell you a joke and you like it, then can I come in?"

"Like this?" asked the Skeleton.

"No," said the Cat, "not like that."

It was true.

The Skeleton learned two things that day:

1. Cats do not pick good books to read.
2. All books are better when you have a cat on your lap.

HAPPY SPOOKY HALLOWEEN!

Written by **LeBron James**, Illustrated by **Ariel Landy**

Hickory Elementary is having their annual Halloween party, and Zara and the other kindergartners are finally able to attend. But when they show up, it isn't quite what they expected. Everything is spine-chilling, toes-tingling, terrifying—and absolutely petrifying!!

So Zara and her crew offer up some fun alternatives to the older kids' dismay.It's a battle of the littles vs the big kids, and only kindness and collaboration will win out!

Perfect for all Halloween tables and endcaps, this new offering from superstar athlete and bestselling author LeBron James is sure to make all readers scream EEK!

When they arrived at school, Zara and her classmates counted down the minutes until the big party.

Is it time yet?
Zara wondered.

"Is it time yet?!"
Remy asked.

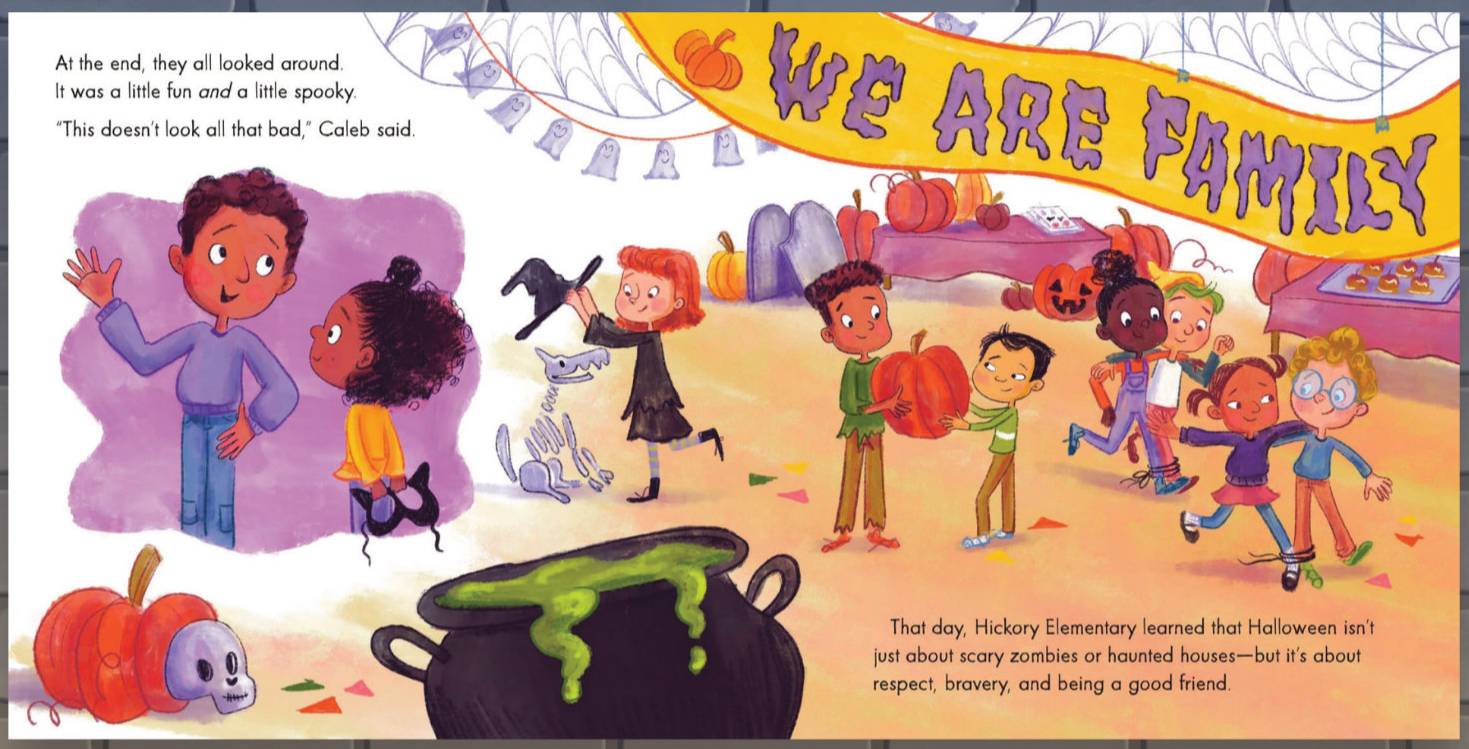
"Is it time—" Cyrus started.

"It's **TIME!**"
Zara squealed.

Very carefully, the kindergartners tiptoed inside. It was dark and grim. The gym definitely felt haunted. Some of the kids even cried as Nicky, a fifth grader, led them farther into the party.

At the end, they all looked around.
It was a little fun *and* a little spooky.

"This doesn't look all that bad," Caleb said.



That day, Hickory Elementary learned that Halloween isn't just about scary zombies or haunted houses—but it's about respect, bravery, and being a good friend.

NEW KID

Written and Illustrated by **Jerry Craft**

Seventh grader Jordan Banks loves nothing more than drawing cartoons about his life. But instead of sending him to the art school of his dreams, his parents enroll him in a prestigious private school known for its academics, where Jordan just happens to be one of the few kids of color in his entire grade.

As he makes the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself? With humor, heart, and honesty, cartoonist Jerry Craft shines a spotlight on the experience of being a black student in a predominantly white school, tackling tough topics like racism and microaggressions.

MAKING COMICS

Written by **Scott McCloud**

More than a decade ago, Scott McCloud tore down the wall between high and low culture with *Understanding Comics*, a massive comic book about comics, linking the medium to such diverse fields as media theory, movie criticism, and web design. In *Reinventing Comics*, McCloud took fans to the next level, charting 12 different revolutions in how comics are generated, read, and perceived today. Now, in *Making Comics*, this artistic genius focuses his analysis on the art form itself, exploring the creation of comics, from the broadest principles to the most minute artistic details.

In a voice that mixes dry humor and clear, concise instruction, McCloud's cartoon narrator shows how to master the human condition through word and image in a brilliantly minimalistic way. Comic book devotees as well as the most uninitiated will marvel at this journey into a once-underappreciated art form.

WICKED: THE GRAPHIC NOVEL PART I

Written by **Gregory Maguire**, Adapated & Illustrated by **Scott Hampton**

Like Dorothy when she crash-landed all those years ago, prepare to be swept into a new and colorful world in this first-ever graphic novel adaptation of Wicked. While the long-running Broadway musical and major motion picture take inspiration from this iconic novel, this is Oz as Gregory Maguire wrote it—a fantastical story with dark edges that explores morality and ambition, love and friendship, and discovering one's inner power.

Elphaba was born with emerald-green skin—no easy burden in a land as mean and poor as Oz, where superstition and magic are not strong enough to explain or overcome the natural disasters of flood and famine. Still, Elphaba is smart, and by the time she enters Shiz University, she becomes a member of a charmed circle of Oz's most promising young citizens.

But Elphaba's Oz is no utopia. The Wizard's secret police are everywhere. Animals—those creatures with voices, souls, and minds—are threatened with exile. Young Elphaba, green and wild and misunderstood, is determined to protect the Animals—even if it means combating the mysterious Wizard, even if it means risking her single chance at romance. Ever wiser in guilt and sorrow, she can find herself grateful when the world declares her a witch. And she can even make herself glad for that young girl from Kansas.

Written and Illustrated by **Hope Larson**

Verity "Very" Nelson can do it all.

GARLIC AND THE VAMPIRE

Written and Illustrated by **Bree Paulsen**

An enchanting graphic novel to give to middle grade readers who are looking to fall in love with the next Witch Boy or Be Prepared, featuring an unassuming heroine who discovers her own courage and leadership skills and learns to look past stereotypes.

Garlic feels as though she's always doing the wrong thing. No matter how much her friend Carrot and kindly Witch Agnes encourage her, Garlic just wants to tend her own garden, where it's nice and safe.

But when her village of vegetable folk learns that a bloodthirsty vampire has moved into the nearby castle, they all agree that, in spite of her fear and self-doubt, Garlic is the obvious choice to confront him. And with everyone counting on her, Garlic reluctantly agrees to face the mysterious vampire, hoping she has what it takes.

After all, garlic drives away vampires . . . right?

DARK SHADOWS NOIR

Classic Black and White Photography From The Dan Curtis Productions Archives

Compiled and Edited by Jim Pierson

An extensive art book featuring hundreds of never-before-published behind the scenes photographs from the classic TV vampire/gothic romance Dark Shadows; Over 250 full size photographs, many never seen before giving fans a behind the scenes look at this iconic television series.

Hermes Press continues its long association with the original Gothic suspense television series "Dark Shadows" with the publication of the first-ever photographic art book devoted to the cult favorite which made sympathetic vampire Barnabas Collins a household name.

Dark Shadows debuted June 27, 1966 on ABC-TV as the first daytime drama styled in the tradition of a Gothic novel. The show was the dream of producer Dan Curtis, who brought an exciting new format to the weekday schedule of standard fare soap operas.
The pages in the volume feature images shot in black-and-white, spanning the series' earliest days – before ghosts and vampires, when Dark Shadows most closely resembled a 1940s noir film – through its final episodes. As the series took a more fanciful direction, many of the plots retained an underlying tension and tone faithful to its origins, serving up a special hybrid... Dark Shadows NOIR.

Featuring 256 pages, DARK SHADOWS NOIR features stunning full-page mono-chromatic images from the legendary television program, including dozens of previously unseen images from the archive of "Dark Shadows" creator Dan Curtis Productions.

For 1,225 episodes, "Dark Shadows" thrilled over 20 million viewers during its five-year run with imaginative stories devoted to hidden mysteries, lost loves, time travel and supernatural characters. Late creator-executive producer Dan Curtis drew upon classic mystery, horror and romance tales ranging from "Jane Eyre" and "The Crucible" to "Wuthering Heights" to "Turn of the Screw" to enthrall captivated audiences.

The ground-break sets, elaborate costumes and atmospheric lighting depicted on the series will be on stunning display in DARK SHADOWS NOIR with all images scanned in high resolution from original 35mm negatives and vintage fiber prints for rich CMYK reproduction of superior quality.

DARK SHADOWS NOIR will serve as the ultimate souvenir for the 60th anniversary of "Dark Shadows" which continues to remain extremely popular via streaming services, televised reruns, DVD and BluRay releases, new merchandising and fan conventions.

