DC CONNECT #11

APRIL 2021 / SOLICITING COMICS ON SALE IN JUNE

WHAT'S INSIDE

BATMAN/FORTNITE: ZERO POINT 1

The worlds of comic books and video games collide when the Dark Knight and other DC Super Heroes combine with the global gaming phenomenon Fortnite, in *Batman/Fortnite: Zero Point*, an epic six-issue comic book series that will uncover secrets never before revealed in the game or anywhere else!

PRIDE 13

Don't miss the *DC Pride* anthology featuring LGBTQIA+ characters from across the DC Universe, the new *Crush & Lobo* limited series, and the DC Pride variant covers. Plus, amazing original graphic novels including *Poison Ivy: Thorns* and collections that celebrate DC's diversity.

COMIC BOOKS 24

James Tynion IV and Álvaro Martínez Bueno are primed to dominate episodic horror media with their new series *The Nice House on the Lake*. The Emerald Archer's eighth decade is commemorated with the *Green Arrow 80th Anniversary 100-Page Super Spectacular*. And the DC Universe continues to evolve in the pages of *Infinite Frontier* #1.

COLLECTED EDITIONS 85

The incredible stories that showcase the destiny of the DC Universe are anthologized in the DC Future State collections.

A crack splits the sky above Gotham City...a tear in reality itself. This rift pulls the Dark Knight into a bizarre and unfamiliar world, with no memory of who he is or where he came from... Batman has been drawn into *Fortnite*! As our hero fights to recall his past and escape an endless loop of chaos and struggle, he'll come face to face with the likes of Renegade Raider, Fishstick, Bandalier, and more. While the World's Greatest Detective strives to make sense of this strange new world, he'll uncover the shocking truth about the Island, what lies beyond the Loop, and how everything is connected to the mysterious Zero Point. Uncover secrets never before revealed in the game or anywhere else! Every fan of Batman, *Fortnite*, stunning art, and edge-of-your-seat excitement won't want to miss the Caped Crusader facing off against *Fortnite* champions on the Island in a desperate attempt to save not only himself, but other familiar faces from the DCU...and perhaps the Multiverse itself!

Each print issue includes a redeemable code for a bonus digital cosmetic in *Fortnite* inspired by the comic. Get the new Rebirth Harley Quinn Outfit with issue #1. Digital issues of *Batman/Fortnite: Zero Point* downloaded from DC UNIVERSE INFINITE (US only) will also include these bonus digital codes.

Batman is trapped on the Island—unable to speak, his memory gone, having to fight to survive against the deadliest warriors of countless worlds. Can even the World’s Greatest Detective escape this trap when time itself resets every 22 minutes? And will the presence of someone else from Gotham City—a familiar feline fatale—help or hinder his efforts...especially when they don’t remember each other? In another life, they were enemies, friends, partners...but here on the Island, can they do anything but battle to the death?

Each print issue of Batman/Fortnite Zero Point will include a redeemable code for bonus DC-themed Fortnite digital items, inspired by the events in the comic, starting with the new Rebirth Harley Quinn Outfit. Digital issues of Batman/Fortnite Zero Point downloaded from DC UNIVERSE INFINITE (US only) will also include these bonus digital codes. As a bonus item, fans who redeem all six codes will unlock a new Armored Batman Zero Outfit.

Batman versus Snake Eyes. That's it. That's the solicit.

You heard us, **BATMAN VERSUS SNAKE EYES!** Yes, **THAT** Snake Eyes! Worlds collide on the Island as G.I. Joe's unstoppable ninja clashes with the Dark Knight! Can either of them win, when neither can escape? Will Batman remember he's got to find a way back to Catwoman, all while trying to get back to Gotham City? And what the heck is Harley Quinn doing here?! Oh, and in case we forgot to mention it: Batman. Fighting. Snake Eyes. Do not miss it!

DC ON SALE 6/22/2021

When our heroes saved the Multiverse from Perpetua in *Dark Nights: Death Metal*, everything was put back where it belonged...and we do mean everything. All the damage from all the Crises was undone, and heroes long thought gone returned from whatever exile they had been in. Most of them, at least. Alan Scott, the Green Lantern from the Justice Society of America, has noticed some of his allies are still missing in action, and he's determined to find them. There are others, though, who would rather remain hidden than explain themselves, like Roy Harper, a.k.a. Arsenal, a man who should be dead but now is not. Plus, what does all this mean for the DCU's place in the Multiverse? On opposite sides of a dimensional divide, both Barry Allen and President Superman ponder this question. Not to mention the Darkseid of it all! Or a team of Multiversal heroes called Justice Incarnate!

