# Local principal and teen son killed in animal attack

Principal and his 17-year-old son were killed in a fatal animal attack on Monday, November 1, 2004, in a wooded area near the school. The principal, Dr. Vincent Lord, and his son, Vincent Lord, were walking through the woods when they were attacked by a large animal. The principal was killed by a bite to the neck, and his son was killed by a bite to the chest. The animal was later identified as a black bear. The attack occurred in a wooded area near the school, which is located in a rural area. The principal and his son were walking through the woods when they were attacked by a large animal.