The VAMPIRE'S PREY

PART I - A WATERY GRAVE

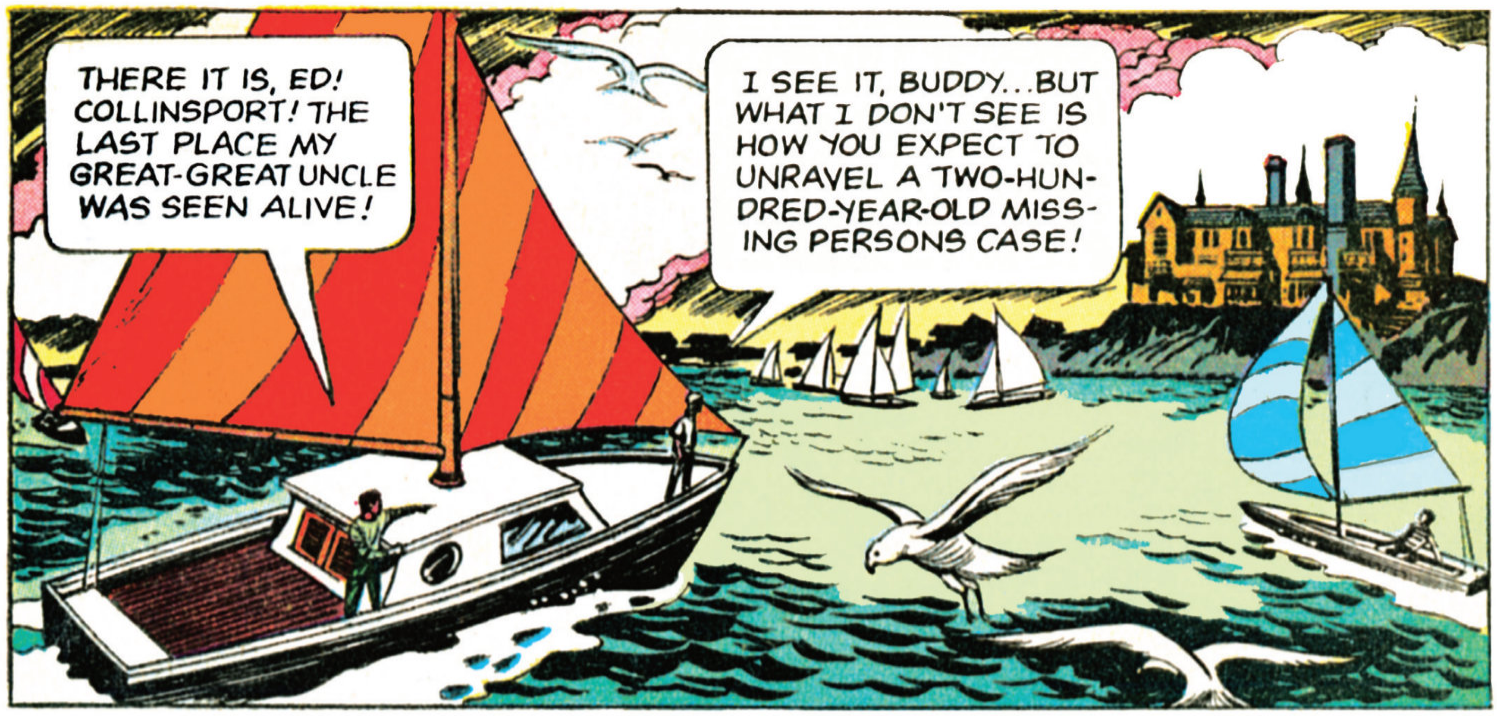
THIS IS COLLINWOOD... ANCESTRAL HOME OF THE COLLINS FAMILY... THE SILENT WITNESS TO THINGS BOTH EVIL AND STRANGE... THE LIKES OF WHICH *STRANGLE THE IMAGINATION...*

ON THE LATE 18TH CENTURY, WITCH HUNTS WERE NOT UNCOMMON... BUT RARE WAS A PUNISHMENT SO HARSH AS TO SEND AN *INNOCENT GIRL TO THE GALLOWS...*

THE HORRIBLE MISTAKE DID NOT GO UNPUNISHED! BARNABAS COLLINS... SCION OF THE GREAT FAMILY... HIMSELF CARRIED OUT THE SENTENCE ON THE FALSE REVEREND TRASK WHOSE HAND DOOMED THE INNOCENT...

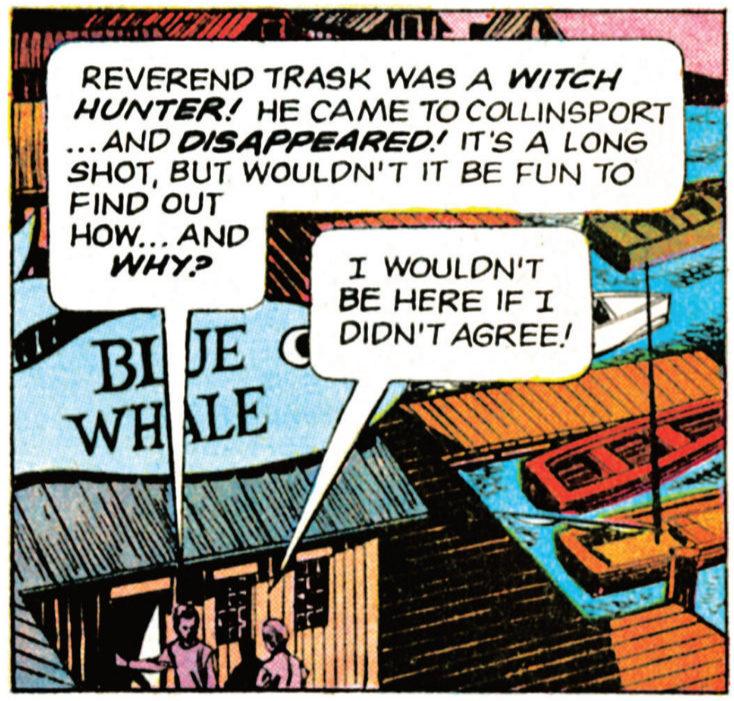
YET STRANGER STILL THAT A REAL WITCH... MORE EVIL THAN DEATH... CAST THE CURSE WHICH DOOMED BARNABAS TO ETERNAL EXISTENCE... AS A *VAMPIRE...*

30039-903
DARK SHADOWS 1-6812



THERE IT IS, ED! COLLINSPORT! THE LAST PLACE MY GREAT-GREAT UNCLE WAS SEEN ALIVE!
I SEE IT, BUDDY...BUT WHAT I DON'T SEE IS HOW YOU EXPECT TO UNRAVEL A TWO-HUNDRED-YEAR-OLD MISSING PERSONS CASE!

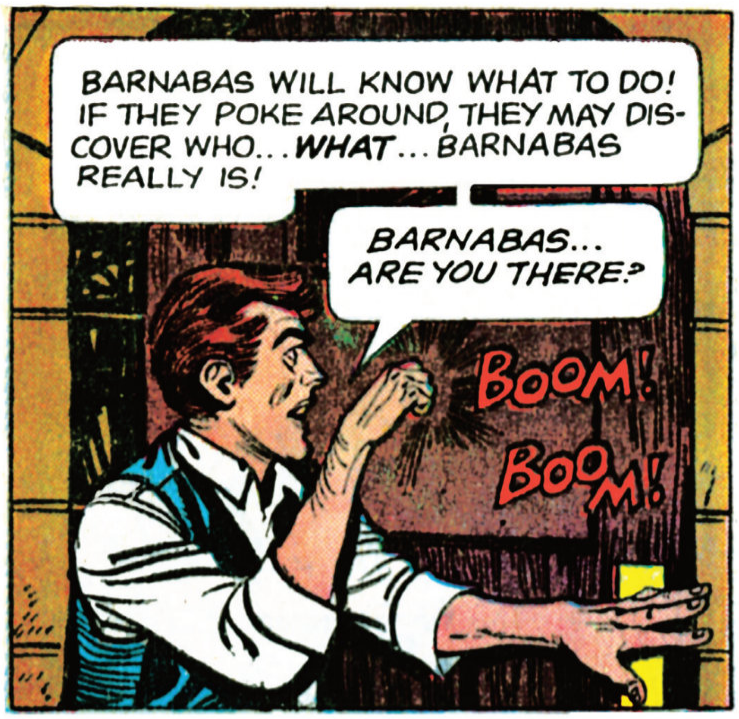
I KNOW WHAT YOU FOUND IN THAT OLD FAMILY ALBUM, DAVE! BUT AREN'T YOU STRETCHING YOUR LUCK, I MEAN, TWO HUNDRED YEARS!
I'M COMMITTED, ED! MY THESIS FOR GRADUATION DEPENDS ON IT!



REVEREND TRASK WAS A WITCH HUNTER! HE CAME TO COLLINSPORT ...AND DISAPPEARED! IT'S A LONG SHOT, BUT WOULDN'T IT BE FUN TO FIND OUT HOW... AND WHY?
I WOULDN'T BE HERE IF I DIDN'T AGREE!
BLUE WHALE

WE POKE AROUND A COUPLE OF DAYS! ASK A FEW QUESTIONS... AND IF NOBODY KNOWS ANYTHING ABOUT REVEREND TRASK, WE FORGET IT, O.K.?
COME ON, DAVE! YOU MAKE IT SOUND AS IF I DON'T WANT TO FIND HIM ...AND I DO!

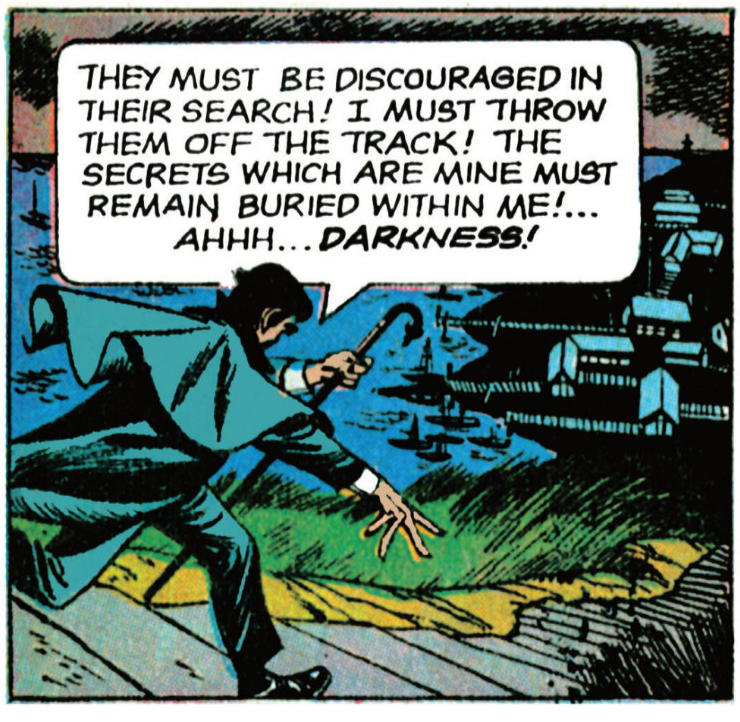
REVEREND TRASK? THEY SAID THEY'RE LOOKING FOR REVEREND TRASK! COULD THEY KNOW IT WAS BARNABAS WHO WALLED HIM UP? I MUST TELL BARNABAS!



BARNABAS WILL KNOW WHAT TO DO! IF THEY POKE AROUND, THEY MAY DISCOVER WHO... WHAT... BARNABAS REALLY IS!
BARNABAS... ARE YOU THERE?
BOOM!
BOOM!

WHAT DO YOU WANT?

... AND THEY SAID THEY WOULD UNCOVER THE MYSTERY OF REVEREND TRASK'S...ER... DISAPPEARANCE!
IT'S WELL YOU TOLD ME, WILLIE! HOW COULD THEY POSSIBLY KNOW?

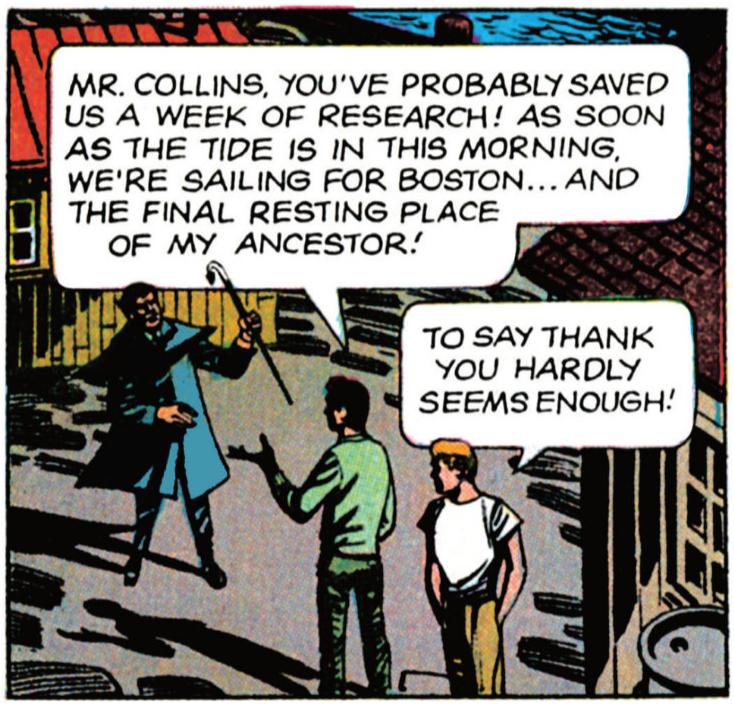


THEY MUST BE DISCOURAGED IN THEIR SEARCH! I MUST THROW THEM OFF THE TRACK! THE SECRETS WHICH ARE MINE MUST REMAIN BURIED WITHIN ME!... AHHH... DARKNESS!

GOOD EVENING, MR. COLLINS!
GOOD EVENING, SIMS!
COLLINS? SIR, WOULD YOU BY ANY CHANCE BE ONE OF THE FAMILY THE TOWN IS NAMED FOR? IF SO, MAYBE YOU COULD HELP ME!