Kara Zor-El has seen some epic adventures over the years, but finds her life without meaning or purpose. Here she is, a young woman who saw her planet destroyed and was sent to Earth to protect a baby cousin who ended up not needing her. What was it all for? Wherever she goes, people only see her through the lens of Superman's fame. Just when Supergirl thinks she's had enough, everything changes. An alien girl seeks her out for a vicious mission. Her world has been destroyed, and the bad guys responsible are still out there. She wants revenge, and if Supergirl doesn't help her, she'll do it herself, whatever the cost. Now a Kryptonian, a dog, and an angry, heartbroken child head out into space on a journey that will shake them to their very core.

From *New York Times* bestselling author E. Lockhart (*Genuine Fraud*, *We Were Liars*) and artist Manuel Preitano (*The Oracle Code*) comes a new Gotham City superhero in this exciting YA graphic novel. Seventeen-year-old Willow Zimmerman has something to say. When she's not on the streets advocating for her community, she's volunteering at the local pet shelter. She seeks to help all those in need, even the stray dog she's named Lebowitz that follows her around. But as much as she does for the world around her, she struggles closer to home—taking care of her mother, recently diagnosed with cancer.

In desperation, she reconnects with her estranged "uncle" Edward, and he opens the door to an easier life. Through simple jobs, such as hosting his private poker nights with Gotham City's elites, she is able to keep her family afloat—and afford critical medical treatments for her mother. Then one night, Willow and Lebowitz collide with the monstrous Killer Croc and get injured, waking up able to understand each other.

But when Willow discovers that Edward and his friends are actually some of Gotham's most corrupt criminals, she must make a choice: remain loyal to the man who kept her family together, or use her new powers to be a voice for her community.

PRIDE INTRODUCTION

The DC Universe is visually represented as a kaleidoscope of color, encompassing the courage, empathy, strength, and passion that's left an indelible mark on DC's storytelling for the past 85+ years. DC's comic books call to mind the world around us, which makes the characters and their adventures equal parts entertaining, inspiring, and meaningful to audiences of every generation across the globe. These may be Superheroes and supervillains, but the more you get to know them, the more you realize they can't be boxed in by those binary labels. Like all of us, there's a humanity present, which includes perfections, faults, successes, failures, doubt, pride, and everything in between. We welcome everyone to find and celebrate their places in the ever-expanding DC Universe! #DCPride

In case anyone was wondering, Crush is doing just fine, actually. Sure, she recently walked away from her classmates at the Roy Harper Titans Academy and effectively quit being a Teen Titan in a blaze of glory. And okay, her relationship with her too-good-to-be-true girlfriend Katie is kind of on the rocks, if you want to get all technical about it. Oh, and she recently found out Lobo's in space jail, but that's cool, because he's the worst. OKAY, maybe Crush has some STUFF, but that doesn't mean she's gonna DO anything about it, like actually go to space and confront her dad and all her problems, because everything is FINE.

...Right?

\$16.99 US | 192 PAGES | FC | DC

New York Times bestselling author of *The DUFF* Kody Keplinger and artist Sara Kipin reimagine an iconic DC antihero with a gothic-horror twist. Pamela Isley doesn't trust other people, especially men. They always want something from her that she's not willing to give. When cute goth girl Alice Oh comes into Pamela's life after an accident at the local park, she makes Pamela feel like pulling back the curtains and letting the sunshine in. But there are dark secrets deep within the Isley home. Secrets Pamela's father has warned must remain hidden. Secrets that could turn deadly and destroy the one person who ever cared about Pamela, or as her mom preferred to call her...Ivy.

Will Pamela open herself up to the possibilities of love, or will she forever be transformed by the thorny vines of revenge?

6 5/8" X 10 3/16"

ISBN: 9781401298869

A formidable foe is sucking Gotham into her dark fantasy, and only Batwoman can bring the madwoman back to reality and save the city! By day, Kate Kane is a glamorous socialite with a troubled past. By night, she is a warrior. She is the Batwoman, Gotham City's newest protector. Battling her at every turn of her still-young crime-fighting career is a crazed cult called the Religion of Crime. Led by a Lewis Carroll-quoting madwoman known only as Alice, they plan to turn Gotham City into a wonderland of carnage. But Alice has something special in store for the Batwoman—something that will show her everything she thought she knew about her life as a caped crusader is wrong. Is this one-woman army fighting a war she can't win, against an enemy with more power over her than she ever could have imagined? Writer Greg Rucka (*Wonder Woman*, *Action Comics*) and artist J.H. Williams III (*Batman*, *The Sandman: Overture*) proudly present one of the most intriguing story lines DC has ever published! This volume collects the first seven pulse-pounding, visually stunning issues of Rucka and Williams's landmark collaboration (*Detective Comics* #854-860)—a bold tale of triumph, trauma, and the nature of heroism.

