MAY 2021 / SOLICITING COMICS ON SALE IN JULY

WHAT'S INSIDE

THE MEN OF STEEL 1

Jonathan Kent takes on the mantle of Superman from his father in *Superman: Son of Kal-El #1* by Tom Taylor and John Timms, which introduces a brand-new Man of Steel to Metropolis. Clark Kent's never-ending battle continues in *Superman and the Authority #1* by Grant Morrison and Mikel Janin, as the original Superman assembles a new team to take on the dirty missions that the Justice League can't. Plus, the Last Son of Krypton must prevent an all-out war with Atlantis in *Action Comics #773*.

MILESTONE RETURNS 8

At long last, the iconic heroes of the Milestone Universe have returned. Don't miss the electrifying first issue of *Static (Season One)* by Vita Ayala, ChrisCross, and Nikolas Draper-Ivey. Plus, writer, director, and producer Reginald Hudlin and superstar artist Doug Braithwaite bring back Icon and Rocket beginning in *Icon & Rocket (Season One) #1*.

COMIC BOOKS 30

The DC Universe continues to expand. Don't miss the first issue of *Blue & Gold* starring Booster Gold and Blue Beetle by the dynamic duo of Dan Jurgens and Ryan Sook, and the all-new *Shazam! #1* by Tim Sheridan and Clayton Henry, which spins out of the pages of *Teen Titans Academy*. Plus, the Red Hood leads Harley Quinn, Firefly, and more of DC's most villainous criminals on a mission to terminate The Joker in *Suicide Squad: Get Joker! #1*.

GRAPHIC NOVELS & COLLECTED EDITIONS 79

The worlds of comic books and video games collide when the Dark Knight and other DC Super Heroes combine with the global gaming phenomenon *Fortnite* in *Batman/Fortnite: Zero Point*, a graphic novel collection of the epic six-issue series. Plus, Kami Garcia and Gabriel Pico continue their *New York Times* bestselling Teen Titans series of original graphic novels and give readers the romantic meet-up they've all been waiting for in *Teen Titans: Beast Boy Loves Raven*.

SUPERMAN: SON OF KAL-EL * ACTION COMICS * SUPERMAN AND THE AUTHORITY

The superhero who started it all moves into a brand-new phase this July, as the Superman line of titles expands to allow father and son each to have their own book.

Readers have watched Jonathan Kent turn into a young man over the last several years, including his adventures in the 30th century being trained by the Legion of SuperHeroes. Now it's time for him to step up in his own home time, as his father, Clark Kent, sees he is needed elsewhere. It's not so much of a passing of the cape as it is growing the family business.

And it all starts here. In **ACTION COMICS**, Superman continues to fight the Warworld threat, with an increasing realization that this deadly plot will soon take him off-world. This means building a new team to fight alongside him against Mongul's brutal army, and also making sure that his adopted home remains safe.

SUPERMAN AND THE AUTHORITY achieves the former, as Superman enlists Manchester Black to recruit a band of heroes with very special skills.

As to the latter, that's where Jon comes in. The Super Son is now **SUPERMAN: SON OF KAL-EL**, taking charge of the main Superman title as the new Metropolis Marvel. While Dad is away, Jon will have to show the world—and himself—why he deserves to wear the S on his chest.

Jonathan Kent has experienced a lot in his young life. He's traveled the galaxies with his Kryptonian grandfather and lived in the future with the Legion of Super-Heroes, who were intent on training him for the day his father, Clark Kent, could no longer be Superman. There is a hole in the Legion's history that prevents Jon from knowing exactly when that will happen, but all signs point to it being very soon. It's time for the son to wear the cape of his father and bear the symbol of hope that has told the world who Superman really is.

Join writer Tom Taylor (*Nightwing*, *DCeased*) and artist John Timms (*Infinite Frontier*) as they usher in a whole new era for the House of El!

Also, "Tales of Metropolis" continues. Jimmy Olsen gathers his misfit heroes, including Ambush Bug and Gangbuster, to find out who the Projectress really is and why she set her sights on Bibbo!