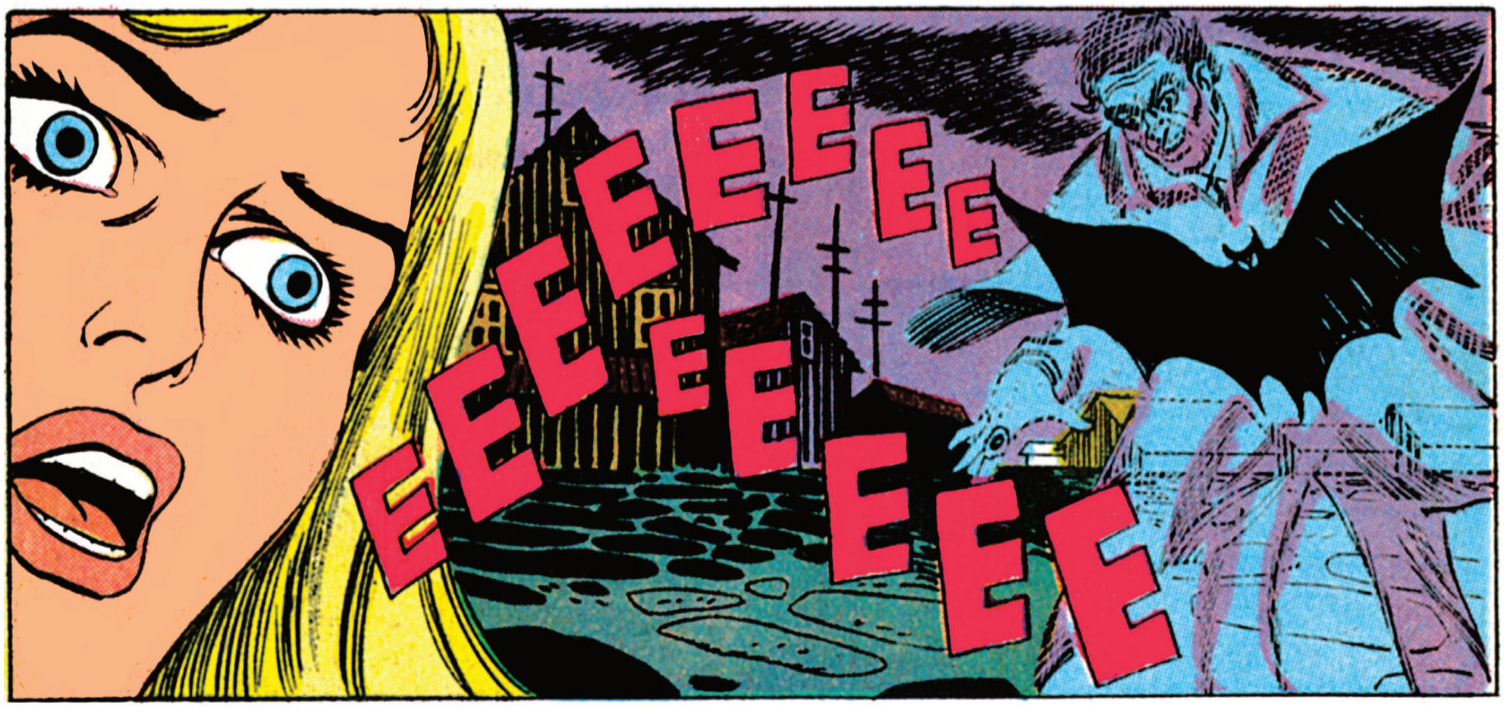
WHAT A LUCKY BREAK! YOU HAVE HEARD OF MY GREAT-GREAT UNCLE, THE REVEREND TRASK?
YES, I HAVE HEARD OF HIM! AND WHAT'S MORE, I KNOW WHERE HE IS BURIED!

I MEAN THIS AS A COMPLIMENT, MR. COLLINS, BUT YOU HAVEN'T ONLY HEARD OF REVEREND TRASK...YOU HAVE BEEN TELLING US ABOUT HIM FOR NEARLY FOUR HOURS!
HMM... I HADN'T NOTICED!



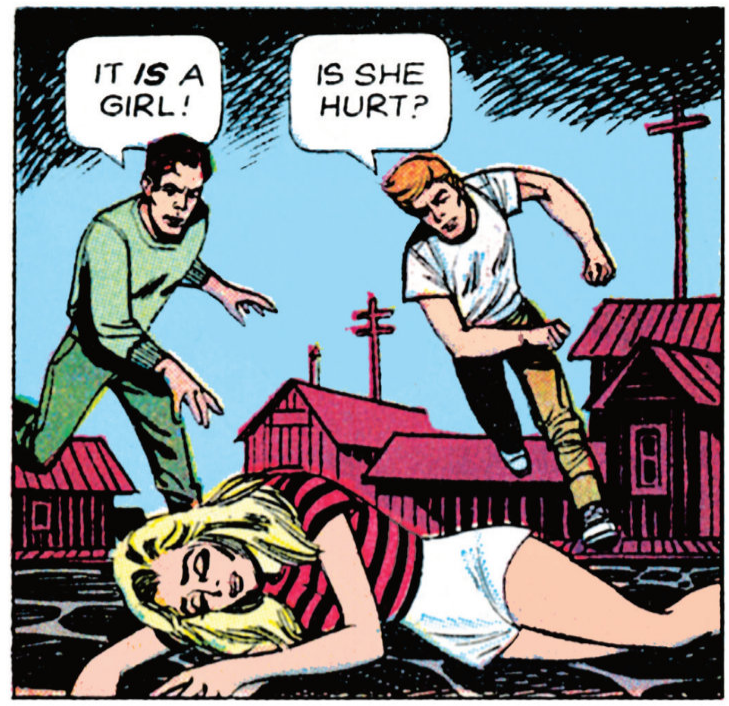
MR. COLLINS, YOU'VE PROBABLY SAVED US A WEEK OF RESEARCH! AS SOON AS THE TIDE IS IN THIS MORNING, WE'RE SAILING FOR BOSTON... AND THE FINAL RESTING PLACE OF MY ANCESTOR!
TO SAY THANK YOU HARDLY SEEMS ENOUGH!

IT IS I WHO SHOULD THANK YOU... FOR YOUR TRUST IN WHAT I SAY! THAT SHADOW! THE HOUR...I MUST RETURN!

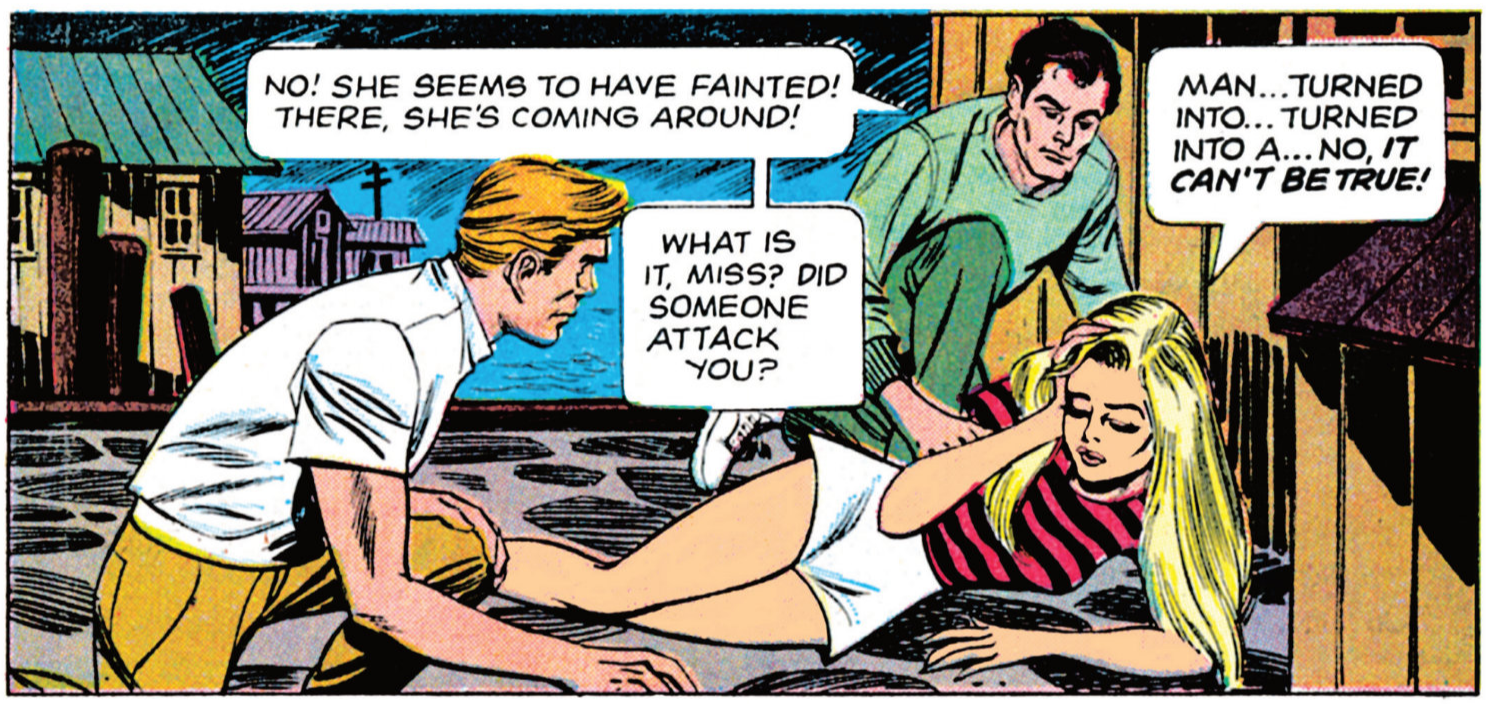


EEEEEEEEEEEEEEEE

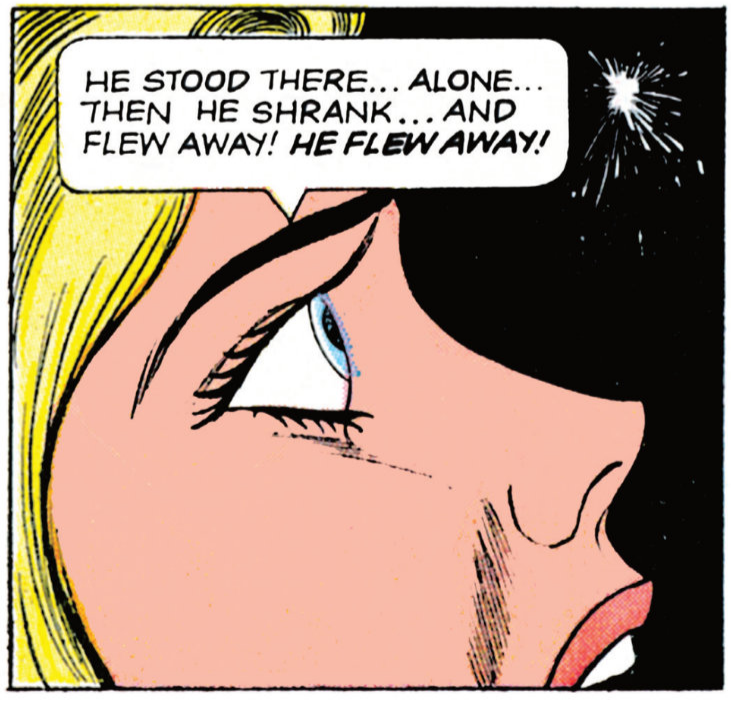
GREAT HEAVENS ...WHAT IS THAT?
SOMEBODY...SCREAMING! COME ON, DAVE... IT SOUNDS LIKE A GIRL!
EEEEEEEEEEEEEEEEEEEEEE



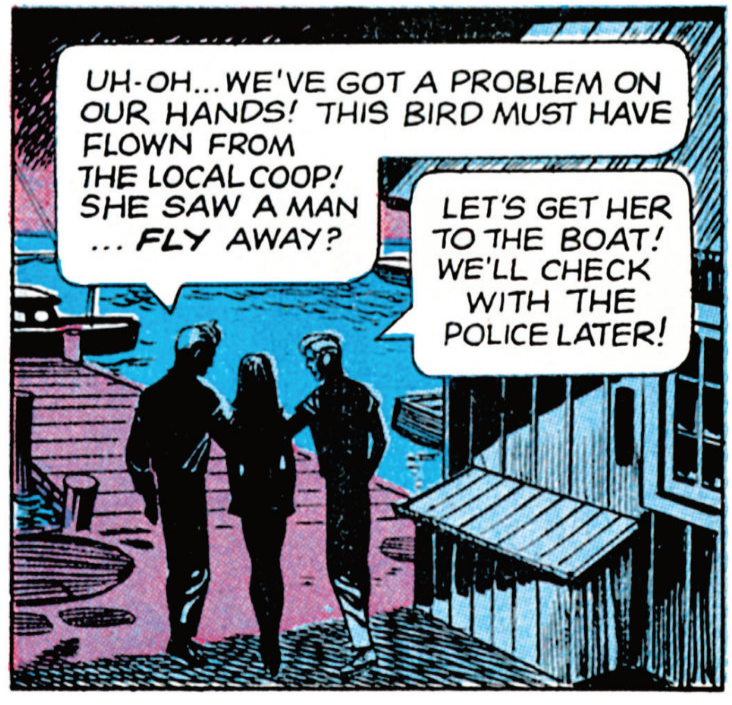
IT IS A GIRL!
IS SHE HURT?