Task Force X returns for its bloodiest mission yet, with a new team of unlikely villains from across the DC Universe! When the Suicide Squad is assigned to neutralize a group of international super-terrorists known as the Revolutionaries, the last thing they expect is for the survivors to join the team! Who can Squad veterans Harley Quinn and Deadshot trust when their new teammates are the very people they were sent to kill? This crew could survive the mission, but they might not survive each other—so don't get attached. Acclaimed writer TOM TAYLOR (*DCEased*) reunites with celebrated *Injustice* collaborators BRUNO REDONDO (*Justice League*) and DANIEL SAMPERE (*Action Comics*) for the *GLAAD* Media Award-nominated *Suicide Squad: Bad Blood*. Collecting all 11 issues of the critically lauded maxiseries, this hardcover edition also features a special art gallery of designs by Redondo.

Harley Quinn: Breaking Glass TP

written by **MARIKO TAMAKI**
art by **STEVE PUGH**
cover by **STEVE PUGH**
ON SALE NOW
\$16.99 US | 208 PAGES | FC | DC

A multiple Eisner Award nominee, *Harley Quinn: Breaking Glass* features the outspoken, rebellious, and eccentric 15-year-old Harleen Quinzel. With five dollars to her name, she's sent to live in Gotham City after battling a lot of hard situations as a kid. But everything changes when Gotham's finest drag queen, Mama, takes her in. And at first it seems like Harleen has finally found a place to grow into her most "true true," with new best friend Ivy at Gotham High. But then Harley's fortune takes another turn when Mama's drag cabaret becomes the next victim in the wave of gentrification that's taking over the neighborhood. Now Harleen is mad. In turning her anger into action, she is faced with two choices: join Ivy, who's campaigning to make the neighborhood a better place to live, or join The Joker, who plans to take down Gotham one corporation at a time. From Eisner Award and Caldecott Honor-winning author Mariko Tamaki (*This One Summer*) and Eisner Award-nominated artist Steve Pugh (*The Flintstones*) comes a coming-of-age story about choices, consequences, and how a weird kid from Gotham goes about defining her world for herself.

cover by **JULIE MAROH**
ON SALE NOW
\$16.99 US | 208 PAGES | FC | DC

The voices that shaped LGBTQIA+ young adult literature, Lambda Award-winning author Alex Sanchez (*Rainbow Boys*) and *New York Times* bestselling illustrator Julie Maroh (*Blue Is the Warmest Color*), present a new coming-out romance and origin story for Aqualad. Jake Hyde doesn't swim—not since his father drowned. Luckily, he lives in Truth or Consequences, New Mexico. Yet he yearns for the ocean and is determined to leave his hometown for a college on the coast. His best friend, Maria, however, wants nothing more than to stay in the desert, and Jake's mother encourages him to always play it safe. There's nothing "safe" about Jake's future—not when he's attracted to Kenny Liu, swim team captain and rebel against conformity. And certainly not when he secretly applies to the University of Miami. Jake's life begins to outpace his small town's namesake, which doesn't make it any easier to come out to his mom, or Maria, or the world. But Jake is full of secrets, including the strange blue markings on his skin that glow when in contact with water. What power will he find when he searches for his identity, and will he turn his back to the current or dive headfirst into the waves?

The dark forces of Leviathan have torn through the DC Universe, and now no one can be trusted. No one...not even the person writing to you about this book! That's why you can find out in *Justice League* #63 that Green Arrow has been secretly funding a group called CHECKMATE because not even the Justice League itself can be trusted. The mysterious MR. KING has helped Green Arrow assemble the greatest team of super—spies the world has ever seen! LOIS LANE, THE QUESTION, ROBIN, STEVE TREVOR, MANHUNTER, BONES, and TALIA Ah GHUL! will have to outsmart the smartest people in the world before they destroy everything! PLUS! A new mystery character is tip toeing through the shadows! They call him...the DAEMON ROSE! And he is hunting Lois Lane right under Superman's nose! It's an all-new spine-chilling thriller from the Eisner Award-winning team of Brian Michael Bendis and Alex Maleev!