Sometimes even Superman finds a task almost impossible. Sometimes even the Last Son of Krypton needs to enlist help. Some tasks require methods and heroes that don't scream "Justice League." So Clark Kent, the Metropolis Marvel, seeks out Manchester Black, the most dastardly of rogues, to form an all-new Authority tasked with taking care of some business on the sly. Not only will Black know the right candidates for the team, but if Superman can make him behave himself and act in service of the greater good, then he'll prove literally anyone can be a hero! They'll have to move quickly, however, as the Ultra-Humanite forms his own team to take out the Man of Steel.

This new limited series helps launch an all-new Superman status quo, setting up story elements that reverberate across both *Action Comics* and *Superman: Son of Kal-El* in the months to come. And not only is Superman putting together a superstar team, but it takes superstars to tell the tale: Grant Morrison (*The Green Lantern, All-Star Superman*) and Mikel Janin (*Batman, Future State: Superman: Worlds of War*)!

Atlantis is under attack! Taking in the Warworld refugees also means taking possession of the deadly Warworld tech they brought with them, and holding that much power makes the undersea kingdom a threat to the rest of the world. Can Superman move fast enough to prevent all-out war? Doing so may mean taking the power into his own hands...Meanwhile, some of the escaped Warworld prisoners have found the Fortress of Solitude...and along with it, Lois Lane!

In our second feature, Midnighter has gone deep into the Trojan compound and found a very unexpected guest whose path he crossed in *Future State*—none other than Mister Miracle!

At long last, the most famous face of the Milestone Universe is making his shocking return! Bullied nerd Virgil Hawkins wasn't the kind of kid you'd normally find on the streets at a protest—but like everyone else in the city of Dakota, he was fed up. Unfortunately, the first time he stood up to raise his voice, the world turned upside down. The experimental tear gas released that day left some of his classmates maimed or dead...but it left Virgil, and others, with stunning new abilities. Virgil has power inside him now—real power, the ability to channel and manipulate electromagnetic fields.

But there's anger burning inside him, too.

What is he supposed to do about all of this? And first and foremost—what is he supposed to do about his bullies, now that they've got superpowers too?

A dynamic creative team of new comics voices and Milestone Media veterans join forces to open up a new chapter in the story of the most iconic Black teen superhero in comics history.

Long ago, the stranded alien known as Arnus gave up hope of returning to his home planet. Tragically, he'd also realized that his adopted home of Earth was beyond saving. Content to waste away his long life in a human guise, Arnus was past caring...until the day a young woman named Raquel Ervin crashed into his life. Soon she'd convinced him to put his incredible power to work again as the heroic Icon...and to transform her into his sidekick, Rocket! But an innocent question on Rocket's part—"Why can't we do something about the drugs on my corner?"—quickly set a chain of events in motion leading to the pair becoming the most hunted beings on Earth... and they're not just being pursued by Earthlings, either!

Writer, director, and producer Reginald Hudlin (*Black Panther: Who Is the Black Panther?*) and superstar artist Doug Braithwaite unleash a tale of power and responsibility that will stretch from the boardrooms of corporate America to the jungles of South America and the depths of deep space! If you've ever thought there were certain things that a superhero story just couldn't do, it might be time to start thinking different...

The terrifying debut of the tie-in to *The Conjuring: The Devil Made Me Do It* begins here, with a story that's bursting at the seams with clues about the new film.

Meet Jessica. Jessica just returned to her freshman year of college after winter break, bringing with her the anxieties of last semester's poor grades, the awkwardness of facing a boy she wishes she'd never slept with, and an undeniably unnerving feeling of being watched.

She soon comes to realize that something evil made her its target, and it will not rest until it has her in its unholy grip. But why did this sinister presence set its sights on a seemingly normal college freshman? Read this nerve-racking tale, creepily crafted by *Conjuring* screenwriter David L. Johnson-McGoldrick and Rex Ogle with heart-stopping art from Garry Brown and chill-inducing covers by Bill Sienkiewicz, to find out!