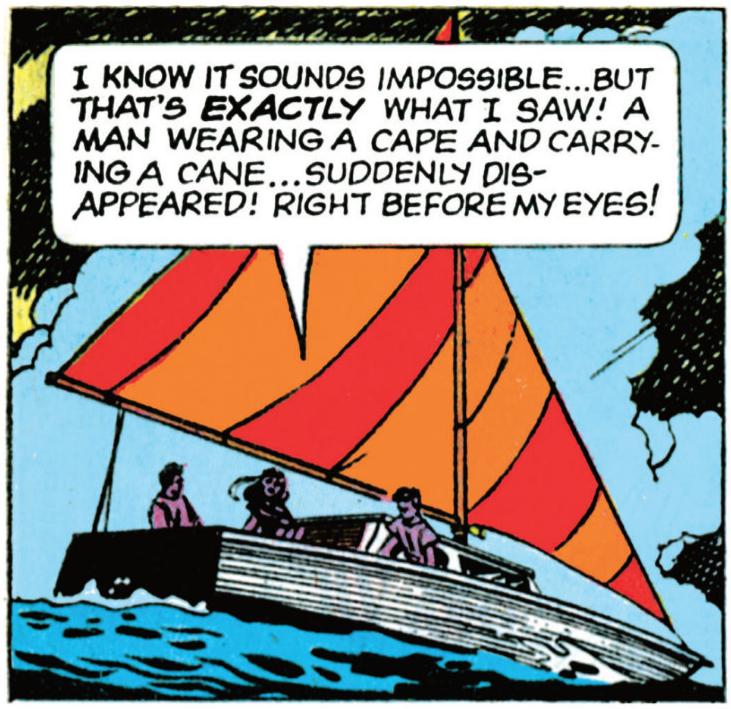
NO! SHE SEEMS TO HAVE FAINTED! THERE, SHE'S COMING AROUND!
WHAT IS IT, MISS? DID SOMEONE ATTACK YOU?
MAN...TURNED INTO...TURNED INTO A...NO, IT CAN'T BE TRUE!



HE STOOD THERE... ALONE... THEN HE SHRANK... AND FLEW AWAY! HE FLEW AWAY!

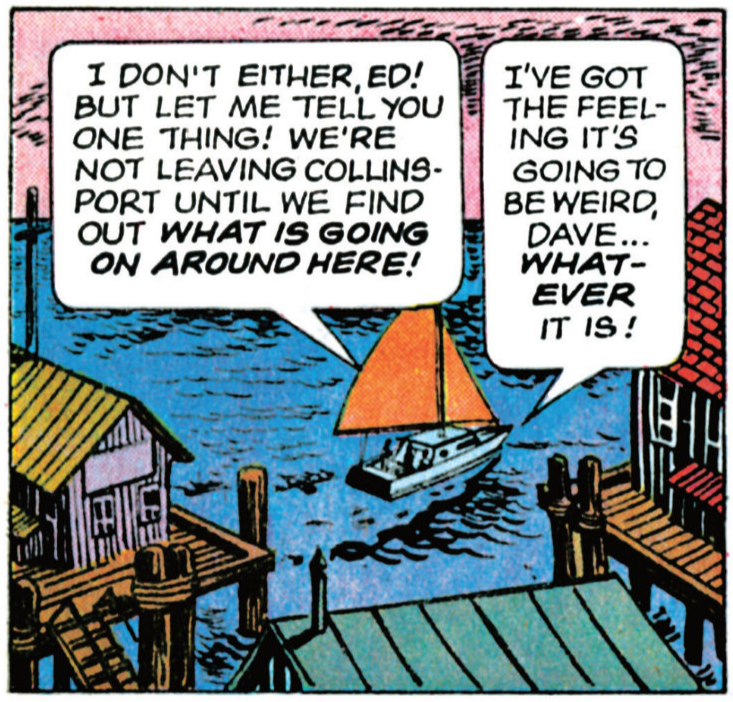


UH-OH...WE'VE GOT A PROBLEM ON OUR HANDS! THIS BIRD MUST HAVE FLOWN FROM THE LOCAL COOP! SHE SAW A MAN ... FLY AWAY?
LET'S GET HER TO THE BOAT! WE'LL CHECK WITH THE POLICE LATER!

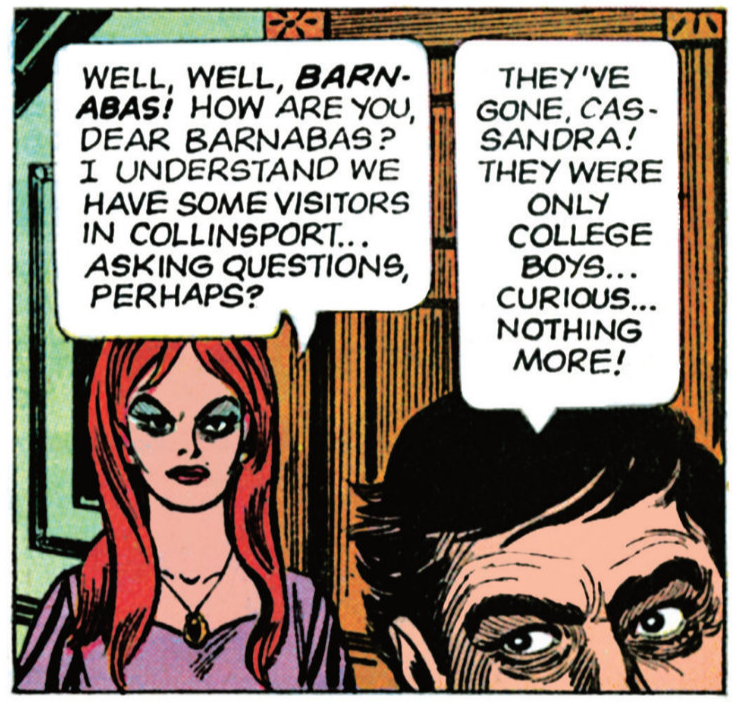


I KNOW IT SOUNDS IMPOSSIBLE...BUT THAT'S EXACTLY WHAT I SAW! A MAN WEARING A CAPE AND CARRYING A CANE...SUDDENLY DISAPPEARED! RIGHT BEFORE MY EYES!

WEARING A CAPE...AND A CANE? IT SOUNDS LIKE OUR BARNABAS COLLINS!
HER I.D. CARD SAYS SHE'S A NURSE...NOT SOMEONE WHO WOULD MAKE UP SUCH A STORY! I DON'T KNOW, DAVE... I DON'T KNOW!



I DON'T EITHER, ED! BUT LET ME TELL YOU ONE THING! WE'RE NOT LEAVING COLLINSPORT UNTIL WE FIND OUT WHAT IS GOING ON AROUND HERE!
I'VE GOT THE FEELING IT'S GOING TO BE WEIRD, DAVE... WHATEVER IT IS!



WELL, WELL, BARNABAS! HOW ARE YOU, DEAR BARNABAS? I UNDERSTAND WE HAVE SOME VISITORS IN COLLINSPORT... ASKING QUESTIONS, PERHAPS?
THEY'VE GONE, CASSANDRA! THEY WERE ONLY COLLEGE BOYS... CURIOUS... NOTHING MORE!

BUT THEY HAVEN'T GONE, BARNABAS! IT SEEMS THEY MET A GIRL WHO SAW A MAN TURN INTO A BAT LAST NIGHT! RIGHT AFTER THEY LEFT YOU!
WHAT?!

CURSE OF DARK SHADOWS

The Curse of Dark Shadows REVISED EDITON puts the sold out smash hit graphic novel back in print! Containing classic characters from the cult television show; 192 pages with supplemental material; ALL NEW CHARACTER PORTRAITS AS A BONUS BY JOK; NEW COVER; trade paperback.

Hermes Press presents an original graphic novel adding a new chapter to the classic vampire/gothic romance universe of Dark Shadows — The Curse of Dark Shadows with a spell-binding script by Craig Hurd-Mckinney and artwork by Jok. This 192 page color graphic novel presents a tale of drama and suspense: Carolyn Stoddard-Hawkes made a deathbed promise to her mother. But, in order for Carolyn to complete that promise, she must rely on the one person in the world she doesn't want to see: vampire Barnabas Collins. His return home after an extended period away sets in motion a chain of events that will change the Collins family forever. Can Carolyn and her cousin David survive the newly-awakened Curse of Dark Shadows, or will Barnabas be the end of the family line?

Also included are documentary content with art and supplemental materials and four pages of all new character portraits by Curse of Dark Shadows artist, Jok.

—John Logan, Playwright Screenwriter and Creator of PENNY DREADFUL after reading this new chapter in the Dark Shadows saga observed: "If you, like me, long for more adventures at Collinwood and with your Dark Shadows friends, look no further. CURSE OF DARK SHADOWS is modern, sexy, scary and, most of all, thoroughly Dark Shadows."

MY NAME IS VICTORIA WINTERS.
AND TODAY IS THE DAY THAT I DIE.

ONE YEAR LATER.

The sleepy little town of Aurora Springs, NY, has exactly one claim to fame: it's the birthplace of Rascal Randy. Not the man in the suit—the man has never mattered. He was no one until he put the mascot head on for the first time, until he felt the life leave someone's body through the thickly furred gloves of the suit.

No, Aurora Springs is the birthplace of Rascal Randy the rabbit, who, once upon a time, was poised to become the greatest animated character this country had ever seen—until greed and tragedy changed his trajectory forever.

Now, before the events of **EXQUISITE CORPSES SEASON 1**, witness the final murder spree of this iconic killer, as chaos hops into town with buckteeth bared and ears flopping...and the secret, sordid history of Rascal Randy is finally revealed.

Hannibal meets ***Silent Night, Deadly Night*** in this pitch-black holiday horror story that cuts right through our most unspoken cultural taboos.

As snow falls over Milwaukee in 1972, a blood-stained Santa Claus commits unimaginable atrocities against young men. Fifty years later, a troubled young writer interviews this so-called "Deviant Killer," who still maintains his innocence from behind bars. And as Christmas approaches once again, the past returns, wielding a sharpened ax.

Eisner-winning writer **JAMES TYNION IV (THE DEPARTMENT OF TRUTH, EXQUISITE CORPSES)** and acclaimed artist **JOSHUA HIXSON (SHANGHAI RED*, Absolute Batman, The Plot*)** unite for a psychological crime thriller that explores the intersection of queer identities and a broader scope of cultural transgression and deviance.

"Hilarious, vivid, endlessly clever, and filled with heart. The best new comic I've read in forever!" ***—Matt Dinniman, Dungeon Crawler Carl***

"You had me at magic talking eyeball shield. Brett Bean creates a fantasy world like no other! Don't be a dork, buy D'orc!" ***—Robert Kirkman, Invincible, The Walking Dead***

"D'orc is pure fun and mayhem! Absolutely my kind of book!" ***—Skottie Young, I Hate Fairyland***

The perfect mix of Bone, The Dark Crystal, Discworld, and Monty Python, D'ORC is destined to be a new fan-favorite for years to come.

D'orc, the half dwarf/half orc is fated to end the world because of some inconvenient doomsday prophecy from the Book of Certain Doom.

Armed with nothing but a magical yet ambitiously violent shield and a chicken with its head cut off, D'orc is thrown dead center into Sunderaine's never-ending war between the Light and Dark. Elves vs. Orcs. Wizards vs. Common Sense. Dragons vs. Literally Everyone.