CELEBRATING THE EMERALD ARCHER'S 80TH ANNIVERSARY! For the last eight decades Green Arrow has been one of the premier (and loudest) characters in the DCU, always at the forefront of where the superhero genre is headed. This over-sized anniversary issue follows in those footsteps, as an all-star lineup of Green Arrow creators, alongside some of the gifted creators of the modern era who have been inspired by Oliver Queen, unite to pay tribute to the Battling Bowman. See what the past, present and future have in store for Oliver Queen, Black Canary, Connor Hawke, Arsenal, Red Arrow, Speedy, and more in this epic special!

Everyone who was invited to the house knows Walter—well, they know him a little, anyway. Some met him in childhood; some met him months ago. And Walter’s always been a little... off. But after the hardest year of their lives, nobody was going to turn down Walter’s invitation to an astonishingly beautiful house in the woods, overlooking an enormous sylvan lake. It’s beautiful, it’s opulent, it’s private—so a week of putting up with Walter’s weird little schemes and nicknames in exchange for the vacation of a lifetime? Why not? All of them were at that moment in their lives when they could feel themselves pulling away from their other friends; wouldn’t a chance to reconnect be...nice?

With *Something Is Killing The Children* and *The Department of Truth*, James Tynion IV has changed the face of horror in modern comics — now get ready for his most ambitious story yet, alongside his Detective Comics partner Álvaro Martínez Bueno!

Walter **Weekend Getaway...**

Hello, all you beautiful monsters.

It's been a busy busy few years, and we've all spread ourselves...

Weekend Getaway This Summer

★ Walter <walter@darkside.org> To: me 2/08/21, 4:23 AM

Hello, all you beautiful monsters.

It's been a busy busy few years, and we've all spread ourselves thin around the country and abroad. It's not as easy to meet up for a drink as it used to be. Even those of you I still live in the city with rarely get to see me (Especially given the state of the world). I miss you all terribly. And that's something I'd like to remedy.

A few days ago, a friend of my Mom said that I could borrow his lake house in upstate Wisconsin for a week this summer. **July 12th to the 18th**. I've attached a few pictures, and I would attach more but they're honestly too beautiful and I think you'd all be convinced I'd made the whole thing up. But I promise you, it's real!

This is important to me. This is why I've been texting you all mysteriously about your summer schedule and plans, so no pretending you have something better to do. If you need help with travel, let me know. If you need to be strong-armed into coming, let me know and I'll unleash my very strong arms.

I'll send a more detailed itinerary as we get closer.

Walter.

The return of Future State's House of El! It's time to head back to tomorrow, as Superman's descendants face a threat from today. This special tale connects to "Warworld Rising" as the actions of Clark Kent in the present reverberate, leaving long-lasting changes...and a deadly threat for the House of El to reckon with. Can Brandon Kent, the Superman of his era, stop the danger from hurting the next generation? Also, for those wanting to know more about Brandon's relationship with Theand'r, the Tamaranean queen, prepare yourself for a little romance as well.

Father Valley is a mystery. His unusual style as a hit man, his habit of keeping a bible designated for each of his targets, his macabre and particular method of elegant savagery, his insistence on waiting until his target has reached their highest point before he strikes them down—these are all strange and enigmatic traits that have remained unexplained... until now. Bear witness to Father Valley's past with the Order of St. Dumas, and his unexpected connection with Azrael, to learn the method to of his madness. And see, once and for all, why Catwoman should be deathly afraid of being on his hit list.

Just in time for Wonder Woman's 80th anniversary, DC Comics proudly presents a new anthology series starring the Amazon Princess embellished in the the color of her famous lasso. You won't want to miss this thrilling series celebrating the woman who inspires us all...and that's the truth! Kicking things off, John Arcudi (*B.P.R.D.*) and Ryan Sook (*Legion of Super-Heroes*) reunite to show us the grace immortality grants a hero. Becky Cloonan (*Wonder Woman*) weaves a spine-tingling tale of Diana's most precious weapon against the darkness. Then Amy Reeder (*Amethyst*) takes us back to the Golden Age for a fun romp co-starring Etta Candy. AJ Mendez and Ming Doyle (*Constantine: The Hellblazer*) travel to Themyscira for a tense family reunion. And finally, Nadia Shammamas and Morgan Beem (*Swamp Thing: Twin Branches*) show us a story of Diana's past failures coming back to haunt her.