Some great romances are destined to be. The *Batman/Catwoman* series shows readers the romance between Bruce Wayne and Selina Kyle as it changed over their lives, but what about their connections from before they became costumed adventurers? This special one-off issue, meticulously illustrated by John Paul Leon (*Batman: Creature of the Night*), traces the life of Selina Kyle from her earliest days to her entry into the criminal underworld, and reveals that Bruce was actually a presence in her life all along. Whether it was fate or coincidence, this story gives even more reasons why Selina and Bruce's connection is one of the most enduring love affairs in comics.

In Gotham City, heinous acts of violence occur daily.

Harley Quinn, forensic psychiatrist and profiler, consults with the Gotham City Police Department on its worst cases. But one unsolved murder still haunts her—the night Harley discovered her roommate’s body marked with the signature of a notorious serial killer known as The Joker.

Five years later, the case remains unsolved, as a new series of horrific killings begins. When the murders escalate and the meticulously constructed crime scenes become more elaborate, Harley’s obsession with finding the depraved psychopath responsible leads her down a dangerous path. The past and the present finally collide, and Harley must decide how far she is willing to go—and how many lines she is willing to cross—to solve these cases once and for all.

Written by #1 *New York Times* and international bestselling author Kami Garcia (*Beautiful Creatures*, *Unbreakable*, *The X-Files Origins: Agent of Chaos*) and drawn by Mico Suayan (*Bloodshot Reborn*), Jason Badower (*Wonder Woman ’77*), and Mike Mayhew (*The Star Wars*), *Joker/Harley: Criminal Sanity* introduces readers to a Joker and Harley Quinn unlike any they’ve seen before, utilizing forensic psychiatry, behavior analysis, and psychological profiles to create a true-to-life take on these iconic characters that is more terrifying than any psychotic fantasy.

Acclaimed author Lilliam Rivera and artist Steph C. reimagine one of DC's greatest Green Lanterns, Jessica Cruz, to tell a story about immigration, family, and overcoming fear to inspire hope.

Jessica Cruz has done everything right. She's a dedicated student, popular among her classmates, and has a loving family that has done everything they can to give her a better life in the United States. Jessica usually worries for her undocumented parents, but her fears and anxiety escalate as a mayoral candidate with a strong anti-immigration stance runs for office. As the xenophobia in Coast City increases, Jessica begins to debate if it's worth staying in the U.S. or moving back to her home in Mexico. And despite her attempts to lean on her friends and family, she finds herself constantly visited by visions of Aztec gods, one pulling her toward hope and the other toward anger.

But when her father is detained by I.C.E., Jessica finds herself being pulled into an abyss of anxiety. Despite feeling helpless with her father, Jessica must find her way out of her fears and ultimately become a voice for her community.

The sequel to the Eisner Award-winning *American Vampire* reaches its definitive conclusion!

July 4, 1976. Exactly 51 years ago to the day, Skinner Sweet pulled Pearl Jones from certain death and committed her to eternal life as an American Vampire. Now, on America's bicentennial—after a half-century of fighting for and against one another—the two foils are united in a common cause, locked in an earthshaking showdown against the Beast for the fate of humankind.

Parting words and lasting actions untangle the tense history between the surviving members of the VMS—and Skinner Sweet will either reclaim his coveted immortality or sacrifice his life in the final battle to secure a better future for his companions!

Batman hits the streets in search of the creature terrorizing Gotham's underworld—and hits them hard.

First stop is the lair of the Penguin, but Oswald Cobblepot is at death's door (which is better off than the beast left many of his cronies). The mangled rogue has no answers for Batman, but his blood—and the surprising secrets that it holds—will send the vigilante ever deeper into darkness...

There are things that happened in the original war with the marauding Pykhts that Adam never told his wife, Alanna, and she wants answers now. Adding fuel to the fire is the possibility that he didn't just deceive her, but entire galactic civilizations, in his quest for victory—which raises the question: How much has been true in the stories he's told Earth to mobilize its greatest heroes against an invasion right here at home?

This is the big one before the finale. Massive secrets are revealed, as two timelines rush toward a collision.

There's no dog in the Multiverse quite like Superman's real best friend, Krypto!