Can he survive being hunted, blamed, and beaten by every human, elf, goblin, dwarf, Witch, Timelord, Ice Giant, three headed Dog, and at least three other unpronounceable magical creatures?

Join fan-favorite artist **BRETT BEAN (I HATE FAIRYLAND, *Dungeon Crawler Carl* *The Crocodile*)**, colorist **JEAN-FRANÇOIS BEAULIEU (I HATE FAIRYLAND)**, and letterer **NATE PIEKOS (*Minor Threats*)** for a hilarious high-fantasy romp perfect for fans of Conan, The Lord of the Rings, and of course, Gert's deadpan humor.

Issue 2 (of 6)

Gentrification comes to Ascuas and Zina loses her job when the owners of Sally's Diner sell up the shop. Roz has mixed feelings about the changes coming to the town, but Zina takes it hard. As winter descends upon the town, Zina finds her destiny in the meat locker.

Award-winning writers Drew Edwards and David Bowles team up with artist Monica Gallagher and colorist Harry Saxon, to bring you a horror-fest, but at the same time an insightful comic covering ancient prophecies, the gentrification of rural landscapes, and the veins of evil inherent in collective humanity.

LETTERER: **STEVE WANDS**
COVER ARTISTS: **RIAN HUGHES & JUAN BOBILLO**

Writer and musician Scott Hoffman collaborates with the rare talent Juan Bobillo for a story set in a fallen world that, despite its harsh conditions, maintains a richly textured beauty under Bobillo's pen and colors. A powerful story about found family and hope among decay.

Wag, a loner in a post-apocalyptic world, hears voices in his head. It could be remnants of ancient technology ("old magic"), or he might just be crazy. With the aid of an ever-growing band of oddballs, Wag sets out on a quest to discover the source of his troubles — confronting strange and deadly enemies along the way — and ultimately fight an epic battle with the evil forces responsible for the collapse of civilization! A neurodivergent futuristic adventure from writer Scott Hoffman (*Nostalgia, co-founder & member of the Scissor Sisters*) and artist Juan Bobillo (*She-Hulk, Howard the Duck, Astonishing X-Men*), with covers and design by Rian Hughes (*2000 AD, Vertigo, Batman: Black and White*), now in print for the first time!

GRIT VOL. 1

AUTHOR: **BRIAN WICKMAN**
ARTIST: **KEVIN CASTANIERO**
COLORIST: **SIMON GOUGH**
LETTERER: **MICAH MYERS**
COVER ARTIST: **KEVIN CASTANIERO**

GRIT is southern-fried sword and sorcery: a pulp fantasy romp as gleeful as it is grisly.

When a simple hunt spirals into an occult war, Barrow and Ari must put aside their grudges—or be crushed by the cult that ends the world.

From feral packs of bog-hounds to goblin gang wars, Old Man Barrow's solved plenty of problems with the swing of his axe...but when a routine troll hunt spirals into a brush with a would-be doomsday cult, he may be in more trouble than he can chop his way out of. Saddled with Ari, a sharp-tempered witch with little patience for his blood-soaked ways, Barrow is dragged into grotesque occult rituals, the jeering warbles of trash-talking songbirds, and a fight he can't win on his own...whether he admits it or not.

The end of the world isn't coming. It's already here.

Eight apocalypses have ravaged Earth, and humanity has limped through each one...barely. Now, the monsters of Apoc 8 are closing in, and the only ones left to finish the job are a ragtag crew known as the World Enders: Bethany, Pullman, Toth, and the unhinged S.A.M.—mercenaries who kill for hire in a world already on life support. MORE IMPORTANTLY, WHERE OTTO SHOWS UP. LOOKING FOR THE KIND OF BRAWLERS FOUNDATION OFFICIALS ONLY WHISPER ABOUT.

IT'LL COST YOU.
'TIS NOT AN ISSUE.
I CHOSE HERE SO I COULD WATCH OTTO. HIS TWISTED APPETITES TO CONVINCE MYSELF THAT I STOPPING OVER A WICKED MAN IS A LESSER EVIL THAN KEEPING MY PROMISE.
OTTO WAS A CON MAN. BUILT HIS THRONE SELLING PROTECTION FROM THE THIEF HE SAW IN HIS OWN MIRROR.
THE FOUNDATION MADE DEALS WITH HIM.
OTTO SNEAKS OUT THE FACTORY WITH HALF HIS FACE EVERY NIGHT SHIFT.
NAMED HIM DELEGATE, GRANTED HIM PROTECTION FOR HIS OWN ROTTEN EMPIRE.
SO LONG AS HE KEPT THE TRIBUTE FLOWING.
BETTER TO BE AN EMPERUM'S PUPPET THAN JUST A PUPPET.
ALWAYS LEAVES "FAT BONZO" BABYSITTING THE REST OF HIS GOONS TO GUARD WHATEVER HE'S STASHING IN HIS OFFICE.
OTTO'S GOT TWO HEAD-BOLTS GATEKEEPING HIS FRONT DOOR ROUND THE CLOCK.
CALEP. WE NEED ACCESS TO HIS OFFICE. LAYOUT HOW MANY ROOMS, WINDOWS, VENTS, WINDOWS. WHERE HE KEEPS THE SAFE. NO GUESSES.
FAT BONZO'S A HUNGRY PIG.
ADDICTED TO THE POPPY THE BOOZE.
BUSINESS POPS SOON AS OTTO GHOSTS OUTTA THERE.

FUNNY HOW OTTO USES HIS TERROR MACHINES TO LURE OUT THE FANATICS, BUT KEEPS THOSE RED EYES OFF HIS OWN TRADE.
THINK HE'S HIDING SOMETHING?
EVERYONE'S HIDING SOMETHING.
LOOK, THERE GOES CALEP.
FAT BONZO GAVE HER PASSAGE.
CALEP LOCKS EYES WITH ME. THERE'S A GLINT ON HER BROW. HE'S NERVOUS. WE ALL ARE.
FILTH. DESENERATE. TRAITOR.
YOU THINK I DON'T KNOW WHAT YOU ARE DOING?
I KNOW! YOU'RE PLANNING SOMETHING AND I WILL FIND OUT.
CONFESS AND LIVE. REFUSE, AND BURN FOREVER!
I'LL SEE YOU AROUND.
STAND UP. DON'T GIVE THEM THE PLEASURE.
I HATE THEM.

WOULD YOU DIE FOR THEM? WOULD YOU DIE JUST TO SEE THEM DEAD?
THEY'RE NOT WORTH IT.
YOU WOULD DIE FOR OUR MOTHER.
BUT NOT FOR THEM.
YOU DON'T HATE THEM. YOU ONLY BLAME THEM.
WHAT WE'RE DOING DOESN'T MAKE US BETTER THAN THEM.
14

CAREFUL WHERE YOU PARK THOSE HANGS, HANDSOME. YOU MIGHT START LIKIN' IT.
LET HIM THROUGH. FAT BONZO'S EXPECTING HIM.
OTTO'S MEN ARE CORRUPT. THEY COME TO CALEP LIKE EVERY OTHER GUY LOOKING FOR DRUGS.
YOU'RE LATE.
GOT THE GOODS?
ANYTHING TO MAKE THEIR MISERABLE EXISTENCE A LITTLE BRIGHTER.
Feed the Belly
SEE FOR YOURSELF.
FAT BONZO GOT HOOKED ON CALEP'S BREW THROUGH A WHORE. CALEP PAID HER TO SHARE A TASTE WITH HER TOP CLIENT. FAT BONZO. HE'S BEEN A LOYAL CUSTOMER EVER SINCE.
AFTER ALL WE HAVE SHOWN YOU, YOU STILL DOUBT?
...YOU SPEAK OF KILLING GOD. I'VE SEEN HIM. HE STANDS THREE MEN TALL.
WE'LL CREATE A NEW ORDER...
SILENCE.
SOMEONE'S BEHIND THE DOOR.
GIVE THE BONE MULE HIS CUT AND SEND HER OFF.
CHECK HIS POCKETS BEFORE HE GOES.
YOU HEARD THE BOSS.
«NIIIIF!
LEFT A LITTLE EXTRA.
FOR YOUR TROUBLES.
GO HAVE SOME FUN.
NICE VIEW YOU GOT HERE.

THE SAFE SHOULD BE HERE.
A FALSE COMPARTMENT BUILT IN THE HOLLOW BETWEEN THE TOILET AND OTTO'S PRIVATE ROOM.
TWO ARAKS CAMP OUT WITH FAT BONZO IN THE LOBBY.
NOBODY WALKS IN UNLESS HE GIVES THE WORD.
YOU SAW IT?
NO, BUT IT'S THERE. OLD DIAL TYPE LIKE YOU SAID...
SHOULDN'T BE TOO HARD TO CRACK.
VENTS?
NOTHIN' UNLESS YOU'RE RAT-SIZED. HOLD UP.
THERE'S A WINDOW. REALLY NICE VIEW IF YOU ASK ME.
WE COULD WELD A PRESSURIZED POD. PULL THE FRAME OFF.

HANS DOESN'T DRAW THE SAME LUCK AGAINST CAULIFLOWER-EAR.
HE'S TRAINED, MOVES FAST. NOT FOR REVENGE. PROBABLY THINKS IT'S JUST A JACK-JOB. HE'S NOT WRONG.
I DON'T STOP TO WONDER IF THE POOR BASTARD'S GOT A DAUGHTER OR A WOMAN WAITING ON HIM AT HOME.
I SHOW HIM WHO'S BOSS.
I GIVE HIM A BEATING THAT'LL HAVE HIM WAKING UP WITH A FILTHY THROAT AND A MOCKER'S FACE FOR WEEKS.
I'M NO BETTER THAN HIM.
ALL I SEE IS HIM BETWEEN ME AND MY BROTHER.
THAT MAKES THINGS SIMPLE.
YOU OWE ME.
FOR WHAT?

PROPHETS OF DOOM, ISSUE 1

Nº1	JULY 15	$4.99	PAGES:24	MATURE	HUMOR / HORROR

WRITER: JOSEPH SCHMALKE
ARTIST: AMANDA KAHL

Evangelical preachers summon five ancient evils to trigger a (mini) apolocalype.

When their fire-and-brimstone sermons fail to attract the crowds (or cash) they once did, three evangelical preachers hatch a desperate plan to rebuild their flocks and line their pockets with the help of a forbidden text.

The Plan: summon five ancient evils to invade Heaven on a suicide mission, trigger a mini apocalypse, and put butts back in pews. But these ancient evils have plans of their own and are not exactly team players.

It's over-the-top grindhouse exploitation at its finest in this latest offering from writer Joseph Schmalke (Murder Hobo, We Don't Kill Spiders, Seven Years in Darkness) and newcomer artist Amanda Kahl. With a special 1:10 cover by Ben Templesmith. Mature readers only.

Recap: When Black Sabbath (not the Beatles) became the world's most famous band, the universe was changed, musically and otherwise. Lost arts, like Alchemy, were made common, schools taught about transfiguration and alternate science, Demons were summoned and some stuck around.

Lana LOVES music. She has played in bands all through high school and now, in college, she still plays in her ex's fledgling metal band. She's convinced their drummer to play her indie songs in secret. She's finishing up the best practice yet when they are drawn into a spiritual battle to keep metal on the top of the charts.

This trade paperback draws from albums such as Cruelty and the Beast, Hammer of the Witches, and Darkly, Darkly, Venus Aversa, bringing together tales of ageless vampires, mythical creatures, vengeful gods, and the legend of Lilith.

Enter Cachtice Castle and witness the horrors of Elizabeth Bathory, where anguish and ecstasy intertwine in blood-soaked ritual. Walk beneath the moon with the huntress Diana, and descend into a world shaped by obsession, myth, and dark romance.

Across these stories, themes of power, transformation, and desire unfold through a series of haunting narratives inspired by Cradle of Filth's most iconic works. Featuring stories and poems from a diverse roster of comics creators, including original work by Dani Filth.

VINTAGE PHOTOGRAPHS FROM THE COLLECTION OF GARY BASEMAN

An opportunity to share a sold-out, limited-run photographic tribute to one of America's favorite holidays with a wider audience.

As a child, Halloween was acclaimed artist Gary Baseman's favorite holiday—an extension of his love of otherworldly monsters and characters on TV and film. In the 1990s, he started his collection of more than 2,000 dark, playful, surreal vintage photographs of people in masks and costumes. Gathered primarily at flea markets, these images, taken by unknown photographers, represent intimate tributes to Halloween and American legacy. The photographs have long inspired Baseman to create not just paintings, but scores of costumes and masks of his own that he has used for photography, video, and performance art. The photos compiled here speak a thousand words and inspire a thousand more questions. What might first appear scary will soon become endearing when you realize that the people under the ghoulish masks and macabre costumes are smiling and having fun. The combination of nightmares, childhood memories, and odd beauty found in these photos...