Injustice: Year Zero HC

The Complete Collection

\$24.99 US | 152 pages | FC | DC

6 5/8" x 10 3/16"

ISBN: 9781779511294

The beloved, fan-favorite series *Injustice* is back! And this time, with a prequel...*Year Zero: "The Fall of the Old Gods"*! Long before Superman had his tyranny, before Batman led the Insurgency, and even before the Justice League was still a just league—there was the JSA. A secret begins to unravel within the JSA about how one of them controversially used a mysterious amulet in back in WWII to help turn the tide of the war. Flash forward to the present, when this secret amulet is found in the hands of The Joker, and the Justice League and JSA suddenly find their teams being torn apart from the inside—is there a traitor in the room, or is someone hiding something that could ruin every DCU superhero forever? Either way, buckle up, because in true *Injustice* tradition, no one is safe and both heroes and villains will die!

Collects *Injustice: Year Zero* chapters 1-14.

Diana Prince is the best. Usually. But these days, she's coming in second...in history class, in gymnastics, in the race to feed Sir Isaac, the classroom newt. She could double down on training, but when her foe is getting a boost from a mystical mask, will that be enough? No, she will have to rely on her friends to help her combat this newly dangerous menace!

Along the way, they'll discover why so many classmates, family members, and super-villains have gone missing. And why there are so many Cheetahs in the mix!

"Warworld Rising," part three! As the Superman family fights to keep the mysterious refugees alive, they find shocking answers about their lost colony. Meanwhile, Atlantis faces destruction by a host of supernaturally powerful sea kaiju, apparently created by the newfound "Warworld fragment"! As other world governments come to understand the devastating power Atlantis now possesses, tensions rise, and the threat of global war looms closer. As this goes on, back in Metropolis, the time-flung version of Midnighter digs deeper into Trojan's dirty scheme.

Stranded in a Dark Sector with no rings and no backup, John Stewart is out of options, his back against the wall. After the Central Power Battery dies, John must live long enough to gather the surviving Green Lanterns and find a way home, while one of the newest Green Lanterns, Far Sector's Jo Mullein navigates a host of unknown dangers on the Green Lanterns' homeworld of Oa, as she works to uncover the cause of the battery's collapse and who was behind it.

I may be in the sewer, but you better get your mind outta the gutter! That rhymin' zombie known as Solomon Grundy ain't happy that I'm in his domain (but to be fair...it's also Killer Croc's domain too, there's a lotta sewer dwellers in Gotham). Grundy's either going to welcome me with open arms or crush me! And I can't let that happen, 'cause Kevin's at the mercy of Hugo Strange. Hugo's going to do everything in his power to break Kevin and turn him against me, I hope in our brief time together, Kevin's learned a little perseverance! Don't miss this one! We've got really great variant covers!

The Justice League! The biggest heroes! The biggest threats! With their powers out of control and trapped on a world they do not understand, the League must band together like never before. Queen Hippolyta is forced to confront her new destiny. All this and a last page so shocking that it will have fans of Naomi screaming!

Meanwhile, in our bonus story, the Justice League Dark are trapped in the Library of Babel, where they are learning the hard way that the pen is mightier than their swords. Elsewhere, Merlin sets his sights on a lost city that hides the key to his violent delights. Could this mean a violent end for all?

The Trial of Naomi commences! After the shocking events of the last few issues of Justice League, the team is forced to confront its larger issues as a group and the responsibilities the League has to the world where they live versus the Multiverse at large. Guest stars galore as Justice League members from the past come to give guidance for the future. Naomi's fate is revealed. Black Adam joining the Justice League becomes public, and the fallout is surprising. And what cosmic secret is Hawkgirl carrying with her?

Meanwhile, the Justice League Dark must rely on the wit of John Constantine to make their way back to the real world, which is slowly losing its grip with Merlin ready to remake it in his image. Little do they know, a knight from the sorcerer's past is the key to stopping him once and for all. Will she survive long enough to help our heroes?

CELEBRATING POWERFUL VOICES: COLLECTING ISSUES #1-7 OF THE REVOLUTIONARY DIGITAL-FIRST SERIES!