Join us this month for an epic retelling of Superman's canine companion's origin story, along with four additional tales about the Man of Steel, including one that proves that even in his secret identity Clark Kent is just as super. While Superman is known for his larger-than-life heroism, in this issue we tell the story of a delicate infant rocketed through the unforgiving universe! Also, meet for the first time the man rescued by Superman more often than anyone else in the Multiverse. And follow Pa Kent as he learns what it really means to be the father of a superhero.

You won't want to miss the penultimate issue of this star-studded anthology celebrating the Man of Steel!

The future of the realm of Faerie lands in Heather After's hands—and Heather's not exactly known for her sound judgment. But if she doesn't use her power wisely, she could call down the wrath of the Dream Lord himself—and send her closest confidant, the escaped nightmare Ruin, back into eternal imprisonment...or far, far worse! Will Ruin be unmade before ever knowing the true love he condemned himself to mortality for?

Perhaps he just gets what everybody gets—a lifetime. But it's looking awfully short...

Being a superhero runs in Anissa Pierce's family. It's been a part of her life in one way or another since her father, Jefferson Pierce, first started to fight crime as Black Lightning. Despite what her parents tell her, despite what the world tells her, Anissa knows that she has the same calling as her father. But as Anissa takes on the mantle of Thunder, she must grapple with a very different world than the one that her father first patrolled.

The critically acclaimed creative team of Academy Award-winning screenwriter John Ridley (*12 Years a Slave*, *Let It Fall*) and artists Giuseppe Camuncoli and Andrea Cucchi bring *The Other History of the DC Universe* to a close.

One or two monster masks might just mean there's a smuggler or crooked real estate developer in town. But when Gotham City is terrorized by an army of thugs in monster masks, it can only mean one thing: a citywide crime spree by Black Mask and his gang, the False Face Society! With Batman mysteriously missing, and Nightwing and Batgirl up against a horde of crooked creatures, it's lucky that the heroes have help from Scooby and the gang. After all, who has more experience in pulling the masks off bad guys?

Back in the '70s, *The Brave and the Bold* paired Batman with a wild array of partners. Wonder Woman, Supergirl, Adam Strange, Sgt. Rock, Black Lightning, and the Metal Men, among many more, showed up to take their turns in the spotlight. The success of these comics was due in large part to the contributions of writer Bob Haney and artist Jim Aparo. Both men used their considerable skills to bring readers an extraordinary new adventure every issue.

Upon Haney's exit from the series, Aparo was joined by such celebrated writers as Mike W. Barr, Gerry Conway, Alan Brennert, and more. Legendary artists such as Carmine Infantino, Dick Giordano, José Luis García-López, Dave Cockrum, and Dave Gibbons would also grace the series before its end. Without question, these Batman team-up stories are the most essential, nail-biting thrillers DC Comics published during the Bronze Age.

Batman: The Brave and the Bold - The Bronze Age Omnibus Vol. 3 collects the Dark Knight's team-up adventures from *The Brave and the Bold* #157-200 and includes a brand-new foreword by writer **Scott Beatty**, along with nearly a dozen never-before-collected, meticulously restored stories.

In the 1970s, legendary creator Jack “the King” Kirby revolutionized the comic book medium with a sweeping multi-series saga that encompassed impossible new worlds, iconic new characters, and sweeping new mythologies. He called it the Fourth World, and its debut elicited unprecedented levels of excitement and anticipation from comics readers everywhere.

The Fourth World by Jack Kirby Omnibus collects, in a single hardcover volume, Kirby’s complete chronicles from the pages of *Superman’s Pal Jimmy Olsen*, *The New Gods*, *The Forever People*, and *Mister Miracle*, as well as the climactic graphic novel *The Hunger Dogs*.

This transformative tome also includes illuminating essays from acclaimed author (and former Kirby apprentice) Mark Evanier and celebrated comics creator (and avowed Kirby fan) Walter Simonson, as well as a special section of Kirby pencils, profiles, pinups, and more!