MUTT UP OR SHUT UP! Superstar-in-the-making Curt Pires (*Lost Fantasy*) and powerhouse artist Juan Gedeon (*DC: The Jurassic League*) are ready to rock the comic book industry to its core with a DOUBLE-SIZED, 40-PAGE FIRST ISSUE debut of a brand-new team of raucously rowdy, anthropomorphic antiheroes with TEETH!

One year ago, a fragment of an interdimensional civilization collided with downtown LA—creating an impregnable no-man's-land where the laws of physics no longer apply. Convinced that no human being could survive the terrain within, the US government's most morally compromised contractors decided to explore the area codenamed "The Gleam" by sending in four research animals in the hopes of capturing its precious technological wonders. They were hoping to find a new kind of weapon. What they got instead was four radically transformed dogs with minds and a mission all their own. WOLF! FRANKEE! GRIFFY! FREDDY! Together with their brilliant mentor, MOJO, the SUPER MONDO MEGA MUTTS are going to bring justice back to the avenues and alleyways where out-of-control federal forces and gangs powered-up by pilfered alien technology now reign. They thought they could put this band of outlaw misfits on a leash. Now the world is going to discover what happens when these mutts BITE BACK!

A startling new experiment in comic book storytelling inspired by firsthand accounts of real paranormal encounters . . . where overlapping phenomena like UFOs, hauntings, cryptid sightings, and inexplicable synchronicities seem to indicate a higher, unseen order of reality . . .

Daniel Noah—writer, producer, director, and co-founder acclaimed production company SpectreVision—has documented and logged hundreds of otherworldly encounters spanning the super-spectrum of "high strangeness" that connects sightings of objects in the sky to haunted places and other perplexing manifestations that extend like fingers from a hidden hand.

In *High Strangeness*, Noah leads an otherworldly cast of premier comics talents—including acclaimed writers Chris Condon (*Ultimate Wolverine*), Zac Thompson (*Cemetery Kids Don't Die*), Christopher Cantwell (*Out of Alcatraz*), Cecil Castellucci (EC's *Cruel Universe*), and Christian Ward (*Batman: City of Madness*), and dazzling artists Dave Chisholm (*Plague House*), Noah Bailey (*Station Grand*), Valeria Burzo (EC's *Epitaphs from the Abyss*), Chloé Stawski (*Sapphic Pulp*), and Christian Ward (*The Ultimates*)—across five decades of uncanny encounters at the dimly lit borderlands of human experience . . . that interlock to reveal an ambitious, dimension-spanning finale informed by Noah's own real-life glimpses of nonhuman intelligence.

Collecting *High Strangeness* #1–5, this oversized deluxe hardcover volume also includes five nonfiction essays on the history and evidence underpinning the phenomena detailed in each chapter.

THE SMURFS ARCHIVES continues its mission to present Peyo's Smurfs stories in order of their original publishing date with Volume Five of the series. Featuring stories and content that has never been published in English alongside classic material.

Following the massive cultural breakthrough of THE SMURFS brand in the 1980s, Peyo began to personally oversee the publication of SCHTROUMPF, a monthly magazine that was originally published in French from 1989 to 1992. A mix of comics, illustrated text stories, games, articles, and DIY educational pieces (such as craft instructions and recipes), SCHTROUMPF strove to entertain fans in every aspect of the word—from a very smurfy perspective. Featuring a wealth of content that has never been published in English alongside classic material, THE SMURFS ARCHIVES VOLUME FIVE begins the journey through the first era of "SCHTROUMPF MAG"—a wondrous trip previously unfamiliar to many fans worldwide, and a fresh experience for those who may not have seen these stories since their first publication decades ago.

After extensive study and examination at Safiya's ultra-modern Cairo research facility, the truth begins to reveal itself about what they have found. What lies in the State-of-the-Art examination chamber is no ordinary mummified corpse, but "Mernheptan: The Plague Giver,"the most evil, reviled pharaoh in Egyptian History. Despite the concerns of her friends and colleagues, Safiya's obsession with the ancient cadaver intensifies. She works day and night in the laboratory, never leaving the mummy's side until the strange supernatural attraction totally consumes her, with unimaginable and terrifying consequences!

"A fun romp through a gory grade school, where going through puberty is equated with becoming a zombie — an equated with becoming a zombie- an experience not dissimilar from my actual experience not dissimilar from my actual life!" — James Gunn

The kids of Ben Turpin K-8 have a problem: they're locked in a building where everyone from puberty on up has transformed into flesh-eating ghouls! Can they escape before they're today's lunch special?

Bob Fingerman's Recess Pieces originally was released in 2006. But Recess Pieces Reanimated, while built on that foundation, has been so heavily reworked it's practically a new book. The script: reworked. The ending: completely different. Bob has a habit of revising his older works whenever they get a new editions, but this isn't merely a retouching; it is a gut renovation. In Bob's patented OCD style, he has reworked, revised, rewritten, redrawn and "reanimated" this graphic novel. 26 all-new pages, a new finale, and about 40 pages reworked extensively.

It is because of this effort-the "Reanimated" edition was over two years in the making —that we at Cosmic Lion Productions feel this is a special occasion. Not to mention, it's pretty much a 20th Anniversary release (the first version having been created in 2005).

After a string of unexplained disappearances in the southern parts of the United States, retired detective Clint searches for his white trash brother. While trying to solve the mystery of his brother's disappearance, Clint ends up being abducted... by aliens! He is now in the arena for Big Guns Stupid Rednecks, intergalactic cable's newest hit show, which puts humans in laser gun gladiatorial combat, and his brother is the reigning champion with 27 kills!

From the minds of Austin Allen Hamblin and Mariana Meira, Big Guns Stupid Rednecks is a fast-paced social commentary full of rednecks blowing each other up with lasers. This trade paperback collects, for the first time ever, all three issues of the hit indie comic with loads of new bonus material.

WRITTEN BY: JOSHUA ROSS

LETTERING BY BY: JOSHUA ROSS

This 365-page graphic novel is an engaging and heartfelt slice-of-life story about David, a 25-year-old aspiring comic book artist in the early 2000s who, thinking all the pieces of his life are coming together, is forced to consider how much he's willing to sacrifice - and change - in the hopes of making his dreams become a reality.

It's a story intended to inspire and entertain anyone interested in pursuing their dreams and creative endeavors, even in the face of adversity, with roadblocks both personal and professional. Left Turns is an emotionally engaging and visually stunning story about the experiences of love and loss, of heartache and random chance encounters, and the sacrifices that run parallel with the artistic desire to see and create a way to capture moments indefinitely.

SNEAK PEEK!

MY ART DESK WAS THE FIRST THING I ASSEMBLED UPON MOVING IN.
MY PARENTS WANTED TO PUT ME IN ART SCHOOL AS A KID, BUT I WAS TOLD NOT TO TAKE CLASSES, AS THE TEACHERS WOULD STIFLE MY IMAGINATION.
I DISCOVERED COMIC BOOKS, WHEN I WAS ABOUT SEVEN, BUYING CANDY WITH MY WEEKLY ALLOWANCE AT THE NEARBY GAS STATION.
LETHARGIC LAD
LETHARGIC LAD

I FINALLY HAD TO CONFRONT ART LESSONS IN COLLEGE. I DON'T THINK I MEANT TO PUSH ANY BUTTONS, BUT I'VE OFTEN BEEN STUBBORN IN MY ARTISTIC DREAMS.
MOST OF MY PROFESSORS WERE STILL STUCK IN THEIR OLD SCHOOL IDEAS AND WAYS AND COMIC BOOKS WEREN'T CONSIDERED ART.
HOW IS ART CRITIQUED?
WHO GETS TO SAY ART IS NOT ART?
I NEVER THOUGHT OF MYSELF AS A BAD STUDENT, BUT I DEFINITELY DIDN'T SEE EYE TO EYE WITH ONE OF MY PROFESSORS.
YOU MUST LEARN TO DRAW, NOT ILLUSTRATE.

JUNIOR YEAR, I WAS EXCUSED FROM CLASS AND HE DENIED MY FINAL PROJECT.
BRISTOL
DAVID, YOU HAVE MISSED TOO MANY STUDIO SESSIONS AND THESE ILLUSTRATIONS ARE NOT WHAT I ASSIGNED.
A FEW YEARS AFTER GRADUATION, I FOUND A BOOK BY THE SAME LAST NAME AS MY PROFESSOR.
I OPENED THE COVER TO FIND OUT THAT, AFTER YEARS OF GIVING ME GRIEF FOR DRAWING COMIC BOOKS, HE HAD GONE ON TO CREATE HIS OWN.
I DID END UP BUYING A COPY. I NEVER HAVE READ IT, THOUGH.

IN THE GRID:

I FEEL LIKE I'VE BEEN WORKING ON A BOOK OF MY OWN FOREVER WHEN, IN REALITY, IT'S ONLY BEEN TWO YEARS.
BECCA INSPIRED ME TO WRITE, AND TO DRAW, AND TO BE CREATIVE. AN ACCIDENTAL MUSE WITH SURPRISE EMBRACES.
GENTLE KISSES ON THE CHEEKS AND THE SMELL OF THE SHAMPOO IN HER HAIR.
HOURS SPENT NOT TOGETHER, BUT TOGETHER WORKING IN AN AREA.
WE GOT LOST IN OUR HOPES AND DREAMS.
BUT WHERE DOES CREATIVITY GO WHEN YOU'RE FEELING NUMB?
MY BRAIN DRIFTS, IN BETWEEN WAYS THAT WANT TO MAKE A MARK, AND MY HANDS PRODUCE RANDOM SCRIBBLES.
I DON'T THINK I'LL EVER CREATE ANYTHING OF ANY SUBSTANCE.

GOLDEN AGE CLASSICS THE SPIRIT HC SLIPCASE EDITION VOLUME 5 Quality Comics was an American comic book publishing company that operated from 1937 to 1956 and was largely influential in creating the 'Golden Age' of comic books. From 1940–1950, printer Everett M. "Busy" Arnold reprinted Spirit stories under his Quality Comics banner, first individually from 1940–1947 as one of the features in 92 issues of Police Comics and from 1944–1950 as 22 issues of The Spirit.The Spirit is a fictional masked crime fighter created by cartoonist Will Eisner, who fights crime with the blessing of the city's police commissioner Dolan, an old friend. Despite the Spirit's origin as detective/criminologist Denny Colt, his real identity was rarely referred to after his first appearance, and for all intents and purposes he was simply "The Spirit". The stories are presented in a wide variety of styles, from straight forward crime drama and noir to lighthearted adventure, from mystery and horror to comedy and love stories, often with hybrid elements that twisted genre and reader expectations. Comic book stories from the 1940s and 1950s may depict some ethnic and racial prejudices that were oncecommon place in American culture. Such depictions were wrong then and are wrong today. While not representing the publisher's view of today's society, these stories are printed as they were originally created, because to do otherwise would be the same as claiming these prejudices never existed.

PS ARTBOOKS MAGAZINE SCREAM #1 Skywald's SCREAM #1 according to Al Hewetson's introduction, was in response to readers' opinions as expressed in the Bunch Of Questions survey and was first published as a black-and-white comic magazine in August 1973. If you're brave enough take a peek, we've got 'The Strange Painting Of Jay Crumb' a spoof on underground cartoonists Jay Lynch & Robert Crumb by Felipe de la Rosa. 'The Comics Macabre' by Al Hewetson and Maelo Cintron featured characters based on 'Seduction Of The Innocent' author Fredric Wertham & Comics Code Authority president Len Darvin as well as Hewetson, Herschel Waldman & other Skywald staffers. In the story Darvin and Wertham visit the Skywald offices to complain about the horror comics, get into an argument and kill Hewetson, whereupon tiny versions of Skywald's Heap, Frankenstein's Monster and others come off comic pages and kill Wertham and Darvin. Hewetson sent a copy of the story to Wertham, with whom he corresponded for a number of years but, according to Hewetson, Wertham didn't get the point. Don't hang around - these horror's will be gone by sunrise!