New voices present relevant, topical visions of social change and personal histories, some true-to-life while others are semi-fictionalized accounts of real experiences. All have one thing in common—innovative styles and compelling stories which examine how our culture builds understanding, tracing society's arc toward justice as we evolve in pursuit of a more just and compassionate world. Includes talent spotlights. Jules, a Black teenager, is given a pair of old binoculars as he heads out for a morning of birdwatching in Central Park. He soon learns the binoculars show him a lot more than birds, and maybe they keep him safe, too. Jesse Holland's Mississippi farm has been in his family since their first ancestor was freed from slavery—tended by his grandfather and his father before him. But as Jesse grows into a man, he's unsure if a patch of land in the Piney Woods and a life of tilling soil is his true destiny. But destiny can mean so much more than dirt and a tractor...Lanice's passion for cooking and desire for a career in the culinary arts are challenged by the source of her inspiration—her father—who is concerned about his only daughter working in a kitchen, like so many Black Americans before her. This and many more!

The end of "The One Who Fell"! Superman and Superboy were duped by the old divide-and-conquer routine, which is especially dangerous on a faraway planet where you can't tell who your enemy is. As the Shadowbreed makes their big move, Superman discovers what happened to the friend who originally sent the distress beacon that lured him and his son across the galaxy. Let's just hope it's not an answer that came too late! Elsewhere, back home on Earth, Jimmy Olsen leads his misfit team on the hunt for the sinister Projectress.

This month our cover star Bizarro leaves the Red & Blue family by not being in a story all about his very own birthday. Which of course means we definitely have a story in here about Bizarro's birthday, as well as four more about the Man of Steel himself, including one about a social media star who inspires a very dangerous trend in Metropolis that nearly runs Superman ragged. Also, learn the story of how Jimmy Olsen was able to take what became his very favorite picture of Superman. These fantastic tales feature some of the best writers and artists in the business, only using Superman's special colors to make them come alive!

When a young mother and her daughter appear on Bruce Wayne's doorstep, the famously wealthy playboy is rocked by the news that they bring. Then, when the child is suddenly kidnapped by the Joker, Batman must plunge deep into Gotham City's underworld to track her down and foil The Clown Prince of Crime's twisted plan. But what is the secret that connects these archetypal antagonists to this strange and mysterious young girl—and why does her case seem so deeply personal to both of them?

Acclaimed European comics creator Enrico Marini (*Eagles of Rome*, *The Scorpion*, *Gypsy*) makes his American comics debut with this stunning graphic novel showcasing his unique interpretations of Gotham City's most famous heroes and villains. Collecting the lushly painted two-volume original series, this edition of *Batman: The Dark Prince Charming* features an introduction as well as a new sketchbook section by the artist. Collects *Batman: The Dark Prince Charming* #1-2.

DISCOVER THE DARK DESTINY OF GOTHAM CITY!

In the not-too-distant future, a sinister force has invaded the city of Gotham, and it's a power unlike any the Bat-Family has faced before. The Magistrate controls everything, and their constant surveillance leaves Gothamites with nowhere to hide...even in their own homes. Where did the Magistrate come from? And who can stop them? To make matters worse, in their path to total takeover, the Magistrate has killed Batman! Or have they?

With Bruce Wayne off the grid, it's up to his remaining friends and allies to help stave off the brutality of the Magistrate—or die trying!

This action-packed volume of the Future State saga collects *Future State: Dark Detective* #1-4, *Future State: Red Hood* #1-2, *Future State: Batman/Superman* #1-2, *Future State: Catwoman* #1-2, *Future State: Harley Quinn* #1-2, and *Future State: Robin Eternal* #1-2.

A glimpse into the possible future of the DC Universe reveals stories filled with dark turns, darker actions, and dark possibilities for heroes and villains alike.

The future of the Suicide Squad sees the clandestine team hunting its former leader—Amanda Waller—on Earth-3. The once young and optimistic Teen Titans face some of the former students of Titans Academy as they team with Red X for one last chance at redemption. Picking up on those events, Shazam hides a mysterious secret he's held since his time at Titans Academy, while trying to undo a literal deal with the devil. Even further in the future, the world sits cold and dead with few survivors braving its barren wastelands. Can a new Swamp Thing help humanity regain a foothold, or will it extinguish the last flames of hope?

What does the future hold for Wonder Woman? Quite a lot! This collection brings together all the adventures of Wonder Woman from DC's Future State event. First up is Nubia, the finest Amazon warrior, who heads out on her own to gather magical relics before Grail can get them and use their combined powers to cause some unholy mischief. Then, down in Brazil, Yara Flor takes a journey into Hell to save one of her fallen sisters. She also finds the time to team up with Jonathan Kent, the next Superman, to help the sun retain his supremacy as the ruler of the sky. Finally, long after all her friends and allies have fallen, Diana Prince must make one last stand against the Undoing, a malevolent force that threatens to pull the universe apart.