Now that S.H.A.D.E. has been dismantled by Leviathan, Frankenstein finds himself free to set his sights on his former mentor, Melmoth, the one evil that got away. With bad things happening across the Multiverse, this may be Frankenstein's last shot at setting things right. Of course, Melmoth has his own agenda, and it's going to take more than a lone monster to take him down. So Frankenstein heads to Gotham City in search of allies and recruits Killer Croc, Lady Clayface, Orca, vampire Andrew Bennett, and a mysterious figure known as the Red Phantom. But will even these dread creatures be enough to save humanity before the entire cosmos collapses in on itself? Fan-favorite writer Steve Orlando (*Midnighter*, *Martian Manhunter*, *Batman/Shadow*) and red-hot artist Amancay Nahuelpan (*Crush & Lobo*) bring the monstrous might of the DC Universe in full force. Collecting *Gotham City Monsters* #1-6.

By rights, John Constantine should be the happiest magician alive. He's just gotten married to the sexy young alchemist Epiphany Greaves and successfully fended off his demonic archenemies at the reception. He'll have to replace the thumb he cut off during a bout of magic-induced madness, but hey, for Constantine, that's not bad.

But the honeymoon is about to end. His niece, Gemma, is out for revenge for an assault she holds her dear Uncle John responsible for—but in her quest for vengeance, she summons a demon she can't control.

Gemma's missteps will take John all the way to Hell in this penultimate volume of Vertigo's longest-running series. *John Constantine, Hellblazer Vol. 25: Another Season* collects issues #276-291 as well as the previously uncollected story "Exposed" from DC's 9/11 anthology.

With the Justice League defeated at the hands of the Enchantress, Madame Xanadu must assemble the world's most powerful and strange magical heroes to prevent her premonitions of end times from coming to fruition!

Bringing together the likes of John Constantine, Zatanna, Shade, and Deadman, this unlikely team will be forced to put aside their differences to save the world. Never one to play nice, Constantine and the group will fall apart time and time again, only to come together when the world needs them most. Joined by the likes of a centuries-old vampire, Black Orchid, and Frankenstein, Agent of S.H.A.D.E., among many more, some will live, many will die, but together, maybe they can save this world!

Justice League Dark: The New 52 Omnibus features the entire epic run in one massive, accursed tome! This tabloid-size masterpiece reprints a classic Superboy and the Legion of Super-Heroes story at full size for the first time.

Superboy arrives in the future for the wedding of Saturn Girl and Lightning Lad only to find a world totally different from the one he is used to visiting, but the Legionnaires insist it has always been that way. With Superboy unable to convince his teammates that something is wrong, the wedding proceeds as planned, only for the bride and groom to be kidnapped by the Lunarites. Convinced that the altering of history is the real issue, Superboy leads a team of Legionnaires back in time, while the rest of the group attempts to rescue the kidnapped couple.

Can Superboy's team correct the flow of time and save the future? Includes a two-page pinup of the entire Legion by Mike Grell and an eight-page feature containing information on each of the Legionnaires by Paul Levitz, illustrated by James Sherman and Jack Abel.

Deep in the Louisiana bayou, a terrifying monster stalks the waters, strangling life before it can grow and leaving a trail of death in its wake. And the Sunderland Corporation is coming for Swamp Thing next.

Swamp Thing alone stands to defend his community from the growing menace of an evil corporation ready to turn the earth to barren soil if it helps their bottom line. But Sunderland's reach stretches further than even the Swamp Thing can grasp...their plans for destruction will affect not just the swamps he calls home, but the entire planet!

And Swamp Thing is not the only strange spirit alive in the bayou. When a fifolet—a ghost light, a will o' the wisp—leads him to strangers who need his help, Swamp Thing must discover what this restless ghost's true purpose might be...if he can survive long enough to find out.

Once upon a time there was a little boy named Gus. He had antlers and lived with his father in a little cabin in the woods. Then his father died, and the big man with cold eyes took Gus away. Gus went on many great adventures, found friends, love, happiness, family, and acceptance.

Now, years later...it begins again. A young boy with antlers and deer-like features wakes in a bizarre and completely foreign world where the last humans struggle to survive. They tell the boy he is special, he is chosen, and that he alone can lead them back to a world dominated by the oppressive Hybrids.

Acclaimed writer/artist Jeff Lemire reunites with colorist José Villarubia to bring you the next chapter in the saga of DC's acclaimed series *Sweet Tooth*!