PS ARTBOOKS SOFTEE WEB OF EVIL TP SOFTEE VOLUME 4 We probably already said this before but this title has the lot . . . including persuasive evidence that animated corpses (that's zombies to you, fella) used to be gray and had see-through rib-cages. Just shows you how far medical science has come in the almost seventy intervening years. They're all good, these books we're bringing out (bringing out? Heck, we're unleashing 'em!) but this one may well be the gerkin on the burger. Presented in our popular 'softee' format for the very first time!

Garth Ennis re-imagines Battler Britton - the classic aerial combat hero

WRITTEN BY
Garth Ennis

COVER ART BY
Colin Wilson

Robert Britton, known to friend and foe alike as "Battler", is a RAF Wing Commander assigned to work alongside an American fight squadron, but the US pilots are not at all keen on submitting to British command, and when orders arrive to begin operations from a new base deep behind enemy lines – directly under the Germans' noses – Battler is not at all sure the two units can cooperate successfully. When allies fail to fight as one, only their opponents win – and the Nazi fighters, forever hovering in the blazing desert sun, are quick to scent an opportunity. The Treasury of British Comics presents one of British comics' most fondly remembered characters in a brand new adventure, as deadly dogfights erupt mere feet above the earth, bullets rip through fuel tanks and airframes, and men's destinies are decided in the blink of an eye: Battler Britton flies again.

Spider-Ham: Hollywood May-Ham TP

Peter Porker, the Spectacular Spider-Ham hits the PIG time... in Hollywood! Legendary director Alfred Peacock has acquired the rights to bring Spider-Ham's spectacular story to the silver screen. There's only one, itsy-bitsy problem: Spider-Ham didn't sell those rights, and Peacock is getting the origin all wrong—making our hero out to be a monstrous menace! Once he catches wind of the perilous production, Peter Porker uses his Daily Beagle connections to secure on-set credentials, where he not so subtly tries to improve the film's depiction of his alter ego and fix all the "continuity errors" in the movie.
Behind the scenes, Porker soon discovers that some very shady characters are bankrolling the entire operation, in a bid to convince the residents of New Yolk City that their porcine protector is a threat who must be eliminated. Now, Spider-Ham must face down an army of ninja production assistants and some truly shoddy CGI to prevent this box-office bomb from blowing up his reputation! Will everyone's favorite pig clear his name? Or is this porky protector headed for the cutting room floor?

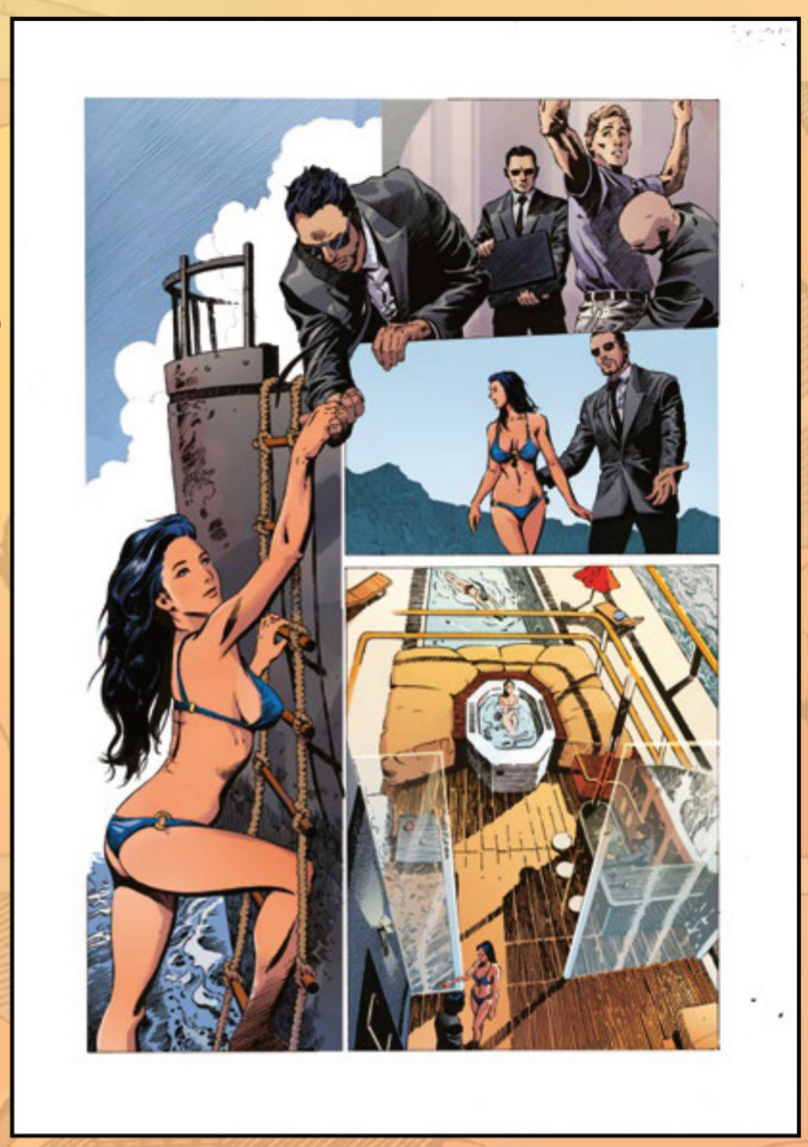
GUN HONEY CREATOR CHARLES ARDAI ON GUN HONEY'S 5TH ANNIVERSARY!

Titan's Direct Market Coordinator Bryce Walker spoke to Charles Ardai about the milestone anniversary.



BW: CHARLES, IT'S BEEN 5 YEARS SINCE JOANNA TAN FIRST BURST ONTO THE SCENE. HOW DO YOU FEEL LOOKING BACK ON EVERYTHING THAT'S HAPPENED IN THE GUN HONEY UNIVERSE ACROSS THOSE 5 YEARS?

Charles: It's been amazing. We've done 7 series in 5 years (including the HEAT SEEKER spinoff books); Joanna has infiltrated the Kremlin, foiled an assassination attempt at the Paris Olympics, fought alongside topless warriors at a monastery in the Gobi Desert, impersonated a showgirl at a Monaco theatre, survived gunfights and explosions and leaps from helicopters onto moving RVs – all the adventures I ever imagined as a kid watching James Bond movies, I've gotten to bring to life in the pages of these comics. And fans have been incredibly supportive.

BW: THIS OVERSIZED SPECIAL FEATURES A SUPER-SIZED COVER GALLERY, AND THE COVERS ARE SUCH AN INTEGRAL PART OF GUN HONEY. HOW DOES IT FEEL TO HAVE SO MANY INCREDIBLE ARTISTS WORKING ON COVERS FOR YOUR TITLE?

Charles: If you'd told me that Adam Hughes and Bill Sienkiewicz and Artgerm and even the late, great Robert McGinnis (who painted the original James Bond movie posters in the 1960s!) would eventually illustrate the adventures of a heroine I created, I'd have said you were mad. And yet it has happened, and I'm deeply grateful. And there are so many other artists, seasoned veterans and blazing new talent and gorgeous cosplay models. I feel insanely fortunate to have the stories I dream up brought to life by them.

BW: WHERE DO YOU THINK THE GUN HONEY UNIVERSE WILL BE IN 5 YEARS? JOANNA OF COURSE IS FAR TOO YOUNG TO RETIRE BUT WHERE DO YOU HOPE HER EXPLOITS WILL TAKE HER?

Charles: There are lots of places she hasn't been yet – I was just talking with the artist who draws the series, Ang Hor Kheng, about what locales he'd enjoy drawing, and we thought of Germany and Hungary – the Danube River! – and volcanoes and pyramids; we haven't been to Bali or Bangladesh or Belize, Cyprus or Cameroon, Poland or Peru. And that's barely halfway through the alphabet! As long as there's a globe to trot, you can bet Joanna will be carrying out her criminal exploits all across it, for many years to come.

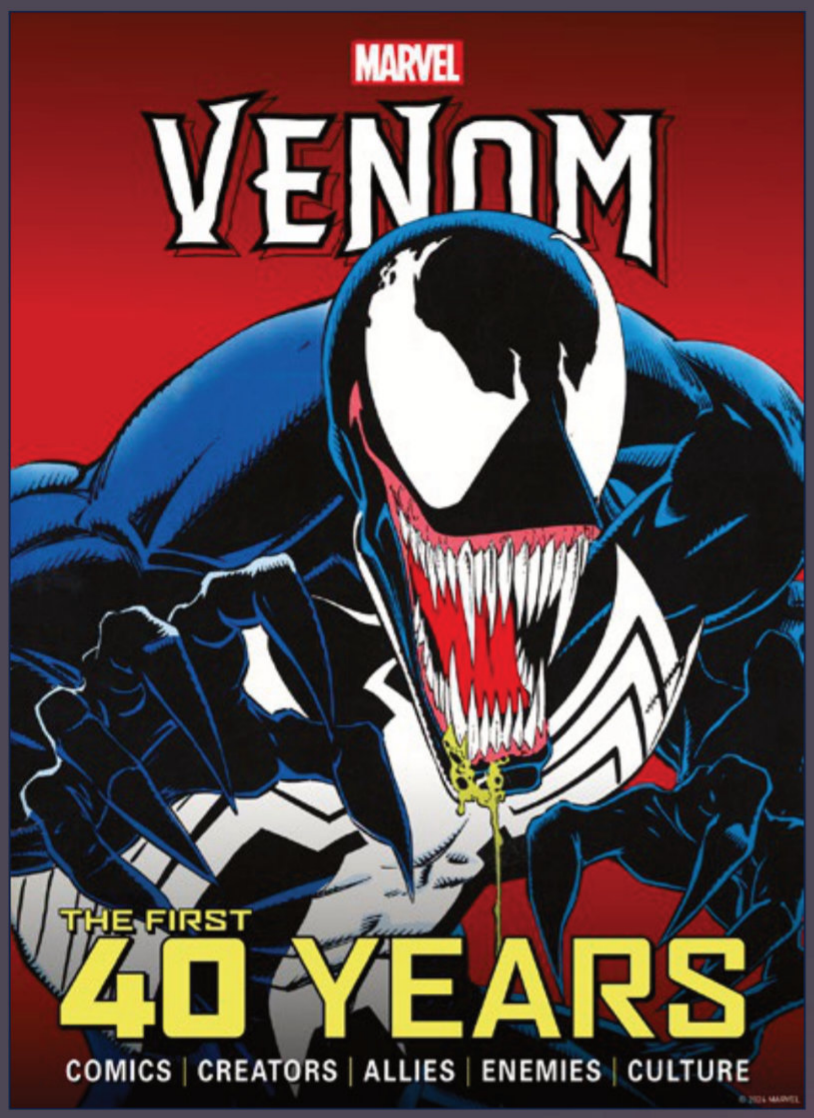
A CELEBRATION OF 40 YEARS OF MARVEL STRANGEST, DEADLIEST, AND FUNNIEST SYMBIOTE: VENOM!

MARVEL VENOM: THE FIRST 40 YEARS



HC • FC • 128pp • $24.99
On Sale July 1, 2026

This HARDCOVER COLLECTION explores the comic book history of Venom, from his origins as a foe in the Spider-Man comic book to his greatest battles, deadliest enemies, and his unlikeliest allies.

Lavishly illustrated with stunning comic art, this tribute to one of Marvel's most iconic characters also includes profiles of the the talented creators behind Marvel's deadliest symbiotes' ongoing adventures.

THE SECRET WAR AND THE NEW SUIT

From the very start, Venom has been linked to Spider-Man. Their complex history is so intertwined, it's impossible to explore Venom's origins without revisiting some of the biggest stories faced by Spider-Man in the 1980s. In a decade that saw Spidey face off against a plethora of Marvel's top villains old and new, he was also memorably whisked away to Battleworld by the all-powerful Beyonder to be part of the Secret Wars alongside a host of other Marvel super heroes – and it's that very story that ultimately delivered Venom to the hallowed pages of Marvel Comics.

In 1983, Marvel's editor-in-chief, Jim Shooter, began planning a miniseries event the likes of which the Marvel Comics universe had never seen before. While readers had been treated to team-ups featuring their favorite characters since the earliest days of Marvel, The Secret Wars was unparalleled in the scope of its ambition. Featuring (among others) the Avengers, the X-Men, the Fantastic Four, Spider-Man, Spider-Woman, the Hulk and a whole host of super villains, each issue read like a who's who of the House of Ideas' top creations.