One of Jack Kirby's final projects for DC Comics in the 1970s presents a dystopian future in which ordinary people are pushed to violence to relieve their stress, and a corporate nobody called Buddy Blank is recruited by the Global Peace Agency to become the super-powered being known as OMAC—the One Man Army Corps.

In these tales from the 1970s, Jack Kirby introduces OMAC! Powered by the sentient satellite known as Brother Eye, OMAC has been charged by the Global Peace Agency with stopping the evil schemes of power-hungry millionaires who seek to exploit those less fortunate than them. It's a vision of the future unlike any you've seen before!

OMAC: One Man Army Corps by Jack Kirby collects the complete eight-issue Kirby OMAC saga, along with an introduction by Kirby!

THE LAST GOD

**THE ACCLAIMED STORY
IN ONE HARDCOVER
EDITION**

The Last God HC

written by **PHILLIP KENNEDY JOHNSON**

art by **RICCARDO FEDERICI**

cover by **KAI CARPENTER**

ON SALE 8/3/2021

\$49.99 US | 448 PAGES | FC | DC

DC Black Label | Ages 17+

6 5/8" x 10 3/16"

ISBN: 9781779510549

The Last God is a high-power, brutal, and nuanced dark fantasy epic. Thirty years ago, a fellowship of brave heroes traveled beyond the borders of reality and killed the last living god, saving the world of Cain Anuun from the tyrant's apocalyptic army of the undead. The legendary companions became the rulers of their world and ushered in a new age of peace and prosperity. But it did not last.

Now the foul legions of the Last God march once more, laying waste to all of Cain Anuun and revealing that the aging fellowship may not be the great heroes they claim to be.

This monumental hardcover collects the entirety of Phillip Kennedy Johnson & Riccardo Federici's bestselling high-fantasy horror masterpiece *The last god: book one of the fellspyre chronicles* in all its glory, along with *Songs of lost children* and an expanded edition of the role-playing campaign sourcebook *Tales from the book of ages*.

EXPERIENCE THE WORLD OF THE LAST GOD THROUGH MAPS, PLAYABLE CHARACTER AND CREATURE RPG MATERIALS, AND EVEN MUSIC!

THE FLOWERING DEAD

The Plague of Flowers can assimilate nearly all living things: man and beast, bird and fish, flower and vine. It is a plague with the power to destroy not only the living, but all that is. Only stone seems resistant to its touch, and there is evidence that even that can eventually fall to the rot and decay of the Plague of Flowers, given time. (Because of the stonelike consistency of their bodies, only dwarrows and djorruk are resistant to the effects of the Plague of Flowers, and under prolonged exposure, even they will eventually crumble and turn.)

POWERS OF THE PLAGUE

Regardless of the form they take, all flowering dead enemies possess the following two traits.

Conquering Infection. Each time a creature makes skin-to-skin contact with the flowering dead, the creature must make a DC 5 Constitution save. On a failed save the creature takes 1d6 (lingering throw). On a successful save the necrotic damage (converted to hit points for the flowering dead) in addition to whatever other damage they may be taking; after a successful save this damage is halved. After each successive turn the DC increases by 2, and the damage incurred by a failed save increases by 1d6.

If a creature's hit points are reduced to 0 while under the effect of this trait, it immediately becomes one of the flowering dead under the game master's control. Though this is the default form for this being is control, at the game master's discretion, the flowering dead attacker can choose to incorporate the newly dead's mass into its own and transform in to a new type of flowering dead. For example, enough drones can simply make physical contact to combine into a wall of the dead and so on.

Death Proof. As children of the Last God, the same divine spark of life that Mol Amwe imparted unto Mol Ullibso to co-creates through the flowering dead. Only Mol Amwe's other creation, the Fey, and the damage their magic inflicts may truly kill and the flowering dead creature. As such, a guardian (see chapter 5) is a most useful ally in any fight with these abominations. When a flowering dead creature is reduced to 0 hit points by Fey damage, it is permanently destroyed. If any other damage type reduces a flowering dead creature to 0 hit points, it will reconstitute itself, after 3 rounds have passed, as a drone of creeping death with 10 hit points.

