"...or some similar idiocy."

Heavy! There's something pressing we need to talk about.

Sure...

...but give me half an hour.

Got biz.

Etienne?

Yeah. He can't see inside Haven properly. The singularity messes with him...

Sure, he could kill people... but he'd be shooting blind.

So... last chance, Tonya.

If you're in, this is your last look at the outside world for... a month? Maybe two?

I'm a journalist.

I could never resist a mystery.