The year prior to *Secret Wars*, Shooter had introduced the idea of company-wide crossover series with 1982's The Contest of Champions. Originally developed to tie in with the 1980 USSR-based Olympics, when the US famously decided to boycott the event, rather than letting a good story go to waste Shooter simply revamped it to make it a contest between some of Marvel's top heroes. The series was well-received and, supported by strong titles, the premise was a success – so when Shooter was later contacted by Mattel with the view to developing a toy line that would tie in with an 'event' comic series, he took little convincing. Mattel had previously conducted focus groups and discovered that the phrases 'secret' and 'war' tested well with boys in their prime demographic, and so the name of the great crossover was born. Ultimately, the toy line didn't achieve the success Mattel had hoped for and it was discontinued after only a few years, but the *Secret Wars* comic series would go on to earn legendary status.

Led by Shooter, the creative team set about carefully outlining the events of the series. As it featured so many characters who all had their own on-going titles, the decision was taken to stage the Secret Wars between issues so as not to affect continuity too much. Marvel's heroes would disappear at the end of one issue, then reappear at the beginning of the next, referring to the mysterious *Secret Wars* – which the Marvel team teased as a miniseries coming later in the year. Some of the heroes would gain subtle new plot points as a result on their return – for others, the changes weren't so subtle. Step forward Spider-Man.... And his amazing black suit!

Alien Nation

As the scale and breadth of Venom's adventures increased, so did the Symbiote mythology and roster of recurring characters.

Carnage

The murderous Symbiote created when psychopath serial killer Cletus Kasady bonded with a piece of the Venom Symbiote left behind in the cell he shared with Eddie Brock. Carnage quickly gained notoriety after his violent rampages and even became the star of his own video game.

The Life Foundation Symbiotes

Agony, Phage, Riot, Lesher and Scream were forcibly spawned from the Venom Symbiote – as detailed in Venom - Lethal Protector – after Carlton Drake, leader of the Life Foundation, observed how Carnage was spawned from the Symbiote in prison. The Life Foundation Symbiotes were bonded with volunteers who worked for the foundation, but ultimately they struggled with control issues over their Others. The Life Foundation was a corrupt elite organization built around providing shelter and a survival community for the uber rich in the event of any world disasters. Drake spawned his first Symbiotes to act as guards for the community and planned to spawn more to build a police force.

After their hosts were destroyed, the Life Foundation Symbiotes were held in The Vault, until they found a sympathetic new host…

Scott 'Hybrid' Washington

Scott Washington was a former guard at maximum security prison The Vault, responsible for over-seeing the imprisoned Symbiotes. He showed them compassion and after being briefly bonded with them, understood their pain and helped them escape – which cost him his job. After Scott was tragically paralyzed, the escaped Symbiotes sought him out – looking for the one person who had shown them kindness – and bonded with him, turning him into Hybrid. Scott was able to control the Symbiotes and set about taking revenge on the gang that had paralyzed him and murdered his brother.

The Jury

Made up from former guards of The Vault, this vigilante group determined to try villains for their crimes and bring them to justice. The Jury was established by Orwell and Max Taylor – father and brother to Hugh Taylor, who was a security guard at the Vault, reluctantly killed by Venom during a breakout. They wanted revenge for Hugh and, along with other former guards from the prison, become The Jury. Highly trained and skilled, they wear specially modified versions of the suits worn by Guardsman at the Vault. Their suits are specially made to incorporate sonic and fire-based weapons to deal with Symbiotes. ■

MINIMUM CARNAGE

Carnage returns to cause more chaos, but this time he has a new hunting ground when he is hired to kill a surprising new target.

Seemingly impossible to imprison for long, Carnage makes a terrifying return in the six issue Minimum Carnage story arc. Free at last, he heads to the Microverse – a dimension that can be reached from the Earth dimension by shrinking with Pym Particles and thus compressing the person's matter to a certain point, thereby forcing it through an artificially created nexus into the other universe. He is hired to put his thirst for bloody violence to good use and kill a god. Forming a uneasy alliance, Venom teams up with Scarlet Spider in order to find and stop him.

Escaping from the Thunderbolts Mountain Maximum Security Prison, Kletus Kasady attacked most of the prisoners and guards. Agent Venom arrives to investigate.

At a police checkpoint two hours later, the policemen discover Kasady and try to capture him. But suddenly their throats and faces are cut open and some cars explode. Kasady appears to have done nothing and while viewing footage of this, Venom points out a minuscule spear-wielding robotic bug. Venom asks for files and articles on "really tiny killers" and he recieves an article titled, "Not Everything is Bigger in Texas".

Meanwhile, in Houston two days later, Kaine Parker aka Scarlet Spider discovers a cut-up woman in the blazing inferno and a mentally shattered man. The man screams in fear when he sees Scarlet Spider thinking he means him harm.

It is revealed that the assailant's target was the wife of the terrified man, Dr. Kevels working at Lyndon B. Johnson Space Center. Kasady is lurking nearby and changes into Carnage, taunting the doctor and asking her about a purported "Peacebreus Pit".

But just as he attacks, Kaine crashes through a window and the two fight. Carnage thinks Kaine is Spider-Man but Scarlet Spider snaps his neck. However, Carnage simply pops it back into place and stabs his foe with a symbiote tendril as his opponent hurries to get free.

Hit from behind, Kaine sees a tiny group of people, who order Carnage to help them reach the Pit.

As they enter the pit, one of the small creatures reminds Kasady of their agreement. "I kill for you, you give me a whole new life. A new start. A whole new universe to kill people in."

As he gets back on his feet, Kaine swears to kill Carnage as Venom tells him to surrender, but the two soon realize they are on the same side. However, Flash loses control of the symbiote which attacks Kaine, who manages to resist until Flash has the symbiote back under control. The heroes discover that Carnage has escaped into the Microverse. Flash persuades Kaine to chase their foe, but they end up in different points of the Macroverse.

On arriving, Venom is attacked by some fairies, while the Scarlet Spider meets a hooded man, known as the Redeemer, and is attacked by a monster. Kaine kills the monster.

Arcturus Rann, the captain of Enigma Force, introduces himself to Agent Venom. Team member Flare reveals that the symbiote is a danger to the Microverse. Bug, another team member, touches it, which confirms that the symbiote has a harmful effect on the inhabitants of the Microverse.

Uncontrollable, Carnage begins to massacre the people who brought him into the Microverse, also attacking Kaine and the Redeemer. During the skirmish, Flash loses control over the symbiote again. Flare calms the symbiote, but Agent Venom and Enigma Force are captured along with Carnage by the followers of Marquis Rada. Rada explains that the symbiotes arrived in the Microverse many years ago. They had attempted to consume it along with the god who ruled the Microverse, but he drove them away. In an attempt to become the Microverse's new god, Rada summoned the symbiotes to return to the Microverse to destroy the old one.

Elsewhere, the Scarlet Spider who had to let go of Carnage in order to assist the Redeemer learns that the presence of the symbiotes could destroy the Microverse, eventually destroying the Macroverse. ■

CRYPTOLOGY #11

edited by PETER NORMANTON

MAGAZINE	$10.95	84 PAGES	FC	STD.
FOC 6/1		IN STORES 9/9		

Beware the **CREATURE FROM THE BLACK LAGOON** and his three films, with actress **MILICENT PATRICK**, comics, models, memorabilia, and the prehistoric history that spawned the Creature. Plus, the TV horror hosts who introduced classic spine-tingling films, **THE GOLEM** from silent cinema to comic books, **BILL STOUT**'s designs for **RETURN OF THE LIVING DEAD**, pre-Code comics history, Hammer horror movies, and more!

THE CRISIS COMPANION

From Flash of Two Worlds to Infinite Earths and beyond, by KEVIN MILLER

In 1985, **DC COMICS** launched the most ambitious crossover event in comics history: **CRISIS ON INFINITE EARTHS**. Four decades later, filmmaker and lifelong comic book fan **KEVIN MILLER** unpacks the tangled web of continuity, creators, and corporate pressures that gave rise to this multiverse-shattering epic. **THE CRISIS COMPANION** is both a personal love letter to the series and a deep dive into its history, from the classic 1961 Gardner Fox "Flash of Two Worlds" story that introduced the concept of multiple Earths, through the annual **JUSTICE LEAGUE/JUSTICE SOCIETY TEAM-UPS** that led to the complicated DC continuity that Crisis aimed to fix. This book features original interviews with **MARV WOLFMAN, PAUL LEVITZ, JERRY ORDWAY, BOB GREENBERGER, MIKE DECARLO, PETER SANDERSON, ROY THOMAS, CARY BATES, DAN JURGENS, MIKE GOLD,** and others who helped shape the series and the DC Universe itself. It explores how *Crisis* transformed our perception of comics continuity, redefined superhero storytelling, and introduced the multiverse concept to mainstream culture. This richly layered volume includes a full-color gallery, and a detailed, issue-by-issue commentary and examines the event's far-reaching consequences, from the rise of endless reboots to the dominance of event-driven publishing. Whether you're a casual fan or a full-fledged "Crisisologist," this is the definitive companion to one of the most influential comic book series ever published!

AMERICAN COMIC BOOK CHRONICLES: 1940-44 (New Printing)

by KURT F. MITCHELL with ROY THOMAS

HARDCOVER	$49.95	288 PAGES	FC	STD.
0825TM1171	Previously solicited			

The **AMERICAN COMIC BOOK CHRONICLES** series of FULL-COLOR HARDCOVERS documents every decade of comic book history from the 1940s to today! This volume spotlights the "Golden Age" of the comic book industry, covering the earliest adventures of Batman, Captain Marvel, Superman, and Wonder Woman; and America's entry into World War II was presaged by the arrival of **WILL EISNER**'s Uncle Sam, **HARRY SHORTEN** and **IRV NOVICK**'s The Shield, and **JOE SIMON** and **JACK KIRBY**'s Captain America. It also saw the debut of a fumbling red-haired high school student named Archie Andrews, but most of all, 1940-44 was the age of the "packagers" when studios headed by men like **HARRY A CHESLER, WILL EISNER,** and **JERRY IGER** churned out material for new comic book companies that published genres from funny animal stories to crime tales to jungle sagas to science-fiction adventures. Taken together, the **AMERICAN COMIC BOOK CHRONICLES** series forms a cohesive, linear overview of the entire landscape of comics history, sure to be an invaluable resource for ANY comic book enthusiast!

"This powerful graphic memoir is essential for those interested in stories of artistic freedom, resilience, and the ongoing struggle for expression—a struggle that remains deeply relevant amid the current turmoil in Iran. Can a cartoon cause riots? It seems unbelievable, but for Mana Neyestani it's true. One of his cartoons sparked riots, shuttered the newspaper he worked for, and landed the cartoonist in solitary confinement inside of Iran's notorious prison system. Mana Neyestani's story, which can only be described as Kafkaesque, is vividly brought to life in An Iranian Metamorphosis.

Mana Neyestani (born 1973, in Tehran) is an Iranian cartoonist and illustrator for economic, intellectual, political, cultural, and professional magazines. He is particularly known for his work with the newspaper Zan and Persian-language Radio Zamaneh. He is the recipient of the Cartoonists Rights Network International award for courage in editorial cartooning, 2010. He now lives in France.

"For almost two decades, Julia Wertz has been documenting her life's most intimate, absurd, and amusing moments in a whimsical, hilarious diary comic book called The Fart Party. Wertz retells childhood antics that end in scars and swears. She tracks her young adulthood in real time as she forgets her college graduation, travels cross-country by train, and drinks her way through a harsh breakup.

After receiving much acclaim (and controversy), The Fart Party became a series of self-published mini-comics, eventually collected into two volumes, published by Atomic Books. Long out of print, Museum of Mistakes collects anything and everything that is The Fart Party. PLUS: numerous pages of Julia's early comic work, unpublished and previously uncollected comics, short stories, illustrations, process pages, hate mail, sketchbook pages, tear stains, and more. This massive tome begs the question, ""what is a Fart Party?"" And the answer is... you'll have to read to find out!

Julia Wertz is the cartoonist behind the autobiographic comic books The Fart Party vol 1 and vol 2 (Atomic Books, 2007/2009), Drinking at the Movies (Random House, 2010), and The Infinite Wait and Other Stories (Koyama Press, 2012), and Tenements, Towers & Trash (Hachette, Oct 2017). Her work appears regularly in The New Yorker and the New York Times. See her comics at juliawertz.com and her photography of abandoned places at adventurebibleschool.com. She currently lives in Petaluma, California."