MANIFESTATIONS OF THE DEAD

As it assimilates all living things quickly, and can even combine multiple creatures into one, the Plague of Flowers may take as many forms as there are of living things in Cain Anau. But for all that, there do seem to be several categories within their ranks:

DRONE

The assimilated body of a single animal. They can be humanoid, a bird of prey, a quadruped, a snake, a marine animal, or any other corrupted life-form. They move as fast as their living body was capable. They never tire, never slow from difficult terrain or show exhaustion, and lack a need to breathe. If the creature is not a human, the statistics are the same as that of the original animal, with a +2 bonus to Strength, as well as the ability that all flowering dead have, Conquering Infection.

DRONE

Medium undead, chaotic evil

Armor Class: 12
Hit Points: 22 (5d8)
Speed: 30 ft.

STR 14 (+2) **DEX** 15 (+2) **CON** 10 (+0) **INT** 7 (-2) **WIS** 10 (+0) **CHA** 7 (-2)

Damage Immunities: necrotic, poison
Condition Immunities: charmed, exhaustion, frightened, poisoned
Senses: darkvision 60 ft., passive Perception 10
Languages: all

Death Proof. See Powers of the Plague.
Conquering Infection. See Powers of the Plague.

Fey Averse. If the flowering dead takes Fey damage, its movement speed is halved and all melee attacks on it have advantage until its next turn.

ACTIONS

Multitask. The drone makes two attacks with its clutch, or one with its clutch and one with its gnaw. If both attacks land, the targeted creature is grappled.
Inviting Gnaw. Melee Weapon Attack: +2 to hit, reach 5 ft., one target. Hit: 9 (2d6 +2) piercing damage, plus Conquering Infection effects.

Chapter 3: Of Beas

Where Aways My Love Alanna

Transcription and observations by Paoli, Scribever's Son of Tyrgolad, in the year 1176 S.R.

Among the pre-invasion ballads of the Riverlands, "Where Aways My Love Alanna" is most curious. Despite centuries of isolationism practiced by the Rivermen prior to the invasions of the Southern Continent,

analysis of the lyrics suggests that the author had great knowledge of cultures from every corner of Cain Anau.

The song tells the story of a Riverman first awaiting, then searching for, his lost love. The first stanza is the one most commonly known among the Rivermen:

At the top of the world, where the north winds blow is a dwell-ling mayde of ice and snow, but I'm sayfe and warm in the halls be- low as I dream of my love A - lan - na.

Hi, o - del-ay - del, Hey, o-del-ay - del, Hi, o - del - ay-del die - del, day, I'll search far and wyde till I fynd my bryde, my... dear - est love A - lan - na.

There is nothing surprising or notable about these lyrics, as they obviously refer to the Riverlands, and characteristics of the melody are in keeping with other early songs of that region. But the next stanza takes a curious turn:

Through the heart of the world runs a river free
And it runs ever south to the greyt grey sea
I'll sayfe till the sunset comes for me
And I fynde my love Alanna.

The river that runs "through the heart of the world" is certainly the Kwalela River, the only river that feeds directly into the ocean. But the lyric "I'll sayfe till the sunset comes for me" is of great interest for its similarity to a Sholtuan tradition called a "sunrayse," in which a career pirate at the end of life will stock and sail a gilleraft!

¹A gilleraft is a one-man sailing vessel unique to Sholtua. Gillerafts used in the sunrayse are often in such disrepair as to be considered unworthy of more than one final voyage.

In 2011 DC made its boldest move in 25 years with the announcement of the New 52—reinventing its fictional universe from the ground up, and restarting its publishing line with 52 new and relaunched series, each starting with a fresh #1.

Ten years later, DC returns to that exciting era with a new Deluxe Edition collection of the New 52's greatest first issues.

This collection showcases the breadth of the New 52's creative diversity, including Geoff Johns and Jim Lee's new origin for the Justice League, the start of Scott Snyder and Greg Capullo's storied run on *Batman*, the intense mythological drama of Brian Azzarello and Cliff Chiang's *Wonder Woman*, Grant Morrison and Rags Morales taking Superman back to his roots, and the unpredictable body horror of Jeff Lemire and Travel Foreman's *Animal Man*.

It's a brand-new day for Wonder Woman! As Diana starts to pick up the pieces of her life following her battle with the Four Horsewomen, Man's World has become more complicated to navigate than ever before. It seems everyone has a take on who Wonder Woman should be—some who look on her heroics with admiration, and some who lie in wait to seek revenge. A brand-new foe has made her presence known in the life of our hero, and Liar Liar isn't going anywhere!

But never fear, the "reformed" Maxwell Lord, who just so happens to be the deadbeat dad of our villain, has Diana's back...and as the Amazon Princess is about to find out, he's not afraid to stick a knife in!
